Copy of letter No.Rc.488/SE/47 dated 2-8-47 from the Inspector General of Police, Madras to the Secretary to Government, Home Department, Madras.

Stationery - Copying ink pencils - supply to the Wireless Stations - sanction requested.

I request the Government to sanction the annual supply of copying ink pencils hard to the Wireless Stations on the following scale.

Six copying ink pencils hard for each of the wireless stations.

At present there is no supply of copying ink pencils for the wireless stations. As the staff employed in these stations have a good deal of writing work to do, I recommend the supply of six copying ink pencils hard to each of the fourteen static wireless stations and the transport and Urban stations now working. The total cost of the proposal to supply copying ink pencils as requested will be only Rs.45-8-0 per annum.
