ROC. No. 143 H/47 dated the 21st August 1947.

Sir,

SUB:- Supply of Leather Bound Covers to the
Curator, Government Oriental Manuscripts
Library, Madras = Sanction requested:

I have the honour to state that the Curator, Government Oriental Manuscripts Library, Madras, requests for the supply of 25 Leather Bound Covers for the use of the library. In the Madras University Library and other libraries there is a separate reading room where journals are placed in leather bound covers for the use of visitors. The Curator desires to introduce that system in the Oriental Manuscripts Library also as it is very advantageous to the visitors. If the journals are not kept in leather bound covers ^{on the Readers Tables} the covers of the journals will get soiled or their pages torn or otherwise damaged. The quality of papers and binding in the case of a few journals are such that they do not stand the strain of frequent use by the readers. These leather bound covers naturally afford them protection and make them more durable and pleasing to the eye. Hence I consider that leather bound covers are necessary for the library and I accordingly recommend the Curator's request. I therefore request
