Sir

I am a Burma refugee student and passed my IV Yr. B.V.Sc. and am in the final year B.V.Sc. class of the Madras Veterinary College. From the 1st year of my study I have been getting the kind help from the Government of India given to the Burma Evacuee Students.

A sum of Rs 45/- p.M. is being given to me every month. This amount is not enough to make both ends meet owing to the increased cost of living. I therefore request that it may be increased at least to Rs 50/-. Further I have to undergo practical training from the end of November 1946 to March 1947 at Bangalore Dairy farm and Hosur.

Grant of financial assistance to evacuee
university students for the academic year
1946-47-Application of Mr. T.R. Srinivasan.

Sir,

P. Sankar With reference to your letter No.43173-G3/46-1-Edn,
dated the 19th December, 1946 on the subject mentioned above,
I am directed to say that the Government of India are
pleased to sanction the grant of an allowance of Rs.1,185/-
(Rupees one thousand one hundred and eighty five only),
for the academic year 1946-1947 to Mr. T.R. Srinivasan a
student of the 5th year class in the Madras Veterinary
College, Madras, on the condition that the advance for books
and other equipment is given only after due verification
of their cost. The sum of Rs.250/- for books and stationery
has been included in the above grant on the presumption that
the book on Pathology and Theroputics mentioned at item No.6
of the student's application dated the 11th June, 1946, is
different from the one mentioned in his application for the
last academic year and is essential for the prosecution
of his study. This presumption may kindly be confirmed. Any
repayable advance already granted to the student by your
Government should be treated as a grant made under this
order. The student should be warned that this is the last
year of the scheme of financial assistance to evacuee university
students and that he cannot expect any grant under it from the
next academic year.

2. The expenditure should be debited to the Group head

Copy of the statement dated 20-3-1947 of T.R.Srinivasan

I had applied for the sanction of one book Pathology and
therapeutics consisting of 3 volumes for Rs.250/- last year. This
book was out of print. I had to purchase some other book instead.
This book is useful for all the year subjects and especially
medicine which forms the subject of fourth and fifth year. So
for this academic year 1946-47 the book pathology and therapeutic
would have been useful if the same could have been purchased but
since the book was out of print I had some other book instead
which are quite different from what I had purchased last year.
