Sir, I was appointed as Lecturer in Physics on the 4th June 1946 in G.O.Mis.No.1086-Edn., dated 1st June 1946 and regularisation was ordered in G.O.Ms.No. 1577-Education, dated 14th August 1946, from 14th August 1946.

In the case of the Lecturers in Mathematics and Chemistry working in this college, the appointments were made in August 1946, and September 1946 respectively and regularisation ordered in G.O. No.378-Education and Public Health, dated 28th February 1947, was with retrospective effect from the dates of appointments.

I request that the concession shown to the Lecturers in Mathematics and Chemistry may also be shown to me, and retrospective effect may also be given to me from the date of my appointment i.e. 4th June 1946, so that I may get the benefit of my service in the Madras Educational Service from that date.

I beg to remain, Sir,
Your most obedient servant,

V.S. Ramanujan,
Assistant Lecturer in Physics, Government College,
Kumbakonam.

To

The Secretary (Education) to the Government of Madras

Through

The Director of Public Instruction, Madras.

The Principal, Government College, Kumbakonam.

Sir,

Sub: Promotion to the M.E.S. - Grievance represented.

I beg to state that at present I am an Assistant Lecturer in Physics on the staff of the Government College, Kumbakonam. I was first appointed to the Subordinate Educational Service of the local Government, as an Assistant Lecturer on 3rd July 1929 and was confirmed in January 1939.

Md. Saiyad Yakub Sahib, Officiating Lecturer in Physics, Government Muslim College, Madras began his career as a Deputy Inspector of Schools on 21st November 1936. In June 1940 he was promoted as an Assistant Lecturer in the Collegiate branch. He has not yet been confirmed. He was promoted to the M.E.S. on 4th June 1946 under rule 9 (a) (i). The promotion seems to have been regularised with effect from 14th August 1946, though at that time there were seven Assistant Lecturers, senior to him, eligible for promotion; of whom six are permanent ones.

When appointments are made to the M.E.S., the principle of communal rotation is observed only when the vacancies are filled by direct recruitment. This principle is not applied to cases of promotion. Md. Saiyad Yakub Sahib holds permanently the post of Deputy Inspector of Schools. He had completed his probation as Assistant Lecturer before he was raised to the M.E.S. So his appointment to the M.E.S. is a case of promotion and not one of direct recruitment. Consequently he was not eligible for promotion as a Muslim when there were a number of seniors to him waiting for promotion. If a Muslim should be appointed, it could only be by direct recruitment when the turn of a Muslim comes.

The plea, that Muslim students at the Muslim college should be taught by Muslim teachers only if they are available, might be put forward in support of Md. Yakub's promotion. But even that does not seem to be substantial in this case for the following reason. Md. Yakub was promoted as an M.E.S. officer when the B.Sc. classes were opened in the Muslim College. It appears that out of a total of 15 students in a B.Sc. class only two are Muslim.

2.
and the rest are non-muslims. So Md. Yakub seems to be teaching more the non-muslims than muslims.

After India attained Independence, our Government has been declared to be secular and it is not too much to expect that discriminations on grounds of religion or community are avoided at least in stray cases, like the one referred to above, which do not come under the scope of any announced policy of the Government even regarding communal rotation.

For the above reasons, I pray that Md. Saiyed Yakub Sahib's promotion ignoring the claims of his seniors, be set aside and that I, as the seniormost in the S.E.S. at present, be given the chance of promotion. May I humbly point out that this will only be bare justice?

I beg to remain,
Sir,
Your most obedient servant,

V. S. Ramanujam

2. The attention of Government is invited to the Director's letter R.CL. No. 17/46-2, dated 7th April 1946 originally recommending the temporary appointment of Syed Yakub Sahib Bahadur as Lecturer in Physics, Government Muslim College, Madras, and to the G.Os. No. Mis. 1086 Education, dated 1st June 1946 and 2108 Edn., dated 1-10-1947. The appointment of Syed Yakub Sahib Bahadur as Lecturer in Physics was ordered with reference to Rule 3(b) of the Special Rules for the Madras Educational Service. The above rule, which gave preference to members of the Muslim Community in regard to appointment by transfer to posts in the Government Muslim College, was omitted in G.O. Ms. No. 2591 Edn., dated 3-12-1947. Since the appointment of Syed Yakub Sahib Bahadur as Lecturer in Physics was ordered when Rule 3(b) of the Special Rules for the Madras Educational Service was in force and as the G.O. Ms. No. 22 2591 Edn., dated 3-12-1947 has no retrospective effect, the request of the petitioner for cancellation of the

Sir,

Sub:- Promotion to the M.E.S. - Grievance represented.

I beg to state that at present I am an Assistant Professor of Physics on the staff of the Presidency College, Madras. I was first appointed to the Subordinate Educational Service as an Assistant Lecturer on 10th January 1936. Since my reappointment on 18-8-1939, I have been in continuous service.

Mr. Md. Saiyad Yakub Sahib, at present Officiating Lecturer in Physics, Government Muslim College began his career as Deputy Inspector of Schools on 21st November 1936. In June 1940 he was promoted as an Assistant Lecturer in the Colligate branch. It is thus clear that he is my junior in the Subordinate Educational Service. But he was promoted to the Madras Educational Service on the 4th June 1946 under rule 9(a)(1). The promotion seems to have been regularised with effect from 14th August 1946, though at that time, there were seven Assistant Lecturers, senior to him, including myself, eligible for promotion.

When appointments are made to the Madras Educational Service, the principle of communal rotation is observed only when the vacancies are filled by direct recruitment. This principle is not applied to cases of promotion. Mr. Yakub holds permanently the post of Deputy Inspector of Schools

NOTE: - This is a case, in the Physics
Unit, similar to that of Mr. P. V. Abdurrahman
vs. Messrs. C. V. Lobo and S. Isaac, in the
Mathematics Unit, dealt with at 2/24-29.
There is lesser justification to comply with
the request of M/s. Ramanujam & Sri
Ramanathan for the cancellation of Syed
Yakub Sahib's appt. as he was apptd.
a year before Mr. Abdurrahman's appt. and
as, unlike in the Maths. Unit, no Muslim
direct recruit happened to be apptd.
also. The S.O. 1. recommends that
the petns. deserve no consideration.
