Roc. No. 21971/B6/DB/46

dated 10-10-1946.

Sir,

Sub: Education - Secondary - Board High School, Mettupalayam -
Partition wall to the main hall for the rent free building -
expenditure of Rs.1200/- from District Board fund - approval
requested.

.....
The Board High School at Mettupalayam is now located in
a rent free building. The building, as it is, needs certain internal
modifications. At present, classes are held in big halls 101½' x 20',
80' x 20', and 66½' x 18, and the classes are partitioned by means of
bamboo thatties only. When regular classes are held, the sound from one
room is very easily transmitted to the next room, so much so that the
aggregate sound in the classes within the halls, creates discomfort among
the boys, whose attention to the lessons taught is diverted thereby. To
arrest the passage of sound from one room to another, it is proposed to put
up brick wall partitions at a total estimated cost of Rs.1200/-.

p.t.o.

therefore request the approval of the Government to incur this expenditure on a rent free building.

President, District Board.

Note.

In G.O. No 1652 Education dated 26-8-46, the Coimbatore
Dt Bd

District Board was permitted to incur an expenditure of Rs 820 from the
 funds of the Dt Bd on repairs to the rent free building in which the Board
 High School Mettuplayam is located. It is now proposed to incur a further
 expenditure of Rs 1200 in putting up brick partition walls to the big halls
 to prevent the sound in one class being transmitted to the next class located
 in the same room. Although the proposed work is in the nature of improvements
 to the permanent buildings they seem to be essential for class purposes. The
 Dt Bd may therefore be permitted to incur the expenditure. Examiner of L.F. Accounts
 may see before the order is issued.
