last year.

Not. But reserved for war candidate

It may be observed from the above statement that the vacancies consequent on the retirement of Khan Bahadur Moulvi Muhammed Sahib Bahadur, Mr. G.L. Lobo and Sri U. Satyanarayana have to be filled by Direct Recruitment. As the vacancy of Khan Bahadur Moulvi Muhammad Sahib Bahadur has already been taken into account in the last year's estimate the vacancies of Messrs. G.L. Lobo and U. Satyanarayana alone have to be included in the present estimate. I have the honour to request that two posts of District Educationa officers may be included in the present estimate.

Vacancies Nos.3 and 6: (Retirement of Sri Rao Sahib C.D.Subrahmanya Chetti and of Sri S. Venkatacharya): -- These two vacancies will arise in the History unit of the M.E.S. The last vacancy in this unit which arose on 9.10. 1945 on the retirement of Mr. J. Franco, M.B.E., has been reserved to be filled by transfer. Therefore, the vacancy that will arise in the history unit on 20.4.1947 consequent on the retirement of Sri Rao Sahib C.D.Subramanya Chetti will have to be filled by Direct Recruitment while the subsequent vacancy in the unit that will arise on 1.7.1947 on Sri S. Venkatacharya's retirement will have to be filled by transfer. I request that the vacancy of Sri Rao Sahib C.D.Subramanya Chetti may be included in the present estimate for Direct Recruitment.

Vacancies Nos.4 and 14: -- (Retirement of Sri U. Mangesh Rao and Sri P.R. Krishnaswami Ayyangar): -- These vacancies will arise in the English unit of the M.E.S. ~~The last vacancy in this unit of the M.E.S.~~ The last vacancy in this unit which arose on 7.2.1946 consequent on the retirement of Sri V. Venugopala Ayyangar has been reserved to be filled by Direct Recruitment of a War service candidate. Therefore, the vacancy which will arise on 7.5.1947 consequent on Sri U. Mangesh Rao's retirement will have to be filled by transfer and the subsequent vacancy that will arise on 15.12.1947 consequent on the retirement of Sri P.R. Krishnaswami Ayyangar will have to be reserved to be filled by Direct Recruitment. I therefore submit that the vacancy of Sri P.R. Krishnaswami Ayyanger may be included in the present estimate.

Vacancies Nos.9 and 11: -- (Retirement of Sri T. Suryanarayana and Dr. K.C. Chakko I.E.S.): ~~Although~~ Dr. K.C. Chakko is not qualified to teach Mathematics to the degree classes and whenever he is posted to an Arts College a supernumerary post of Lecturer in Mathematics has to be created. He holds his lien on the post of Principal and Senior Lecturer in Mathematics in the Government Victoria College, Palghat. When he retires from service the post of Lecturer in Mathematics in the above college will fall substantively vacant. Hence the vacancy of Dr. K.C. Chakko may be considered to be arising in the Mathematics Unit. The last vacancy that arose in the Mathematics Unit on 15.2.1946 consequent on the retirement of Sri P.P. Sankaran Nambiar has been reserved to be filled by Direct recruitment of a War service candidate -- Vide Paragraph 4 of letter Cl.No.46/45 dated 15.8.1945. So, the next vacancy that will arise in this unit on 31.7.1947 consequent on the retirement of Sri T. Suryanarayana, will have to be filled by transfer and the subsequent vacancy that will arise on 24.8.1947 (Dr. K.C. Chakko's retirement) will have to be filled by Direct recruitment. I therefore request that the vacancy in the Mathematics unit of the M.E.S. consequent on the retirement of Dr. K.C. CHAKKO may be included in the estimate to be forwarded to the Public Service commission, Madras, this year.

Vacancy No.15: Death of Sri P.P. Subrahmanya Sastri This vacancy in the Sanskrit unit is the first one in the Unit that has arisen after the issue of G.O.No.600 Public (Services) dated 18.3.1940 ordering that vacancies arising in each subject should be treated as separate units for purposes of recruitment. Being the first vacancy in the unit, with reference to Government endorsement No.4327 A/44-4 dated 26.2.1944, I have already reported to Government that this vacancy has to be filled by Direct recruitment and reserved for a War service candidate -- vide my letter R.Cl.No.46/45 dated 4.12.1945. As the Government have taken this vacancy into account last year there is no need to include this in the present estimate.

Dey on the post of Professor of Chemistry, Presidency College, Madras, has been reserved to be filled by Direct Recruitment of a war service candidate -- vide paragraph 8 of my letter to Government Cl.No.46/45 dated 15.9.45. 5. In G.O.No.Mis.1500 Education dated 1st August 1946 the government have proposed to fill the temporary post of Professor of Civil Engineering, College of Engineering, Vizagapatam at Cocanada by Direct Recruitment. In the circumstances stated in my letter Rc.No.1337 C-1/46 dated 3.9.1946 if the Government are pleased to appoint Mr. P.S. Subrahmanyam as Professor, on a contract basis, the question of advertising the post for Direct recruitment will not arise. As regard the post of Instructor in Surveying and Drawing, College of Engineering, Guindy, while appointing Sri P. Bhairavamurti to the post under General rule 9(a)(i) in G.O. No.Ms.1596 Education dated 18.8.1946, the Government have requested me to consider the question of advertising the post for direct recruitment and send a report. Since Sri P. Bhairavamurti the first B.E. belonging to the Scheduled classes) has taken charge of the post only recently I consider that some time should be allowed to him to prove his suitability for the post of Instructor. If the Government agree, I shall submit my report in the matter at the end of the second term (i.e., in January 1947) in regard to the question of regularising the appointment of Sri P. Bhairavamurti in the M.E.S.) In the meantime, I have the honour to request that this post need not be included in the present estimate.

6. There are no suitable candidates in the department available for appointment to the temporary posts of Professors of Automobile Engineering and Textile Technology Arthur Hope college, Coimbatore. As recruitment to these posts may have to be made on a contract basis, if necessary these two posts need not be included in the present estimate now.

7. To sum up, the following vacancies may be included in the estimate of candidates to be selected for the M.E.S. (Men's branch) by Direct recruitment for the year 1947: --

District Educational Officers	..	2

Under Rule 2(d) of the Special rules for the Madras Educational Service, the first vacancy has to be filled by direct recruitment and the next three vacancies by transfer from the Subordinate Educational Service. But this rule shall not apply to the appointment of Inspectress of European schools -- vide sub paragraph of the rule referred to above.

3. The first vacancy has already been filled by the appointment of a direct recruit viz., Miss Salma Ansari. Three vacancies that arose subsequently have been filled by the confirmation of Mrs. A. Soares, Miss D.Frank, and Mrs. M.L. Small. The first vacancy that should be filled by direct recruitment is the one in the post of Deputy Directress of Public Instruction. I invite the attention of Government, in this connection, to my D.O. dated 29th June 1946, and to state that in case an Inspectress in the Central office is appointed, the post has to be reserved to be filled by direct recruitment. But according to the method of recruitment this post has to be filled only by transfer from among the Inspectresses of girls' schools and Superindents. Therefore the next vacancy that will arise on 31.7.47, consequent on the retirement of Miss M. Blake will have to be reserved to be filled by direct recuitment. But in practice only superintendents after gaining administrative experience are appointed as Inspectresses of girls' schools. In the circumstances, one Superintendent will have to be recruited in 1947. This vacancy may be included in the estimate of vacancies to be filled by direct recruitment in 1947.

Gerrard, Principal, Lady Willingdon Training college, will retire from service on 9.1.1947 and it is proposed to appoint Miss V. Koman a History Lecturer in her place. As this will be the second vacancy in that unit, the vacancy need not be included in the estimate.

I am directed to invite a refce. o your letter No.6057-B1/46-10, ated 23-12-46, and to address he Commission in the matter s follows.

Though the order of communal rotation accg. to which vacancies in the M.E.S. have to be filled was first started with the Scheduled Castes and though four vacancies have since been filled in the course of nearly eight years, no candidate belonging to that community has been actually recruited to the Service. The Govt. consider that some concession in respect of academical qualfns. should be extended to persons belonging to the Scheduled Castes so that a candidate of that community may be apptd. to the vacancy that will occur in the post of Supdt., Secy. & Trg.School for Women, for which the Commission has now selected Mrs.S.Duraiswami, a candidate belonging to the Brahmin community which is second in the order of communal preference.

cf 17

p.50 cf.

The name of Miss A.S.Rukmani, a Scheduled Caste candidate (age: 27), now employed in the Holy Angels' Convent School, Mambalam, has been suggested in this connection. She is said to possess B.Sc.(apparently III Class) and L.T. degrees and to have about 5 years' teaching expce. It is learnt that she did not apply for the post to the Commn. when it advertised it, as she was not fully qualified. The Govt. would be much obliged if, overlooking the fact that the lady did not apply for the post ~~to the Commn.~~ at the proper time, the Commission could ~~interview~~ now examine her qualfns., etc., inte

If she is ~~found suitable by the Commn.~~ selected, then the Govt. would take up the question of relaxation of the relevant statutory rules in her behalf. In the event of the proposal materialising, the candidate already selected ~~xyxxxx~~ cannot be apptd. to the post. The Govt. fully realise that this is an extraordinary procedure, but they are approaching the Commn. with this request as they are anxious to see that the turn for the Scheduled Castes community should not be passed over any more. I am therefore directed to request that you will be so good as to place the matter before the Commission and inform the Govt. as to whether it will agree to ~~taking up~~ proceeding with the case as indicated above. Miss Rukmani will be directed to furnish the Commn. with the requisite particulars, if necy., after your reply is recd.

Sir,

Recruitment (Direct) - Madras Educational Service (Women's Branch) - Superintendent, Government Secondary and Training School - Your letter Ref. No.50232/A-18, dated 9-5-1947.

I am to say that there may be other candidates belonging to the Scheduled Castes and possessing the qualifications of Miss A.S. Rukmani and that as the prescribed method of direct recruitment is by a competitive examination comprising an oral test in the shape of an interview conducted by the Commission, the proper course, in the Commission's opinion, is to advertise the vacancy inviting applications from all such candidates and select the best from among them. I am to enquire whether the Commission may proceed accordingly.

I am to add that, if the vacancy is re-advertised as proposed above, the Commission considers that the application fee of Rs.15/- paid by Mrs. Saraswathi Doraiswamy, the candidate already selected, should be refunded to her.

Please see my letter R.C.Cl.2 W.C2/47 dated 27--9--47, suggesting that Miss M.Achaya may be appointed to officiate as Lecturer in History in the Queen Mary's College, reverting Miss C.P.Kamakshi. Miss Achaya interviewed me this morning and she told me again that at present she is employed in the Indraprastha College, Delhi and she has to let her present employers know whether she is re-joining there or not within the next one week. She told me that in April last when she received a letter from the Public Service Commission that she had been selected for the Madras Educational Service, she resigned the place she had been holding, but as she was informed that Government had not selected her she was put to some difficulty. She requests that the orders of Government may kindly be communicated to her at an early date so that she may be enabled to give her present employers due notice as early as possible.

M.E.S. - Direct recruitment - Estimate of candidates to be selected for 1947.

An estimate of the candidates to be selected for appt. to the M.E.S., by direct recruitment, in the year 1947, is due with the M.P.S.C. by 1-10-46. In para 1 of G.O.839-P.(S), d/- 5-4-46, it has been ordered that the policy of reserving subst. vacancies for war service candidates be discontinued from from 1-4-46; further, in the M.E.S., no vacancy wh. arose prior to 1-4-43 and wh. was reserved for war candidates has been filled substantively by the appt. of an appd. probationer, under War Service Personnel Recruitment Rule 3(3). Hence, no vacancy which occurs from 1-4-46 and wh., under the rules, has to be filled by direct recruitment, need be reserved for war candidates; they may be filled by direct recruitment in the ordy. way, but candidates who have rendered war service are not ineligible to apply. The estimates sent by the D.P.I. for the Men's and Women's Branches call for the follg. remarks.

L. 161, BK. 112

A

I. SUBSTANTIVE VACANCIES.

A. MEN'S BRANCH.

(1) Administrative Section: The proportion acc to wh. vacancies in this secn. are to be filled is that for each subst. vacancy filled, or reserved ~~or~~ to be filled by direct recruitment, the nex 3 such vacancies shd. be filled by recruitment by transfer. The Dir. recommends that 2 posts may be included in the present estimate. The vacancy that may arise consequent on the retirement of Sri A.V.Subba Rao, who has not been confirmed yet, but, who, it is expected, will be confirmed before he retires, on 1-7-47, has been taken into account by the Dir. in arriving at the No.2. Even if Sri Subba Rao is not confirmed, another vacancy consequent on the retirement of Sri Rao Bahadur V.R. Ranganathan will occur in 1947, wh. will safeguard against the possibility of there being no vacancy for one of the 2 recruits to be selected. The Dir.'s estimate may therefore be accepted.

MES rule 2 (d) BK. 113

pp. 4-5 cf.

(2) Collegiate Section: The proportion in respect of this Secn. is that vacancies arising in each subject unit shall be filled or reserved to be filled alternately by direct recruitment and by transfer. // 1. The vacancy that will occur consequent on the retirement of Dr.K.C.Chakko, I.E.S., may be taken to arise in the Maths. Unit, in view of what is stated by the Dir. at "A", on p.6 C.F. Accg. to the rotation, the vacancy shd. go to a direct recruit and may be included in the present estimate.

MES rule 2(e) BK. 113

p.6 CF

7.9.46

The Dir.'s remarks in regard to the follg. vacancies in the posts of Lecturers are correct and the vacancies may be advertised for direct recruitment now:

2. Physics .. Retirement of Sri M.M.Mulki
3. History .. " Sri Rao Sahib C.D.S.Chetti
4. English .. " Sri P.R.Krishnaswami Ayyangar

pp. 4-5 CF

7.9.46

(3) Professional Section: (Communal rotation rule will not apply):

The post of Professor of Law, that will fall vacant consequent on the retirement of Sri K.V.Venkatasubramania Ayyar, may be included in the estimate, as the only method of recruitment to the post is direct recruitment.

pp5-6 CF

MES rule 2(a) BK. 113

7.9.46

B. WOMEN'S BRANCH.

(1) Administrative Secn.:

In para 3 of his letter at p.11 C.F., the D.P.I. refers to the post of Dy.Directress of Public Instruction. In the L.F., it has been proposed to abolish this post (as also the tempy. post of Addl.P.A. to the D.P.I. - in the Men's Branch) and to create, instead, a post of "Inspectress at the Central Office". ~~Anyway,~~ Thus there will ~~be~~ still be a vacancy in the Administrative Secn. But, as one of the objects in creating the new post is to enable different women officers to gain expce. in the Dir.'s Office, only "recruitment by transfer from Inspectresses of Girls' Schools and Supdts." (which is the method now prescribed in the rules for the post of Dy.Directress) has to be ~~filled for that~~ followed for filling the vacancy. ~~post.~~ Hence, ~~this~~ the post need not be taken into account in the present context. When "Inspectress" is substituted in the rules for "Dy. Directress" the post may also be excluded from the operation of the 'rotation rule' (rule 2(d)), just as is the case with "Inspectress of European Schools".

MES Rule 2(b) BK. 113

(Rule to be amended)

7.9.46

The vacancy consequent on the retirement of Miss M.Blake, Inspectress of Girls' Schools, will have to be included in the estimate, as ~~the previous~~ 3 previous vacancies have been filled by transferees. For the reason given by the Dir., viz., that in practice only Supdts. after gaining administrative excep. are apptd. as Inspectresses, ~~a~~ it seems necy. that a post of Supdt. (of a Govt. Secy. & Trg. School) ~~may~~ has to be ~~included in the estimate.~~ advertised for direct recruitment. But as there is actually no vacancy in the category of Supdts., the Dir. may be asked to submit proposals for transferring the lien of an officer now working as Supdt., to the post of Inspectress (Miss Blake's vacancy) with retrospective effect.

(2) Collegiate Secn.: 1. The History Lecturer's vacancy consequent on the retirement of Miss K.Myers, Principal, Q.M.C., and the appt. in her place of Mrs.T.N.Ramamurti, may be included in the present estimate - as it has to be filled by direct recruitment, being the first vacancy in the subject unit. Though it arose before 1-4-46, it need not be reserved for a war candidate; for, under the War Service Personnal Recruitment Rule 3(1)(a)--proviso ~~(iii)~~ (ii), only 25% of the subst. vacancies, wh. shd. be filled by direct recruitment, shd. be reserved for war candidates, and this post, along with an English vacancy and a Chemistry vacancy, have already been reserved for direct recruitment in the ordy. way, as against a Mathematics vacancy reserved for a war candidate - pl. see J/4 NF.

2. The post of Lecturer in Chemistry, consequent on the retirement of Miss M.M.Mehta, was advertised by the Commn. last year. But no qualified and suitable candidate became available from among the candidates who applied in response. Therefore, the qn. of filling the post by direct recruitment was deferred until 1947 and, in the meantime, a candidate in the appd. list for recruitment by transfer, was apptd. The post has therefore to be included in the present estimate. (It is not known why the Dir. has left it out). This post also need not be reserved for a war candidate, as it is the 'Chemistry vacancy' refd. to at "A" above.

(3)- Professional Section: The post of Kindergarten Lecturer in the L.W.T.C. will fall vacant on 8-9-1946. The Dir. says that this being the first vacancy, a direct recruit has to be apptd. It may be pointed out that the proportion prescribed for appt. of Lecturers (that vacancies arising in each subject unit shall be filled alternately by direct recruitment and by transfer) will not apply to this post as it

p. 11 CF

BK.113

is in the Professional Secn. (and not in the Collegiate Secn.) and that M.E.S. Rule 2(e) cannot be invoked here. The methods of recruitment prescribed ~~is~~ are "recruitment by transfer" and, if no suitable and qualified person is available for transfer, "direct recruitment"; or "transfer from any category in the Profl. Secn. on an identical scale of pay". Therefore, direct recruitment has to be resorted to only if it is known that there are no candidates for appt. by transfer. This point may be clarified first by refce. to the Dir.

II. TEMPORARY VACANCIES.

(1) Collegiate Section:

The sanction for the follg. two posts is for two years in the first instance, but the posts are likely to be made permanent eventually:

1. Men's Branch - Post of Lecturer in Commerce, Govt.Arts College, Coimbatore: In the G.O. at "r"/8-9 C.F., Sri T.Appalanarasiah, Dy.Inspr., was apptd. to the post under the emergency provns. - to continue for the current college year - and it was also decided that, in the absence of a suitable candidate for appt. by transfer, the post shd. be filled by direct recruitment, and, in consonance with the general policy, by the appt. of a direct recruit with war service. The Commn. may therefore be asked to advertise the post; it is hoped that the candidate selected will become available for appt. from the next academic year. Communal rotation will not apply, since the appt. will be of a war candidate.

pp. 8-9 C.F.

War service personnel rule 3(1)(b) BK.112 p.160

cf. para A/2

2. Women's Branch - Lecturer in Arabic, Persian and Urdu, Govt.College for Muslim Women, Madras: The Dir. has omitted to include this. In the G.O. at "a"/19 C.F. one Mrs.Shah Jehan Begum was apptd. temporarily. It was also decided that the post might be advertised for regular appt. by direct recruitment, but need not be reserved for a war candidate. Hence, it may be included in the estimate. It may be stated that the post is a tempy. addn. to category 2, Class VIII of the M.E.S. and is in a newly-started institution mainly intended for Muslims but that no ad hoc rule has been issued to the effect that appt. shall, if a qualified and suitable Muhammadn candidate is available, be made only from that community. It is presumed that the communal representation rule (rule 3 of the M.E.S.Rules) will apply to tempy. posts also and that, till such a provn. as at

a/4-5 N.F.

X

BK.113

"X" above is made, a candidate belonging to any community may be recruited to the post - though it is certain that only a Mdn. candidate will have the necy. qualifications in Arabic, etc. Pub. (Ser.) may be requested to offer their remarks.

1. Prof. of Civil Engg., College of Engg., Cocanada: The sanction for this tempy. post subsists till 30-6-1948, but the post is likely to be made eventually permanent. One Mr. P.S.Subramanian was apptd. on a tempy. basis, but he is not willing to join duty unless apptd. ~~on a tempy. basis, but wants to be employed~~ on contract. It has ~~been~~ separately been proposed, in a file ~~now in~~ marked for circn. to H.M.(Edn.), that this post should be filled by the appt. of a war candidate, w.r.t. para 2 of the G.O. at "W", and that the Dir.'s proposal to appt. Sri Subramanian on contract shd. be turned down. The post may therefore be inclued in the estimate.

7.9.48

pp.6-7 C.F.

2. Instructor in Surveying and Drawing, College of Engg., Guindy: The permanent incumbent of this post is Major Marley. The vacancy has arisen on account of his tempy.promotion as Prof. The officer who had formerly been offg. in the post when Major Marley was in the mily. Kalyanaraman has gone to U.S.A. for studies. Major Marley himself is likely to be sent abroad in the course of this year. When the two return after trg., their services may be required for higher posts. So, it may be assumed that the vacancy will be a long-standing one.

Removed

In the G.O. at "d", Sri P.Bhairavamurti (Scheduled caste), Laby.Asst. in the College, was apptd. (as Instructor in Surveying & Drawing) under the emergency provns.. The Dir. was asked to consider the qn. of direct recruitment and to send a report. The Dir. now says that since Sri Bhairavamurty, the first S.C. B.E., has taken charge only recently, some time shd. be allowed to him to prove his suitability, that ~~there~~ he wd. submit his report at the end of the second term and that, in the meantime, the post need not be included in the estimate. It may be pointed out that Sri B. does not possess the prac. expce. prescribed for the post and that therefore he cannot be regularly apptd. In

~~Xxxxxx~~ the circs., it is for orders ~~consideration,~~ whether the Dir.'s views shd. ~~will~~ be accepted and the promised report awaited or whether the post may be included in the estimate; in the latter case, the vacancy shd. go to a war candidate, in consonance with the general policy.

D. Shd. be included in the estimate

3. Profs. of Automobile Engg. and Textile Tech., A.H.College of Tech., Coimbatore: Even ad hoc rules ~~xxxxxxxx~~ prescribing qualfns. for these posts have not been issued and hence there is no necessity to include them in the estimate.

Another matter may be taken up in this connection. As against 2 D.E.Os.', One ~~xxxxxxxx~~ Mathematics Lecturer's ~~xxxxx~~ and ~~xx~~ one English Lecturer's substantive vacancies, indicated in the G. of I. pamphlet C.P.S.2 as having been reserved for war candidates, 4 D.E.Os.', 2 Math. Lecturers' and 3 English Lecturers' ~~4, 2 and 3~~ ~~vacancies~~ vacancies ~~resply~~. are available for such candidates. The M.P.S.C. may be so informed.

But, last year, before the above-mentioned order was issued, it was decided that the post might be reserved; it was accordingly included in the G. of I. pamphlet C.P.S. 1-A. U/5 Memo. In its letter at C.F.26, the Commission ~~xx~~ quotes the orders in the G.O. at "W" - viz., that "for the period ending 31-3-47 the Commn. ** should recruit only persons with war service to the kinds of posts in respect of wh. there has been reservation (i.e, posts wh. shd. be filled by direct recruitment) and normal recruitment shd. be confined to other kinds of posts" - and enquires whether, in view of those orders, it is the Govt.'s desire that the Commn. shd. proceed with the normal recruitment of candidates to vacancies of D.E.O.'s (x) and Lecturers (x) (in the M.E.S.) mentioned in the estimate sent to it. Attention is invited to the latter portion of Public's note at p.7 ante and this Dept.'s notes following. The posts in respect of wh. the Commn. has been asked in this file to select direct recruits (in the ordy. way - i.e., non-military candidates) will fall vacant only after 31-3-1947 and the question of actual recruitment (appointment) to them before that ~~period~~ date will not arise; only selection by the Commn. has to be made before that date, accg. to the prescribed programme. The enquiry shd. therefore, it seems, be answered in the affirmative, with an expln. as ~~xx~~ at "Q" above. Pub.(Ser.) may see for remarks.

Please see the Commission's letter on p.26 c.f. and the E & P.H. Department's notes from the middle of p.9 ante. Under paragraph 1 of G.O. No.839 Pub (Ser) dated 5-4-46, the Commission or other selecting authority should recruit for the period ending 31-3-47 only persons with war service, to the kinds of posts in respect of which there has been reservations, (i.e. posts which should be filled by direct recruitment) and normal recruitment should be confined to other kinds of posts. The reason for this order was that the selecting authorities would not be able to undertake two kinds of selections (One - the normal selection and the other the special selection for war reserved vacancies) simultaneously. The procedure for filling vacancies arising between 1-4-47 and the dates on which the commission will draw up its approved lists for the non-reserved vacancies in 1947 is laid down in G.O. No.1052 Pub (Ser) dt: 30-4-46. Recruitment of war service candidates will have to be ~~reviewed~~ revived immediately after a decision is taken on the general question of reservation. If the Commission is willing to undertake normal recruitment also to the posts referred to at (A) on p.26 ~~c.f.~~ cf. in addition to the special recruitment of war service candidates, ~~there is~~ no objection need be taken to the proposal.

If so, the D.P.I. may be informed of the selection and of its approval by Govt. Accg. to rule 14 of the M.E.S. Rules, ~~under~~ at the Dir.'s discretion, a direct recruit to the Administrative Sech. of the Women's Branch may have to undergo training for 6 months under an Inspectress of Girls' Schools, before commencing to perform her regular duties. It has been said above that this vacancy, by communal rotation, must go to the Scheduled Castes candidate. But there was no applicant. The Commission has recommended Mrs. Saraswathi Doraiswami to be appointed to the post. It is unfortunate that in many cases the Scheduled Caste loses its representation. I will not like that their claims should fail like that. I had a talk with the Speaker, Mr. J. Sivashunmugam Pillai, over the matter and he suggested that two women L.Ts. that he knew could be appointed to this post. Both of them came and saw me yesterday. One is Mrs. N. Rajambal, B.Sc., L.T., (III class) working in the Lady Willingdon Girls' High School aged 33 years. Her residence is at No.11, Chinnathumbi Street, G.T., Madras. She has served as the Headmistress in St. Anne's Branch School in 1943 and in 1946 in the Ramakrishna Girls' High School, Thyagarayanagar.

The other is, Miss. A. S. Rukmani, B.Sc., L.T., aged 27. She is a Mathematics Assistant with five years experience, is now in the Holy Angels' Convent, Mambalam. Her address is: No.1, Venkataroyer Lane, P.T., Madras. Possibly she has also passed in III class. This I understand is a direct recruitment and the candidate to be appointed should not be above 30 years. I do not see any reason why Miss. A. S. Rukmani should not be appointed to this post. I think it is open for us to give exemption from the II Class Degree. The Secretary may look into the rules and put it up. If ~~we~~ decide upon appointing her, she can be asked to furnish any more particulars that may be necessary. The fact that she has not applied to the Public Service Commission need not be a bar in view of the fact that this community has lost its chances in many vacancies.

Posts in the M.E.S. are within the purview of the M.P.S.C. Under the Govt. of India Act, it is the duty of the Commission to conduct examinations for appt. to the Service. It shall be consulted on, among other matters, the principles to be followed in making appts. to the Service and on the suitability of candidates for such appts. Where a competitive examn. is to conducted by the Commission for direct recruitment, it has to follow the procedure detailed in rule 1 of the Commission's Rules of Procedure made by H.E. the Governor; i.e., in respect of a post in the M.E.S., it has to advertise the post announcing the qualifications and calling for the documents to be produced by the applicants, including a chalan for the deposit of the prescribed fee, make all arrangements for the conduct of the examination (interview) at which the D.P.I. or his representative will be present, and forward the name of the candidate selected to the Government who are the appointing authorities.

pp. 4-5, BK. 112

p. 15, BK. 112

The vacancy in question (Supdt. of a Secy. & Trg. School for Women) will occur on 31-7-1947 when Miss Blake retires from service and it has to be filled by direct recruitment. Accg. to the programme laid down by Govt. (Pub.-Ser. Deptt.), the Commission was asked in Oct. '46 to advertise the post. It has now communicated the result, after following the procedure described above.

G.O. 3168 / 31-10-44 (x)

p. 14 cf.

p. 50

The rule of communal rotation applied to this post, as also to the follg. two of some of the posts in the Women's Branch for which the Commission was asked to select candidates:

Rule 19, p. 150, BK. 112
" 3, p. 17, BK. 113

Lecturer in Chemistry
Lecturer in History.

Since the communal rule came into force, only 4 vacancies in the Women's Branch of the M.E.S. have been filled by direct recruitment. The rotation was first begun with the Scheduled castes and, therefore, the following are the communities in the order of rotation:

p. 17 cf.

1. Scheduled castes

2. Non-Brahmin
3. Muslim
4. Non-Brahmin
5. A.I. or Xian or Non-Asiatic.

Filled.

6. Brahmin
7. Non-Brahmin.
8. Muslim
9. Non-Brahmin
10. A.I. or Xian or Non-Asiatic.
11. Brahmin
12. Non-Brahmin

It will be seen from the above that only one turn of the Scheduled castes has so far been passed over. It is not as if the community lost its claim to the turn completely. Till a Scheduled caste candidate is recruited to the Service and the place is filled, that community will have the first preference to every vacancy arising in future; even for the 2 posts of Lecturers mentioned above, the qualified Scheduled caste candidate, if any, who has applied, will be preferred.

When, now, for the post in question, it was not possible to get a Scheduled caste candidate, the vacancy should naturally go to the community next in the order of rotation, viz., the Brahmin community. The Commn. has observed strictly the order laid down in the rules.

The qualifications prescribed for the Superintendentship is (i) a I or II Class M.A. or B.A.(Hons) or B.Sc.(Hons) and (ii) B.Ed. or B.T. or L.T. degree. The age limit for the post is 30.

p.21, Bk.113

p.17, Bk.113 Rule5(A)

Neither of the S.C. candidates referred to in the minute~~s~~ satisfies the academic qualifications. They possess only B.Sc.(Pass)-III Class and L.T. degrees; a 3rd class pass degree is a far inferior degree to the M.A. or Hons., I or II Class. ~~Moreover, one of them Mrs. Rajambal has also exceeded the age-limit~~. When the post was advertised, they did not apply to the Commn. and did not simultaneously ask the Govt. to consider the question of relaxation of the rules in their behalf. This is not the time at all to take up the question of relaxation of the rules in their favour. There seems to be no rule under which the Government can act in the place of the Commn. and entertain now their applns., waiving the procedure prescribed by the Govt. of India Act and the rules made by H.E. the Governor. Even if, at the proper time, the candidates had applied for the posts to the Commn. and asked Govt. for relaxation, it is likely ~~that~~ ~~only~~ the ~~age~~ rules would not have been relaxed. Relaxation of academic requirements, because the person concerned belongs to a minority community, seems to be quite opposed to principle. ~~If the Govt. had already expressed their intention to relax the age-rule in deserving cases of S.C. candidates, it might be that persons satisfying the prescribed academic qualifications would have applied.~~

p.61 cf A

p.50 B p.51 cf

Considering the matter from the point of view of the candidate selected also, she satisfies the qualfns. in every respect and the Commn. has certified as to her fitness for appt. to the Service. Moreover, she has since subd. the physical fitness certificate at some expense. Though, in the "particulars" supplied to her before she subd. her appln., there would have been the usual clause that "selection carries with it no guarantee of appointment," in equity, her hope that she is likely to be appointed should not be thwarted by the bringing~~ing~~ in of an unqualified person who did not apply at all for the post. If she is not appointed, the Commn. is also likely to raise strong objections. If its advice is rejected or deviated from, the reasons therefor should be commd. to it; if the grounds on which it is proposed to reject or deviate from its advice were not before it when it made its recommendation, it shall be given a reasonable opportunity of considering those grounds now and making a fresh recommendation before orders are issued. Further, the file has also be to sent to the Pub(Serv.) Deptt. and circd. to H.P.M. and H.E.

p.58, Bk.145 (Secll. [illegible])

It is suggested that the points in this note may kindly be brought to H.M's notice.

5/2/47 S

I have seen the note of the Secretary but I am afraid the chances of the Scheduled Classes will be very small indeed if we are not able to make these concessions to them and personally, I think the matter may be pointed out to the Commission and their suggestions obtained. /A

in the draft may be made.

28.4.47

This is a case of direct
recruitment to a Provincial Service
post through the agency of the
Commission and comes under Sec
266(1) of the G. of I. Act, 1935. In
such cases, the commission should ~~[illegible]~~ be
asked "to conduct an examination
and report the results" and not
"to advise Govt as to the suitability
of a particular individual" for the
post which comes under Sec 266(3).
— vide G.O. No 2988 Pub (Ser) d/ 11.10.46. (K)
The pencil alterations made in the
draft are therefore for consideration by
E & P.H.

In an almost similar case
in which the commission was asked
to interview a particular candidate
and report on his suitability for
appt in the Madras Forest Service, the
commission refused to comply with the
request. It pointed out that the proper
course would be to readvertise the post
inviting applications from candidates
possessing the qualifications possessed by the
particular individual. The Govt also accepted
the Commission's view. It is very likely
that the Commission will raise a
similar objection now. There is perhaps
no harm in making a trial ~~[illegible]~~ and
see what the commission says.

cf.70

cf.70 Reply from the Commission has been recd. The Commn does not stand in the way of fulfilling the Govt.'s desire (but rather seems to appreciate the desire) to see that the turn for the Scheduled Castes in the communal rotation applicable to the M.E.S.-Women's Branch is filled - even by going to the extent of accepting as sufficient a candidate with inferior qualfns., if necy. But, at the same time, it holds that the proper course, in the circumstances, is to advertise the post (Supdt. of a Secy. and Training School), inviting applns. from all Scheduled Caste candidates possessing qualfs. equivalent to those of Miss Rukmani (as there may be other S.C. candidates having the same qualfns.) and to select the best from among them - for the reason that the prescribed method (direct recruitment) is selection by a competitive examn. comprising an oral test in the ~~xx~~ shape of an interview conducted by it. It, therefore, enquir~~i~~es whether it may proceed to advertise the post accordingly. The opinion expressed by the Commission is the right one and is also in accord with the ~~staautory~~ statutory rules.

CF.70
Individual S.C. candidate suggested But

Attention is, in this connection, invited to the notes in the top file. If a S.C. candidate is now recruited to the vacancy dealt with in this file after relaxing the rules in her favour, not only the selection made by the Commn. for the post of Supdt. of Mrs. Saraswathi Duraiswami (Brahman) but also the selection of Miss M.Achaya (N.B.) who has been "found suitable" by the Commn. for the next vacancy in the Service (Lecturership), cannot be approved. For, the communal rotation followed by the Commn. (on the assumption that Mrs.S.Duraiswami's selection would be approved) will get changed, and instead of recruiting Miss

Xian (Anglo)

Pl. see discussions at p.2 N.F. 7 (b) file - where the communal position has been explained.

Achaya who is a Non-Brahmain, a Brahmin candidate has to be selected afresh for the Lecturer's post. In his talk with Secy. on the matter, w.r.t. this further difficulty, H.M.(Edn.) expressed ~~his~~ the view that, in the light of the Commission's reply, it might perhaps be worthwhile to drop the question of recruitment of a Harijan candidate to the Supdt.'s post and to approve the original recommendation of the Commn. re: Mrs.Duraiswami, itself, IF it could be ensured that the next vacancy will go to a Harijan candidate when further recruitment is made.

X

It may be mentioned that, even accg. to the rule of communal rotation - clause (iii) of General Rule 19 - supposing that the turn for the S.C. is now left over and that a candidate from the community (Brahman) which is second in the order of preference is apptd., the Scheduled Castes will continue to be the first community entitled to any subsequent vacancy arising in the Women's Branch UNTIL a suitable and qualified candidate belonging to that community has been apptd. against the turn.

p. 150, Bk. 112

However, to avoid against the possibility of a fully qualified S.C. candidate not ~~being~~ becoming available to any of the ~~next few~~ vacancies arising in the immediately succeeding one or two years, perhaps an understanding may be arrived at on the following lines and commd. to the Commission and the D.P.I.: If the post happens to be one included in the Administrative Secn., in the advtt. to be published, in addition to specifying the prescribed qualfns. - M.A. or Hons.--I or II Class ~~pm~~ plus B.T. or B.Ed. - it may also be stated that persons possessing a mere Arts or Science degree plus a teaching degree, too, may apply but that their applns. will be taken into account only in the event of its turning out that no candidate possessing the prescribed qualfns. has actually applied. If the next vacancy is in the Collegiate Secn., this arrangement will not be feasible: because, if a Lecturer's academic attainments are inferior, she would not be able to discharge her duties properly and, further, the Unty. would not agree to the appt. of such a person; in that case, the concession will have to be left to be applied only to the vacancy ~~next~~ subsequently arising in the Administrative Secn.

Y

Considering all the circs. of the case, it seems

---

that there is no objn. to action being taken as at X on p.21 ante. The Commission may be told that, on reconsideration, the Govt. have come to such a decision.
