It is presumed that you will kindly accept the membership on the Board.

A list of members who constitute the Board in your centre together with the name of the Convener is sent herewith. The Convener may coopt to the Board such members of the teaching staff as may be found necessary and desirable, and he is requested to forward to this office before the 15th August, 1947, the names and addresses of members coopted, if any, and a tentative programme of lectures for the year, in consultation with the other members of the Board.

The lectures should be delivered in one of the colleges in the Centre or in any other suitable public building. No travelling allowance or remuneration will be paid to the lecturers or the members of the Board attending the meetings. An out of pocket expense

expense of Rs.5/- per lecture subject to the restriction that the total amount on this account in any centre during the year does not exceed Rs.100 will be sanctioned. The general question of payment of expenditure to be made for these lectures is, however, under consideration and a further communication will be sent to you as soon as a decision is arrived at.
