Rec.No.D. 3216/47 dated 7-8-47.

Sir,

Sub: Education - Elementary Schools under Periyakulam Municipal Council - Scales of pay for teachers - Revision of - Additional expenditure involved - Proposals - Submitted.

Ref: 1. G.O.No. 975 Education dated 10-5-1947
2. G.O.No.1154 Education dated 5-6-1947
and 3. Government Memo No. 52511-47/1-21 Education dated 26-7-47.

With reference to para 3 of G.O.No. 975 Education 10-5-47, proposals are submitted herewith for meeting the extra expenditure involved in paying teachers in Elementary schools of this municipality on the revised scales of pay sanctioned in G.O.No. 1154 Education dated 5-6-47.

According to the Budget Estimate of the Elementary Education Funds of this Council for 1947-48 as approved by the Government in their orders Ms.No. 190 Education dated 1-2-47, there is an anticipated deficit of Rs. 9,874/- in the closing balance in spite of the contribution of Rs. 5,500/- against the minimum contribution of Rs. 2,352/- from the General account. For meeting the deficit, a sum of Rs. 9,874/- has been proposed to be adjusted from the Arrear Teachers' Compensation grant, which has been approved by Government. Under the above circumstances if revised scales of pay are given effect to from 1-1-1947 in the case of teachers, an additional annual cost of Rs. 2,370/- i.e., for the period from 1-1-47 to 31-12-47 will be involved; which could not be met from the General Funds by way of additional contribution, as the financial position under that fund also is not satisfactory. Government in their memo No. 22512-1.9 T.A., dated 27-6-47 called for particulars regarding the additional annual cost involved in giving advance increments for weightage in service and particulars submitted in this office T.Dis. 3541-47 dated 6-7-47. If advance increments for weightage in service are also to be given, an additional annual cost of Rs. 786/- will also be involved. The above additional expenditures will have to be met from advances from provincial funds only, in view of the reasons stated above.

The informations called for in Government Memo No. 52511/47-1 C1 Education dated 26-7-1947 are also herewith furnished:-

- The actual opening balance of the Elementary Education fund on 1-1-1947. Nil.
- (a) 1. The additional expenditure on account of the revision of scales of pay, which should include expenditure on giving retrospective effect to the scales from 1-1-1947 to 31-12-47. Rs. 2,370/-
(2) The additional expenditure on account of the revision of scales of pay, which should include expenditure on giving retrospective effect to the scales from 1-1-1948 to 29-2-1948. Rs. 466/-
- (b) (1) The additional expenditure that may be involved if advance increments are given for the period from 1-1-1947 to 31-12-1947. Rs. 786/-
(2) The additional expenditure that may be involved if advance increments are given for the period from 1-1-1948 to 29-2-1948. Rs. 202/-
Total additional cost. Rs. 3824/-
- The anticipated closing balance for 1947-48 either plus or minus. minus Rs. 5,874/-
- The proposals for avoiding a deficit, if any :- The Educational tax may be raised by 1% which will increase the income by Rs. 2,500 more. The remaining deficit may be met from provincial grants only.

There is no scope for any increase in the rate of property tax as at present the municipality levies 21% of property tax which is higher than the conventional limit. The estimated closing balance under the general fund is Rs. 7,714 of which Rs. 4820 will be required for meeting immediate cost on account of revision of scales of pay of general staff. Due to the unsatisfactory financial condition of the municipality it has not been permitted to give effect to the revised scales of pay to its general staff. There is however a balance of Rs. 6,049 available under Brear Toll Compensation reserved for emergency fund. The Council may be permitted as a special case to utilise Rs. 2800 towards the deficit under Sdy. Edu. Dept. With these remarks the file may be passed on to Finance Dept. no.

The conventional maximum limit for the tax on property for the purposes of this type is 21%.

16.9.47

includes 11.9.47

As the financial position of the C.I.'s general fund is unsatisfactory and as the E.E. Fund is working at a deficit of about Rs 3,800, this dept may agree to the increase in the rate of Edu tax by 1% h.a from 10.47.

As regards the balance of Rs 2,800 in the deficit, E.P.H. may ask the Council to meet it either from Brear Toll Compensation amount or by an addl contribution from the general fund.

 contribution of Rs. 2800, from the ~~guard fund~~ ^{guard fund} (which
 includes also the expenditure on the grant of advance
 increments to the E.E. staff ^{either from the general account of the Council or from the A.T.C.}
~~whether~~ The Council may ^{be} asked to pay advance
 increments to its E.E. staff.
