* Sub: Elementary Education - Basic Schools - Special Officer for inspection - Creation of a post - proposal - submitted.

I have the honour to state that in my letter Roc.No.1204 B1/46 dated 20-1-1947, proposals were submitted to Government for running 34 elementary schools on basic lines in the Coimbatore belt area. In connection with the inspection of the above schools and to supervise and guide them, the appointment of a separate Deputy Inspector of Schools is considered necessary. I therefore submit the following proposals for the sanction of Government viz. the creation of a post of a Deputy Inspector of Schools in Coimbatore, specially to inspect and look after the basic schools to be started in the Coimbatore area in 1947-48, the necessary staff for his office and equipment &c. A copy of the letter of the District Educational Officer, Coimbatore, together with the recommendations of the Divisional Inspector of Schools, Coimbatore, Roc.No. 147 D/47 dated 10-4-1947 is enclosed for information.

In this connection, I may state that although for the present, Government have been addressed for the creation of only one post of Deputy Inspector, a similar one for the Andhra Districts will become essential soon.

2. In the event Government sanction the creation of a new post, the names of the following three officers are also suggested for consideration for appointment to the post.

(1) Sri S.Rajam, B.A., L.T., Deputy Inspector of Schools, (Had been on a 10 days deputation to Wardha and recommended by the Divisional Inspector)
(2) Sri K.Arunachalam, B.A.,L.T., Headmaster Basic Training School, Perianaickenpalayam; and
(3) Sri P.Rudrappaswami, a Wardha Trained candidate.

p.t.o.

3. Regarding the staff of the office the following staff will be necessary.

One Clerk.
One Attender.
One Peon.

4. If the new post together with the staff is sanctioned, the cost to Government for 1947-48 both under recurring and non-recurring expenditure will work out as follows:-

		Cost in 1947-48 for 8 months.	Cost in 1948-49.
		Rs.	Rs.
Recurring:	1 Dy.Inspector (80 x 8) =	640 (132x12)	1584
	One Clerk (45 x 8) =	360 (71¼ x 12)	855
	One Attender (24 x 8) =	192 (31 x 12)	372
	One Peon (16 x 8) =	128 (21 x 12)	252
	Rent at Rs.25/- p.m. (25 x 8) =	200 (25 x 12)	300
Non-recurring:	Contingencies.	1000	800
		2520	4163

or Rs.2500/- or Rs.4200/-

Ref: Letter Roc.No.184-E/47 dated 31st March 1947 of the District Educational Officer, Coimbatore and the Nilgiris to the Divisional Inspector of Schools, Coimbatore.

Sub: Elementary Education - Basic - Starting of Basic Schools in Coimbatore Taluk - proposal for creation of post of Dy. Inspector of Basic Schools - Submitted.

To implement the policy of Government to start Basic Schools, about 20 Elementary Schools have been selected for conversion into Basic Schools - about 6 in Coimbatore Municipal area and the rest in the Coimbatore Taluk. These schools will be staffed with the teachers trained during 1946-47 in the Government Basic Training School, Periyanaickenpalayam. Proposals for selecting schools have been submitted separately in this office C.No.184 E/47 dated 29-3-1947.

In order to organise these Basic Schools and to supervise and guide the activities of the teachers so that they could work this basic syllabus to success, it is essential that there should be a separate Deputy Inspector of Schools. He will have to visit these schools frequently, at least once a fortnight and advise and direct the activities of the teachers. As a new orientation is necessary the help of a special Deputy Inspector is required.

Further, this Deputy Inspector will have to be in constant touch with the parents of the areas selected and do considerable propaganda to make them understand and appreciate the principles and methods involved in Basic Education. Unless very careful attention is paid from the very beginning the scheme may not be worked out to success.

I suggest in this connection that Sri S.Rajam B.A., L.T., Deputy Inspector of Schools, Coimbatore Range may be appointed to the post. He has served in this District both as Personal Assistant to the District Educational Officer, Coimbatore and the Nilgiris, and Deputy Inspector of Schools. He knows personally all the teachers who would work in these schools and has intimate knowledge of the condition of these schools. He has studied the principles and working of the Basic School at Sevagram during his deputation there along with other officers of the Department for about 10 days in January 1947. Further he has helped the District Educational Officer Coimbatore, in selecting the teachers for Basic Training and in selecting the schools.

Early orders may kindly be passed to enable him to visit the place, talk to the parents and do what is necessary for starting Basic Schools.

Please see herewith the revised syllabus from Grades I to V of the Revised Training School Syllabus prepared by the Hindusthani Talimi Sangh for Basic education. The Government have accepted Basic education as a policy, ~~which~~ (C) is necessary and that our syllabuses in the training schools as well as in the elementary schools should be modified on these lines. They may be sent to the D.P.I. a nd he may be asked to suggest ad optation of these syllabuses to our Basic education schools and training schools. It may be that the contents of the syllabus in our existing elementary schools may approximate to these syllabuses but the more important thing seems to be the emphasis of the various aspects of education and the emphasis (in) ~~on~~ basic education x is the right emphasis which we need today. They may be asked to adopt the syllabuses sent herewith as their basic syllabus and make whatever changes which they think the circumstances in this province require. The basic education training schools which will be started in the current year may be furnished with this syllabus with any minor changes that may be necessary in our circumstances. The Basic schools for the current year may also follow the new syllabus sent herewith.

Please see herewith a letter from Mr. K.V. Rudrappaswami. He is at present working as Basic Education Organiser of the Tamil Nad Basic Education Society and he is one of our experts in Basic Education. It is necessary that a Basic Education Officer, should be appointed to organise all our Basic Education schools as well as Training Schools. At present I think there may not be surficient work for a full-time Basic Education Officer and so he may be attached to the Basic Training School that we are opening at Koilpatti and he will act also as a Basic Education Officer in Tamilnad.

2 Basic Education Officer for Andhra is also necessary. Mr. Rajagopala Rao, who is now the Head Master of the Basic Training School at Vinayasram may be appointed as the Basic Education Officer for Andhra and as the work of the Basic Education Officer will not be sufficient for one, he may also be attached to the Training School at Vinayasram for the present.

3 Mr. Rudrappaswami may be started in the beginning scales of the first grade in Govt. service. The matter may be treated as urgent and early steps may be taken as the Training Schools will have to be organised very soon.

xxxxxxxxx from the D.P.I 1204 D./Estt. B 2.5.47.

H.M.(Edn.) has expressed the view that Sri Rudrappaswami Basic Educational Organiser in the Tamil Nad may be appointed as Headmaster of the Government Basic Training School to be opened at Kovilpatti in 1947-48 and thereafter may work as a Basic Educational Officer in Tamilnad. As regards the Andhra Area, the intention of H.M. is that Sri Rajagopala Rao headmaster of the school at Vinayasramam may be appointed as Basic Educational Officer. The D.P.I. was asked to submit proposals in this regard.

2. The Director has addressed the Government in the matter of appointment of a separate Deputy Inspector of Schools to supervise the 34 Ely. schools in the Coimbatore belt area which will be shortly converted into Basic schools. If the proposal of the Director to appoint a separate Deputy Inspector is approved, he suggests that one of the three Officers mentioned in para 2 of his letter may be appointed as the special Deputy Inspector of schools for the belt area. The Director apparently confuses that there is no need for a Basic ed. officer for the Tamil Nad.

3. Proposals for the conversion of 34 elementary schools in the Coimbatore belt area into Basic schools have been sent to Finance for remarks. It is not known whether there may be sufficient work for the Deputy Inspector of schools if he is solely to supervise the 34 basic schools. The Director may presumably utilize him for supervising other elementary schools in the neighbourhood if need be and redistribute the ranges of Deputy Inspectors. The question for consideration is whether there is a need for a separate Deputy Inspector of schools for supervising the Basic schools in the belt area. In view of the fact that the Basic scheme is to be introduced newly in this Province, the need for the a separate post of Deputy Inspector may be conceded.

4. The question then arises as to who should be appointed

to the post. ~~It is not clear whether Sri Rudrappaswami refd. to in D.P.I.'s letter is the same candidate refd. to by H.M.~~

It has been verified from the D.P.I.'s Office that it will not be possible for a person to be the Headmaster of a training school and at the same time supervise the basic schools.

There is no difficulty re: the appt. of Sri Rajam refd. to in the D.P.I.'s letter, to the new post, since he is already in the category of Dy.Insprs.

Sri Arunachalam is holding the tempy. post of Headmaster at Periyanaickenpalayam, apparently under the emergency provns. (General rule 9(a)(i)). His appt. to the new post should also be under the emergency rule.

The qualfns. reqd. of a Dy.Inspr. (Senior as well as Junior) are the B.A. and the L.T. degrees. Direct recruitment is not permissible to the posts of Sr.Dy.Insprs. The methods of appt. to these posts are (1) promotion from among Junior Dy.Insprs., etc., and (2) transfer of School Assts. The D.P.I. is the authority competent to select candidates for appointment as Jr.Dy.Insprs., whereas, for the posts of School Assts., selections vest in the Public Service Commission. The age-limit prescribed is 30.

There is no information as to whether Sri Rudrappaswami possesses the requisite Qualfns. Assuming that he possesses them, he cannot be straightaway be apptd. regularly as Dy.Inspr.(Senior scale). The relevant statutory rules should be relaxed for such regular appt. But, the Dir. may be asked to order the appt. under the emergency rule for the present if it is decided to select Sri Rudrappaswami.

5. The D.P.I. has not offered his remarks about the appointment of Sri Rajagopala Rao as the Basic Educational Officer for the Andhra area. Presumably, he has nothing to say in the matter. From the statement at X on p.3 C.F., it is seen that there is no immediate necessity for an officer.

6. The Dir. was asked to send proposals for the revision of syllabuses for elementary and training schools. He has now reported that the matter is to be discussed by the Advisory Board on Basic Education which will meet on 24-5-47 and has promised to send the proposals after getting the Board's opinion.

7. The Dir. has worked out the cost involved in the

non-recurring expenditure (estimated at Rs 6000 in 1947-8 & Rs 5000 in future years) the schools will be under local bodies or private agencies. When these are sanctioned it is considered necessary to have a Dy Inspector of schools in Coimbatore with necessary staff and equipment. His duties will be to supervise & guide these 34 schools on basic lines, besides other elementary schools in the neighbourhood if need be (Para 3 of E&H note above). In view of the fact that the Basic education scheme is of a new feature in this Province E&H agree to the appointment of a separate post of Dy Inspector. When this appointment is made, it is presumed (E&H) that there will be no need for a Basic education officer for the Tamil Nad.

The proposal may be in the circumstances be

Besides there will be recurring expenditure of Rs 300 on rent & non-recurring expenditure of Rs 1000. The proposed staff & the items of expenditure may be altered. As the recurring cost is less than 5000 the proposal need not be referred to S.F.C. It has however to be circulated to H.M. Finance.

(Previous note of Finances on pp 6-7 above)

Please see the orders in circulation on p 7 above, the minute of H.M (Edn) on p 8 above and the G.O (already issued) on p 9 C.F. The file has now been remitted to this deptt with reference to the scale of pay allowed to the Basic Education Officer.

2. The Basic Education Officer was proposed in the cadre of Deputy Inspectors of schools. When new posts are created, it is usual to sanction them on the last grade of the cadre. The post of Basic Education Officer should, therefore, be normally in the cadre of Senior Deputy Inspectors of Schools, IInd grade (scale of pay Rs 80-170). HM (Edn), however, desired that the Basic Education Officer may be allowed the ~~scale~~ pay of Rs 160 (min, the minimum of the scale of pay of Senior Dy. Inspector of Schools, I Grade

Presumably it is the intention of H.M (Edn) that the Basic Education Officer ~~need not be~~ is not allowed ~~allowed~~ the full scale 160-240 (allowing the increments) but to allow a fixed pay of Rs 160 for the post. That is, it is enough if a fixed pay of Rs 160 is allowed to him. If so, this ~~depth need not object to the Basic Education~~ Officer, being allowed a fixed pay of Rs 160/- in addition to Rs 48 36 per running pa 360 no reference to S.F.C.I necessary. The cost of the proposal with this modification will be ~~with this~~

If the proposal is to sanction the scale of Rs 160-240, then the case must be referred to the Standing Finance Committee.

Under the orders of H.M(Edn) the pay of Sri Rudrappaswami who has been appointed as Basic Education Officer has been fixed at Rs 160/-. The Finance Dept. ~~also~~ raise the point whether the Basic Education Officer will be granted

only a fixed rate of pay (of Rs. 160/-) or whether he will be allowed to earn increments in the time-scale of Rs. 160-240. In the latter case they suggest that the matter may be referred to the Standing Finance Committee.

The file may be submitted to H.M(Edn) and H.M(Fin) for orders on the points raised above.

18/6/47. 18/6/47

I think it better this point is also decided now; orders in Fin. dept may be taken on this point also.

The question of allowing a time-scale to this post may perhaps be taken up next year when the question of continuance of the temporary post will be raised by the Dept. No reference to the S.F.C will be necessary at present.

The file may be circulated to H.M(Edn) for orders on the point above, & also with reference to the second para of D-S's (Fin) note on page 10 ante.

19-6-47

The idea is that the Basic Education Officer should be put on the grade Rs.160-240 as allowed to Senior Deputy Inspectors. Since he is almost a Provincial Officer, at least this is necessary. If it is necessary to take the sanction of the Standing Finance Committee for this, that may be done.

The proposal in this file relates to the appointment of a Basic Education officer for Tamilnad with a subordinate staff of 1 L.D clerk and an attender and a peon. Adopting the scale of 160-240 is allowed to the Basic Education Officer the extra cost on account of the proposal will be Rs 5,075 per annum roundly. As the extra cost exceeds Rs 5,000 per annum this Department suggested that the proposal should be referred to the Standing Finance Committee. and not merely with reference to the revision in scale of pay of Basic Education Officer.

1 Basic Education officer

5. The need for the revised subordinate staff under each of the Basic Education officers is explained by the D.P.I on pp.1-2 C.F. ~~in top file~~. It however seems that, for the present a subordinate staff of 1 L.D. clerk and 1 peon is enough for each of the Basic Education officers. When the number of Basic Training Schools are increased considerably in future the need for augmenting the subordinate staff under each of the Basic Education officers may be considered. (For Tamilnad area, where there are a large number of Basic Training Schools, it is separately proposed to appoint a Junior Deputy Inspector of Schools also for inspecting and guiding all the Basic schools in the area.)

If the suggestion of this Dept in para 5 above is accepted, the extra cost will be Rs 8,863 p.a. recurring. In any case as the extra cost exceeds Rs 5,000 p.a. recurring the case should be referred to the Standing Finance Committee and the Cabinet.

(a) above:- The Finance Dept. suggest that the note for the Standing Finance Committee should include all the proposals referred to above. The note will be

revised after orders are passed on the proposals made above.

(b) above:- H.M. has ordered that ~~the~~ a post of Basic Education officer should be created for Andhra districts and Sri L. The Finance Dept., point out that the proposal should be placed before the Standing Finance Committee. The question also arises whether a staff should be sanctioned for this officer on a scale similar to that allowed to the Basic Education Officer for Tamil Nad. H.M's orders may be obtained on this point.

I ~~think~~ H.M.Finance has ~~been~~ under a misapprehension. The Basic Education Officer, Tamilnad as he is called, is really the man at headquarters who does the whole planning including planning for Andhra, Tamilnad, and Kannada but the Basic Education Officer, Andhra, organises basic schools only in Andhra and so, it is necessary that the man who is attached to the D.P.I.'s office and has to organise the whole work shouldhave a little more staff. In fact, even this staff may not be sufficient for him as his work is growing daily and so, the staff asked for - the additional lower division clerk - may be granted to the Basic Education Officer at the headquarters. To make it clear, the Basic Education Officer, Tamilnad may be changed into Basic Education Officer at the headquarters. H.M. Finance may kindly see
