Legislation - Thiyyas of South Malabar - Codification of laws -
Committed to enquire into the matter - Examination of witnesses

The Committee to enquire into the laws of Thiyvas of South Malabar, constituted by Government in G.O.No.939 Home Department dated 10-3-47, has programmed to sit at the various centres in South Malabar from 26-9-47 onwards for the purpose of examining witnesses. The Committee considers that Sri.A. Ayyappan, Superintendent, Government Museum, Madras, who belongs to South Malabar, is an important witness who will be able to give useful evidence in the matter. He however pleads inability to attend the Committee's sitting at Ottappalam on 28-9-47 unless he is deputed by Government for that purpose. I submit herewith his letter in original for favour of consideration and necessary action.

LEGISLATION - Thiyyas of South Malabar - Law relating to marriage, divorce and succession - Codification - Enquiry Committee - Examination of witnesses.

From Sri U. Gopala Menon, Chairman of the Committee, letter dated 19-9-47.

In G.O.No.Ms. 939, Home, dated 10-3-47, the Govt. constituted a Committee to enquire into the laws of marriage, divorce and inheritance among the Thiyyas and other allied communities of South Malabar, other than those governed by the Mithakshara law, who are now supposed to be governed by the Makkathayam law and to suggest the lines on which legislation may be undertaken for purposes of regulating the law applicable to the Thiyyas in respect of these matters. The Committee was authorized to examine witnesses and take evidence from persons who may be useful in the matter.

2. The Chairman of the Committee now reports that Sri Ayyappan, Supt. of the Govt. Museum, Madras is an important witness who will be able to give useful evidence on the subject but states that he pleads inability to attend the Committee's sittings unless he is deputed by Govt. for that purpose. Sri Ayyappan's intention apparently is that Govt. may depute him to give ^{evidence} ~~witness~~ and meet his travelling expenses.

3. There is no material to decide whether Sri Ayyappan's ^{evidence} ~~witness~~ before the Committee is indispensable. The Chairman of the Committee however says that Sri Ayyappan is an important witness who will be able to give useful evidence in the matter. If he is ^{to be} ~~is~~ deputed to give ^{evidence} ~~witness~~ as suggested by him, then orders will have to issue in the E. & P.H. Dept. sanctioning his deputation and travelling expenses. It may be mentioned here that an expenditure of Rs.4628/- has been sanctioned for the Committee on the payment of travelling allowance to the members and its Secretary and on the pay and cost of living allowance of the Secretary. This does not include provision for travelling allowance to members giving evidence before the Committee. ^{Therefore} Sri Ayyappan ^{if} ~~is~~ is to be deputed

Govt. the expenditure connected with his travelling allowance will have to be borne by Govt. It is for E.P.H. to decide in consultation with Fin. as to which head of account, the expenditure is to be debited.

The case may be transferred to E. & P.H. for the issue of orders.

This Dept. supports the proposal. 26/9/47 S. E. & P.H.

This Dept. need not object to Dr. Ayappan, S.G.M., proceeding to South Malabar to give evidence before the committee referred to above. The expenditure on his T.A and other expenses will have to be borne by the Home Dept, as the object of his deputation is not in any way connected with the Museum. It seems, orders on the case should be issued in Home Dept in consultation with Fin. whether the file may be transferred to that Dept. or not.

(Please see the notes on pp. 1-2 above.)
The proposal to depute the Superintendent, Govt. Museum to give evidence before the Committee constituted under G.O. 939 Home of 10.3.47 may be accepted. He may draw the T.A. admissible under the Madras Travelling Allowance Rules.
2. Govt. para 4 of the G.O. referred to above, the Committee has been authorised to summon witnesses and take evidence

The usefulness of the Ayappa's evidence is best determined by the Committee.

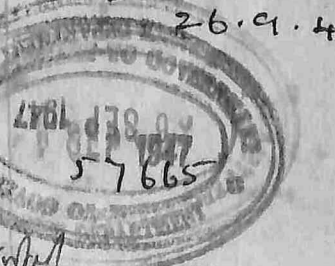

Orders will have to issue urgently as the Committee's report is expected by 23.10.47.

from them and all expenditure connected with the constitution of the Committee is debitable to a separate sub-head "Committee for enquiry into the laws of Shiyas of South Malabar" to be opened under "25. General Administration - District Administration and Miscellaneous". As the journey is to be performed in the present case in order to give evidence before the Committee, the expenditure on the T.A. of the officer may be debited to the same head of account to which the expenditure connected with the constitution of the Committee is debited i.e. to the head of account indicated at A above.
