2. The question of reversing the scale of pay of librarians in the employ of local bodies is under the consideration of the Lt. Septl. The remarks of the S.P.D. maybe waited on the request that the scale of pay for librarians should not be lower than that of lower division clerks. - The Director's views may also be obtained on the suggestion that librarians should not be required to do any work not connected with the library in their charge.

Resubmitted.

In G.O.No.2007, L & M, dated 25-5-1935,

the posts of Librarians in Secondary Schools under Local Bodies which were originally included in the cadre of Lower Division clerks were ordered to be reduced to the status of attenders in the scale of Rs.19--2/2--25--1/2--30. Since then, the posts of Librarians continue to be in the same scale. The qualifications for the post of librarians were fixed in G.O.No.1667, Edn., dated 7--12--1943, viz., a completed S.S.L.C. issued under the authority of the Government of Madras.

In the case of a clerk, the qualification prescribed is however "Matriculation Examination of the University of Madras or a completed S.S.L.C. issued under the authority of the Government of Madras (the holder of which is declared to be eligible for the University course) etc. . . . " vide G.O.No.4448, L & M, dated 29-10-35 as modified by G.O.No.2364, L.A., dated 16-6-39.

As the minimum qualification fixed for a Librarian is thus less than that for a clerk, the request that the scale of pay for Librarians should not be lower than that of lower division clerks is inadmissible.

As for the second point raised in the Government U.O. note, I may point out that, while in some Secondary Schools, the entire work relating to the library is entrusted to librarians, in other schools most of the books are transferred to class libraries which are in charge of class masters who are responsible for the issue of books to pupils and for the prompt recovery of books from them. In the latter case, the librarians will not have full-time work and it is open to the Headmasters of such schools to employ
li
librarian

librarians in their leisure hours for other work in the school. The suggestion referred to in the U.O. note does not therefore seem acceptable.

Please see the remarks of the DP 9 above on the two points raised by HM (LH) on p 2 of.

2. The Director's view that the headmasters of secondary schools should have discretion to utilise the services of librarians who ^{have} not got fulltime work for other work in the school during their leisure hours may be concurred in.

3. In regard to the scale of pay for librarians, it is submitted that there is not much difference in the qualifications prescribed for a librarian & a lower division clerk. As under go. 1667 Edn & 7.12.43, they should be holders of a completed S.S.L.C, a suitable revised scale of pay should be fixed for them.

4. The remarks of LA may be invited as regards the revised scale of pay proposed to be fixed for librarians.

above.

Recently in G.O.Ms. No. 1361 Edn., dated 27-6-1947 Govt. have revised the scales of pay of Librarian, Senior Librarian, Junior Grade employed in public Libraries & certain local bodies. A candidate for appointment as Librarian, Junior Grade must be the holder of a completed Secondary School-Leaving Certificate. His pay has been raised from Rs. 19-2/2-25-1/2-30 to Rs. 24-1-32-1/2-35. The Librarians employed in Secondary Schools under local bodies should also possess a completed Secondary School-Leaving Certificate issued under the authority of the Government of

Madras. His scale of pay may therefore be raised from Rs. 19-2/2-25-1/2-30 to Rs. 24-1-32-1/2-35.

The notes on pages 1-3 ante may be perused. The existing scale of pay of Librarians in Secondary Schools is Rs. 19-2/2-25-1/2-30 which is identical with the scale fixed for attendants. The ~~existing~~ revised scale of pay fixed for attendants is Rs. 24-1-32-1/2-35. There is, therefore, no objection to allow this revised scale to Librarians in Secondary Schools also.
