R.O.C.No. 2204-E5/48 dated 15th October 1948.

SIR,

SCHOLARSHIPS--M.K.Kannappan--son of late Sri
K.R.Kenniah, Village Munsiff of Vangaram Vatten,
Chingleput district -- Renewal during 1948-49.

It is reported that M.K. Kannappan, son of
late Sri K.R. Kenniah, Village Munsiff of Vangaram
Vatten, who was sanctioned a Government scholarship in
G.O.No.Ms.2111-Education dated 1.10.1947 has been
detained in Form IV as his progress was not up to the
standard. The Headmaster of the P.S.High School(Mylapore)
where the boy is studying, however, recommends that in
view of the special circumstances in which the boy was
originally granted the special Government Scholarship,
its renewal in the same form(Form IV) during the current
year may be considered sympathetically. I agree with
the Headmaster's recommendation and request that the
Government may be pleased to sanction the renewal of
the scholarship during the current year 1948-49 on behalf
of the pupil M.K. Kannappan in Form IV(P.S.High School,
Mylapore), as a special case.

Yours faithfully,

P. M. S.

(25-8-1943 and the letter from the D.P.I. on page 1 Cf. His proposal that
a scholarship of Rs. 8 a month tenable in Forms IV to VI may be granted to
M. Kanappan may be accepted. The value of the scholarship is the same as
that for ordinary scholarships.

The Director ^{has} recommended the grant of ~~the~~ scholarship for
10 months instead of ^{for} 9 months as the instalments of tuition fees payable by
pupils have been increased from 8 to 10. The ordinary general scholarships
are payable only for 9 months and the number of months has not been increased
~~in view of~~ the increase of the instalments of tuition fees. It does not
therefore seem that in the present case the number of months for which the scholarship
is payable should be increased from 9 to 10 months. It may also be pointed
out that the total amount of fees payable (for 10 instalments) is only
Rs. ~~52-8-0~~ whereas the total amount of scholarship payable will be Rs. ~~72~~
(9 x 8). Finance may see for remarks before circulation.
