No. 99-P/46 dated 20-

Sir,

Sub: Hand-made Paper Industry-Need for popularising the products of the Departmental Units at Bezwada, Gaxalapalle and Cuddapah.

I beg to ~~xxxxxx~~ submit that this Department has been manufacturing handmade paper in the Units above cited. It would be a great help to the institutions if the stationery required by the Ministers and the Members of the Legislature are taken from these units. If the time-honoured practice of getting supplies from the Superintendent of Stationery is followed, it will take some time before these products are patronised by the Superintendent of Stationery and then supplied to the Members of the Legislature in the usual routine course. I therefore request you to order the products of the Departmental units for use of the Members of the Legislature and the Ministers. The products may be not of the first-class quality to begin with, but unless and until patronage is afforded by the Government, it is difficult for these ~~xx~~ units to expect patronage from the public.

p7 cf of p5 ante — L.A.Q. 211 (985-A) on the subject of the availability and supply of hand-made paper to the Legislative Assembly has lapsed consequent on the prorogation of the Assembly.

p1 cf — 2. In September 1946, the Paper Specialist of the Dept. of Industries & Commerce addressed the Publicity Officer of this Govt. on the question of the utilization of the hand-made paper manufactured in the hand-made paper units of Bezwada, Gazulapalle and Cuddapah. He suggested that the hand-made paper of the Industries Dept. ~~may~~ might be supplied for the use of the Members of the Legislature and the Ministers. It was pointed out that unless and until patronage ~~is~~ was afforded by the Govt., it ~~is~~ was difficult to expect patronage from the public. The question was transferred to this Dept. by Pub (~~Gen~~ G&P). The S.of S. who ~~was~~ has been consulted in the matter, after obtaining samples of hand-made paper from the Jail and the Industries Depts, reports that — p2 cf the hand-made paper is not suitable for printing due to its highly uneven surface or for writing purposes since it contains — p11 cf hardly any loading and sizing substances with the result that the ink will smudge. As the hand-made paper is soft and coarse, it will be an impediment ~~for~~ to quick writing with steel nibs. The S.of S. has at present with him a stock of Ream 1-465 sheets of hand-made paper manufactured by the Jail Dept. He has no objection to stock the item or items ~~solicited~~ selected by Govt. for issue — p12 cf wherever required, if Govt. still consider that the hand-made paper should be used in Govt. Offices.

p1 cf (Z) — 3. In May 1945, the S. of S. addressed Govt. on the question of the purchase of the stock of hand-made paper of the Jail Dept. (75 reams unbleached and 8 reams bleached) with the — para 2 - p1 cf (Z) Supdt., the Penitentiary, Madras, as the latter officer required the former to place an order with him for the same. The S. of S. pointed out on that occasion, that the hand-made paper was — para 1 - p1 cf (Z) not suitable either for writing or printing and that its cost was also excessive compared to mill-made paper. The I.G. of Prisons proposed to utilize departmentally the jail-made paper — [illegible] p4 cf (Z) and the S. of S. was informed that he may purchase the surplus — p3 cf (Z) paper available with him.

P.T.O.

4. As the paper is reported by the S. of S. to be unsuitable for writing and printing purposes, it is out of the question to supply ~~them~~ it to Govt. offices. As the I.G. of Prisons is utilising departmentally the jail-made paper, the D.I.& C. may as well utilise departmentally the hand-made paper of his dept. Dev. may consult the D.I.& C. and issue necessary instructions in the matter.

5. As regards the supply of hand-made paper of the Industries Dept. to the Members of the Legislature and the Ministers, the matter is one for consideration by the Sectt. of the Madras Legislature and the Chief Sectt.

6. The case may be sent to Dev, the Sectt of the Madras Legislature, and the Ch. Sectt for taking necessary extracts for further action. After return of the case from the Depts of the Sectt mentioned above, the papers may be recorded for future reference.
