The Secretary to Government,

C.No. 663 F/47 Dated 27th Sept. 1947.

Sir,

I have the honour to state that the preparation of the syllabuses for the revised courses in secondary schools is under progress. Though the recommendations of the Secondary Education Board are to be placed before the Provincial Advisory Board of Education for their opinion, it is necessary that irrespective of their decision, the question of revising the syllabuses should be proceeded with immediately. I am of opinion that a separate Officer in the Madras Educational Service who is well conversant with the preparation of syllabuses for the revised courses is absolutely necessary for undertaking this work.

2 Under these circumstances, I request that Government may be pleased to sanction immediately the post of a Special Officer in the Madras Educational Service scale for preparing the syllabuses for the revised courses in my office immediately for a period of two months in the first instance. Sanction may also be accorded for the employment of one typist, one lower division clerk and one peon to work under the Special Officer.

3 In this connection I have to state that in view of the fact that the preparation of the syllabuses has to be dealt with as expeditiously as possible and as the Special Officer would have to be not only visiting various schools in the locality, but also meeting experts in different places, I recommend that he may be sanctioned a motor car conveyance allowance of Rs.75/- per mensem.

I have the honour to be,
Sir,
Your most obedient servant,

S.R.U. Savor.

Director of Public Instruction,
