In continuation of my letter R.O.C. No.1204 B.1/46 dated 8.5.47, I have the honour to state that, in modification of my proposal for the Creation of a post of a Deputy Inspector of Schools in Coimbatore Area especially to inspect the basic schools to be started in the Coimbatore area during 1947-48, the post of an additional Junior Deputy Inspector may be created for inspecting and guiding all the Basic Schools in the Belt area round about Perianaickenpalayam. The Hon'ble Minister for Education is reported to have suggested this proposal when this subject was discussed with the Divisional Inspector Coimbatore. I also agree that this will be better in view of the small number of schools, he has to look after.

2. For supplying Craft materials for the Basic Schools, a~~x~~ Store of Craft materials, must be opened. A sum of Rs.5000/- may be ~~x~~ sanctioned as Permanent Advance for equipping materials for this Stores.

Since revised to Rs 1000 p 4 infra

and an attender — p 5 infra

3. The post of a Store keeper in the scale of Rs.45-3-60-2-90 may also be sanctioned because the incumbent of the post has to assist the Junior Deputy Inspector in clerical work and to be incharge of the stores.

4. The cost of the scheme will be as follows:

	In 1947-48 for 8 months.		Cost in 1948-49.	
	Rs.		Rs.	
One Junior Deputy Inspector (60 X 8) 18	480	(94X12)	1128	2430

SIR,

BASIC EDUCATION - Craft Equipment stores - Opening of - Proposal Submitted.

Reference:-My letter R.C.No. 1204-B1/46 dated 25.6.1947.

54152

The Sub-Committee of the Advisory Board on Basic Education which met on 17.12.1946 resolved to request the Government to sanction the opening of a central Equipment Stores for the purchase and supply of equipment required for the Basic Schools. An extract of the resolution No.VI pertaining to the subject is enclosed. In this connection, I have the honour to submit ~~in my letter dated 5.6.1947~~ in partial modification of my previous proposal made in my letter dated 5.6.1947 25 the following recommendations for the consideration of the Government

(1) A Central Store may be opened at Periyanayackanpalayam. The store may purchase and store all the equipment necessary for Basic schools. The schools may indent on this store and get their requirements.

(2) The store may be managed by a storekeeper on Rs. 45 - 90 assisted by an attender on Rs. 24 - 35 under the general control and supervision of the Headmaster of the Basic Training School, Periyanayackanpalayam.

(3) The proposed store at Periyanayackanpalayam may well serve the Southern area. To serve the northern area, another store may be opened at Vinayasram under the general control and supervision of the Headmaster of the Basic Training school there.

2.

This store ~~too~~ can be managed by a Store Keeper on(Rs. 45 - 90) assisted by an attender on (Rs. 24 - 35.)

(4.) Each store may require an advance of Rs. 10,000/- for the initial purchase of the equipment necessary for Basic Schools, as detailed below:

Name of equipment to be stored.	No. to be purchased	Cost of each Rs.	A.	P.	Total Cost. Rs.	A.	P.
Taklies ..	4000	0	6	0	1500	0	0
Winders. ..	2000	0	6	0	750	0	0
Card Board pieces.	2000	0	1	0	125	0	0
Hand bow.	200	3	8	0	700	0	0
Takli Stand.	200	1	0	0	200	0	0
Slivering planks.	200	1	0	0	200	0	0
Plank and rod.	300	1	4	0	375	0	0
Balance with weights	100	5	0	0	500	0	0
Guts(in rolls)	500	1	0	0	500	0	0
Cotton (Raw)	-	-			5000	0	0
Miscellaneous.	-	-			150	0	0
Total ..		Rs.			10000	0	0

2. Basic schools have already come into existence. It is not possible for the schools to get the required equipment from the local market, and the standard of manufacture may not also be up to the mark at all places. If the two stores as suggested above are opened by Government, the required articles can be made readily available and supplied promptly on receipt of indents from schools. In later years the articles can be manufactured by the Basic schools in the Higher grades. This system of the supply of equipment will be beneficial in two ways. Articles of the required quality can be had for a reasonable price, without loss to Government and the Industrial Schools and the Basic schools will have a chance to train their students to manufacture these articles.

3. The cost of maintaining the two stores during 1947-48 the annual immediate cost and the ultimate cost are shown below:

Page 3.

	1947 - 1948 (8 months) Rs.	Annual cost (Immediate) Rs.	Annual cost (Ultimate) Rs.
2 Store Keepers(45-3-60-2-90) plus 18 D.A.			
Average cost Rs. 67½ plus 18 Dearness allowance.	1008	1512	2052
2 Attenders(24-1-32-½A-35) plus 16 D.A.

	Rs.1600/-.	Rs.2500/-.	Rs.3,200/-.

The stores can be located in a part of the Training School buildings. Hence no provision is proposed for rent.

4. Since the non-availability of the required equipment is bound to affect the efficiency of the schools and the progress of the pupils, I request the Government to sanction the early opening of the two stores, one at Periyanayakkanpalayam and the other at Vinayasram.

5. I shall apply for necessary additional funds in due course.

VI. **Equipment (For Basic Schools):**

A sub-Committee consisting of the following persons may be appointed to see to the complete requirements in equipment for craft work in Basic Schools:-

1. Mr. Seetharama Sastri
2. Mr. G. Venkatachalapathy
3. Mr. Seetharama Rao
4. Mr. R.V. Rudrappasamy
5. Secretary of the Basic Advisory Board.

The Committee feels that the Government should have a Central Equipment Stores on which the schools can indent for their requirements. The Committee will submit to Government a complete list of the equipment that will be required by the schools. This equipment with the advantage, be manufactured in Industrial Schools and later on in the Higher Grades of the Basic Schools.

D.O.No.946-B1/47.

Office of the Director of

Dated 7th July, 1947.

Dear Mr. Subramanian,

Subject:-Programme for the spread of Basic Education.
Reference:-Your D.O.No.30610 B2-2, Education, dated 24.6.1947.

Further to my D.O.No.946-B1/47 dated 19.6.1947 in which I outlined the programme adopted for the spread of Basic Education (copy of which is enclosed for ready reference), I make the following report with special reference to the scheme prepared by the Headmaster, Government Basic Training School, Periyanayakanpalayam for craft supervision, supply of equipment and raw materials, collection and sale of finished products etc. In para 8 of G.O.No. 1188, Education, dated 9.6.1947, sanction was accorded for the training of 60 teachers of the Secondary Grade employed in Government Training Schools for a period of 4½ months. This was modified in Government Memorandum No.48893 B2/47-2, Education, dated 20.6.1947, according to which only 30 teachers in the aggregate, of trained graduates and Secondary grades, may be trained. The Sub-Committee of the Advisory Board for Basic Education, at its meeting held on 10.6.1947, resolved that the period of training should be one academic year but not 4½ months as originally fixed in G.O.No.1188-Education, dated 9.6.1947. The orders of Government may kindly be obtained for raising the period of training from 4½ months to one academic year as suggested by the Advisory Board.

2. In my letter to Government, R.C.No.1204 B1/46 dated 25.6.1947, the appointment of an additional Junior Deputy Inspector for inspecting the Basic Schools round about Periyanayakanpalayam and for guiding the teachers was recommended. One of the duties of the Junior Deputy Inspector will be to obtain the required equipment etc., from the Stores and distribute the same to the schools that are in need of them. He will also collect the finished articles from the schools and take them to the Stores for disposal.

P.T.O.

Page 2.

3. The opening of 2 Stores was already **recommended** to Government in my letter C.No.1355-B1/47 dated 27.6.1947. One of these will be located at Periyanayakanpalayam. The Store Keeper will look to the accounts, correspondence and the safety of the stores. He will be under the control and supervision of the Headmaster of the Basic Training School there. The Junior Deputy Inspector and the Store Keeper will assist the Headmaster in the supervision of the Basic Schools, in the purchasing of raw materials, equipment etc., required for Basic Schools, and in disposing of the finished products at the rates fixed by the A.I.S.A. or at market rates whichever may be advantageous to Government.

16122

The endorsement referred to, above is returned with the following remarks.

The proposal of the Director to treat the sum of Rs.10,000 sanctioned for each store as a permanent [illegible]nce is not necessary.

With reference to the orders in para 5 of G.O.Ms 2088 Edn dated 27-9-47, the Director has in his proceedings RC No.1584-81/47 dated 17-10-47 authorised the Headmasters of the two Government Basic Training Schools to incur expenditure up to Rs.10,000/- each for the purchase of articles of equipment during the current year. In order that the Headmasters concerned may be able to have sufficient money on hand to make purchases or to give small advances to contractors, it is suggested that the provisions of Article 99 of M.F.C. Vol I may be followed. pp 47 BK No. 34.

3. As regards the procedure of accounting to be adopted, the Director's attention may be invited to the detailed procedure for the purchase and accounting of stores as embodied in chapter VII of the M.F.C. Vol I. Expenditure on stores is included under contingent expenditure and therefore are subject generally to the rules in chapter VI (ibid). The amounts required for purchase whenever necessary may be drawn by the Headmaster from Treasury as advances on Abstract bills quoting reference to the Government sanction. After the payments are made, the advances drawn should be adjusted on detailed bills duly supported by necessary sub vouchers furnished for the charges incurred. pp 65-88 BK No 34. pp 44-64 BK 34.

4. It is presumed that necessary provision for the expenditure will be made under the sub head of appropriation 'Basic Training Schools' mentioned in Public (Planning and Development) Memo No. 33428-P&D VII/47-9 dated 28-5-47.

5. Stock account of raw materials and expendible stores have to be maintained on the lines indicated in Articles 133 to 138 of the Madras Financial Code Vol I. pp 83-85 BK No 34

6. It would be desirable that the Store Keeper, appointed in charge of Stores should be required to furnish a cash security and execute a security bond as laid down in Article 276 of M.F.&A.C. pp 63-64 BK no 34

7. No local audit is, at present conducted by this office in respect of Stores transactions of the Education Department, besides the Central Audit of the vouchers for such transactions. The magnitude of the transactions does not also justify the need for such local audit. The maintenance of stock accounts for each kind of article according to the procedure prescribed in Article 133 to 138 of the M.F.C and the periodical inspection of stores under articles 139 to 143 ibid should meet the requirements of the case. pp 83-85 BK. 34.

Dear Mr. Reddy,

STORES FOR CRAFT EQUIPMENT.

p31-32

In G.O.No.2088, Education, dated 27--9--1947, the Govt. sanctioned the opening of two Craft Equipment Stores, one at Periyanayakanpalayam and the other at Viniyasramam.

pp1-2 ante

In your letter, dated 4th December 47, you asked Govt. for instructions regarding the manner in which the stores should be administered. I am to ask you to explain the reasons for the delay of more than two months to make this reference to Government. The Govt. understand that craft materials ~~has~~ have not been supplied to the schools in Coimbatore and Vinayasramam and consequently the Govt. have ~~become~~ come in for a lot of adverse comment.

I send herewith a copy of letter R.C.No.184 E/47 dated 23-3-48 of the District Educational Officer, Coimbatore and offer the following remarks.

pp31-32 y ⓧ

26972

2. The G.O.No.Ms.2088, Edn., dated 27-9-47 sanctioning the expenditure for the supply of equipment was received in this office only on 3-10-47. It was immediately communicated to the officers concerned on 11-10-47 and on 17-10-47 the amount was placed at the disposal of the Headmasters of Basic Training Schools at Perianaickenpalayam and Vinayasramam. There was difficulty in getting the equipment as the firms which could supply them wanted an advance. It was permissible for the headmasters to have made payments in advance of supply, but the Basic Education Officer suggested that a permanent advance should be paid to certain associations for the manufacture and supply of materials. This procedure was considered irregular as it would have meant supplying capital to the firms. A reference had, therefore, to be made to Government after ascertaining from the headmasters that they were unable to get the equipment in the ordinary way and this was done on 4-12-47 and orders of the Government declining to sanction the proposal was received only on 10-3-48 (vide Govt.Memorandum No.95810 B2/47-3, Edn., dated 8-3-48).

pp1-2 ante

p17 ante

3. It will thus be seen that neither this office nor the District Educational Officer was responsible for the delay.

4.

54

4. It will also be found that the equipment had already been supplied to the schools.

5. In regard to Basic Education, the methods suggested often involved irregularity of procedure and reference to the Government is inevitable before they are adopted. The Headmasters of Government Basic Training Schools being new to official procedure are unable to take prompt action.

6. The Government are being addressed separately for placing some permanent advance with a few institutions which would supply the necessary materials without delay.

After due consideration it was decided that the store which will purchase and stock the necessary equipment for Basic schools and Basic Training schools should be attached to the Basic Training school. Accordingly the posts of the Junior Dy. Inspector(Basic), the Store-keeper and the attender were posted and asked to be under the immediate control and supervision of the Headmaster of the Basic School concerned. As a result of this decision even the equipment necessary for Basic schools orginally supplied to the Divisional Inspector of Schools, Coimbatore, was asked to be transferred to the stores attached to the Sri Ramakrishna Mission Gandhi Basic Training School(Government) Periyanaickenpalayam. It may therefore, be pointed out that the responsibility of maintaining the store rested entirely on the headmaster of the Basic Trg. school concerned.

As per the above decision a sum of Rs.10,000/-was placed at the disposal of the Headmaster, Sri Ramakrishna Mission Gandhi Basic Training school (Govt) Perianaickenplayam for purphase of articles of equipment during the year 1947-48 in Director's Procs. Rc.No.1854-B1/47 dated 17-10-47.

The Headmaster in his letter Rc.No.349/47 dated 4-12-47 requested permission to purchase raw materials for craft equipment and the permission applied for was granted in this office Rc.No.184-E/47 dated 16-12-47. I also wrote a D.O.letter to Sri K.Arunachalam the head of the above school so that there may not be any delay for making thenecessary purchase.

Finding that there was some difficulty in buying cotton for the Basic schools I wrote demi officially to a friend of mine Mr.Damoraswami Naidu, manager of a ginning factory at Athipalayam, made the necessary arrangements and informed the Junior Dy.Inspector (Basic) to get the necessary cotton and supply the schools.

But the Headmaster not fully experienced with th Governmental way of procedure one day explained to me his difficult and I ~~explained~~ distinctly remember telling him by stage by stage the steps we adopt by purchasing materials to the value of thousands of rupeesby first getting invoices from shops and merchants, preparing the contingent bill, drawing the money from the treasury and then paying the amounts. I even told him that we have thus equipped several new schools with equipment worth thousands of rupees and quoted the example of the newly started Govt.Trg.school, at Ootacamund. Somehow, I believe he was never satisfied with this procedure and therefore he wrote for an advance. As it was not competent for me to sanction this advance, I immediately recommended the case to the Director in this office Rc.214-B/47 dated 6-1-48. Orders on this were received only in Director's Procs.Rc.No.1584-B1/47 dated 11-3-48 communicating Govt.Memorandum No.958110-B2/47-3 Edn. dated 8-3-48. I have called the attention of the Headmaster to this order and asked him to take early action. p.134. (A)

In regard to the delay in supplying the equipment the Director would agree that the first proposal of this office to start 17 schools were turned down and I was asked to send revised proposals. In submitting the revised proposals I still said that the original one would work more efficiently. Further orders on the constitution of the stores, appointment of Junior Dy.Inspector of schools etc.. took time. In addition all the equipment necessary for starting the craft was not immediately available. There was a time when it was useless to supply one equipment when another was lacking.

However by personal persuasion, although a little delayed, all the equipment necessary for the Basic schools contemplated under the orders of the Director have now been supplied to the schools concerned.

It would thus be seen that no effort was lacking on my part to do what was necessary. As a matter of fact, I even took the initiative once or twice to get the necessary equipment and if there was delay it was only due to unavoidable causes as the Director would very well see that during the year, proposals were originally sent up, discussed, got approved, funds placed, articles of equipment purchased and distributed for the first time.

Dt.Edl.Officer, Coimbatore.

Sir,

Basic Education--Craft equipment stores, Perianaickenpalayam and Vinayasramam.

(A) Reference:-G.O.Ms. 2088-Education dated 27..9..1947.

(A) I have the honour to state that the Government in their order referred to above approved my proposal for the opening of two craft equipment stores, one at Perianaickenpalayam and the other at Vinayasramam under the general control and supervision of the Headmasters of Basic Training Schools in those places. After Sri Ramakrishna Mission Vidyalaya Gandhi Basic Training School (Government) Perianaickenpalayam is transferred back to Ramakrishna Mission in June 1948, I consider that it is not desirable that the Craft equipment stores at Periyanaickenpalayam should continue to be under the control and supervision of the Headmaster of Training School. Hence I propose that the store at Periyanaickenpalayam may be under the control and supervision of the Junior Deputy Inspector (Basic) Perianaickenpalayam from the date on which the Training school is transferred to the Ramakrishna Mission.

I request the Government to approve of the above proposal.

SIR,

SUB: BASIC EDUCATION - Craft equipment stores, Vinayasramam - proposal to shift to Pentapadu - Submitted.

In their Order No. 2088 Education dated 27--9--1947 Government approved my proposal for the opening of two craft equipment stores one at Vinayasramam and the other at Periyanaickenpalayam to stock necessary crafts equipment and supply the same to the Basic Schools and Basic Training Schools.

Vinayasramam is an interior place about 8 miles away from the Nidubrole railway station and there is a canal without a bridge on the way to the railway station. Hence there is difficulty in sending craft equipment to Basic Schools by rail and delay is also caused. Therefore, I suggest that the craft equipment store at Vinayasramam may be shifted to the Basic Training School, Pentapadu which is less than two miles from the Tadepallegudem Railway station in the Calcutta line. It will be easier to send craft equipment to basic schools from this place. I request Government to approve of my proposal to shift the Craft equipment stores at Vinayasramam to Pentapadu.

Yours faithfully,

Sir,

SUB: BASIC EDUCATION - Craft Equipment Stores-Vinayasramam - transfer of.

REF: Government Memorandum No.96705-B2/48-2 Education dated 5---2---1949.

****

Though the Government in their Memorandum referred to above permitted the transfer of the Craft Equipment Stores at Vinayasramam to Pentapadu, the transfer could not be given effect to on account of lack of safe transport facilities and the high cost demanded for transport. Meanwhile a new craft Equipment Stores has been opened at Pentapadu itself in the scheme of opening more craft Equipment Stores attached to Basic Training Schools. Hence there is no necessity for the transfer of the stores at Vinayasramam to Pentapadu as at both the places craft Equipment Stores are necessary.

In these circumstances my action in not having given effect to the transfer may kindly be approved.

Sub:- Elementary education - Basic schools - Junior Dy. Inspector for inspection, and the opening of ~~2~~ Craft Equipment Stores - Proposals.

The D.P.I., has submitted proposals (1) for the employment of a Junior Deputy Inspr. of Schools for inspecting the Basic Schools to be opened in the Coimbatore Belt area and (2) for the opening of ~~2 Central~~ two craft Equipment Stores for the southern and northern districts, one at Perianaickenpalayam and another at Vinayasramam.

(1) above:- The D.P.I., ~~has~~ at first proposed the appointment of a Senior Dy. Inspector of Schools for the inspection of Basic Schools in the Coimbatore belt area. Under the order of H.M., the post of a Basic Education Officer was sanctioned (~~one~~ Sri Rudrappaswami was appointed to the post). In view of the creation of the ~~xxxxx~~ post of a Basic Education Officer, the proposal to appoint a Dy. Inspector of Schools for supervising the Basic Schools in the Coimbatore belt area was dropped. The Director now recommends the appointment of a Junior Dy. Inspector of Schools ~~xxxxx~~ for the inspection of Basic Schools. Apparently it is not possible for the Basic Education Officer to undertake the inspection of these schools in addition to the duties assigned to him (papers in another file). In the circumstances, the proposal of the Director may be accepted.

11 c.f.

(2) above:- The Director anticipates that an expenditure of Rs.20,000/- may have to be incurred in advance for the purchase of equipment necessary for Basic ~~Education~~ school, to be stored in the two centres. According to him, a Store-keeper and an Attender should be employed for being in charge of each centre. The Director's proposal may be accepted.

In G.O. 2088 Education dated 27-9-1947 the Govt. sanctioned the opening of two stores for purchasing and stocking the materials required by basic schools. The stores are to be under Govt. management. Towards the initial cost of purchase of the articles for the stores, the Govt. sanctioned an advance of Rs. 20,000/- (to the two stores at Rs.10,000/- each). The D.P.I. now requests that the above advance may be treated as a permanent advance, the Headmasters of the schools concerned being enabled to draw the amount required for the purchase of the articles of equipment and the amount required for payment of advance to Contractors and Suppliers, from the sum of Rs.10,000/- sanctioned for each store.

2. The intention in opening two stores is to stock articles required by the basic schools. Apparently, the two basic schools at Perianayakapalayam and Vinayasram are Govt. Institutions. It is presumed that there are ~~other~~ aided basic schools also. On receipt of indents from schools,

4

the required articles will be supplied from the stores. It is not clear why the Headmasters of the Schools should be given permanent advances when the articles have to be supplied for the use of the schools by the xxxxx stores. In the case of aided basic schools, there is no question of permanent advance to the Headmasters at all and if any advance is to be given to the school for purchasing articles for the stores, it should be adjusted against the grant payable to the school. Even in the case of Govt. basic schools, the articles required will have to be obtained in the usual manner if they are not to be purchased from the stores. In that case also, no permanent advance is necessary. It is not also clear whether the advance will be ~~[illegible]~~ recouped and if not, whether it will not amount to a special advance.

Para 2 of DPI's letter on P 1cf

3. It is understood that the A.G. has been addressed regarding the manner in which the stores opened by the Govt. are to be worked. The A.G. will no doubt indicate the procedure regarding scale and distribution of articles by the stores to the basic schools. No remarks seem called for at this stage.

ascertained from E&P.H. (pending with A.S. [illegible])

4. E.&.P.H. may be requested to obtain a clear report from the D.P.I. ~~indicating~~ elucidating the points mentioned in para 2 above, namely why a permanent advance is necessary & how it is proposed to adjust the cost of stores supplied to the Govt. schools & aided schools.

Secretary, E.& P.H.

We have provided a certain amount of money for the purchase of craft materials for basic schools and a store established for it. It is a perfect scandal that though one year has passed that money has not been made available ~~to us~~ for some technical reason. In many places, craft materials have not been distributed to many basic schools and we have come in for a lot of criticism and even our sincerity towards basic education is being questioned. It should be the height of inefficiency if we are able to pass money and yet making it not available. I understand that there is some difficulty with the Accountant General. The matter may be put up to me immediately.

If he wants to make any reference to Government and take any orders, it is for him, in consultation with the Basic Education Officer, to make up the points on which he wants the orders of Government even now so that there may not be unnecessary delay in the future.

Last year, I understand many schools in Andhra did not get their equipment for nearly six months in the year.
