No.S.K.80/46.

dated 7th July 1947.

Sir,

Stationery - calico in rolls of 18 yards - Damaged by rats -
costs - write off - requested.

5-8803

During the last stock-taking, 1946/47, i.e., in the months of August and September 1946, there were in stock 19 cases of 50 rolls of 18 yards each and loose yards 1,582-1-5 of calico ordinary. In February 1947, it was noticed that yards 450 of calico ordinary in the loose stock section were slightly attacked by rats. Immediately they were sent to the Government Press for being used to the best possible advantage. In March 1947, while shifting the cases containing calico ordinary from one place to another, it was discovered that rats have entered in some of the cases and damaged 7 rolls (5 rolls in black and 2 rolls in Chocolate colour each measuring 18 yards). These rolls were also sent to the Superintendent, Government Press for being used to the best advantage. I enclose herewith copies of letters No.Skr/Bdg dated 22-3-47 and Skr/Bdg/47 dated 15-5-1947 (para 2 only) received from the Superintendent, Government Press, Madras. Out of yards 450 sent from the loose stock section, only yards 324-0-0 were found good and out of 7 rolls (or 7 x 18 yds), yards 126 sent from the godown stock, only yards 78 were used to the best possible advantage. Thus out of yards 576 of calico ordinary, yards 402 were found good. The cost of the balance (yards 576 - 402) yards 174 of calico ordinary damaged by rats works out to Rs.3/- per yards. The damage is mainly due to the unsuitability of the zinc sheds and loose stock sections now under the occupation of the Stationery Stores at Guindy.

In the circumstances stated above, I request that sanction may be accorded to write off the value of Rs.522/- being the cost of yards 174 of calico ordinary damaged by rats.

Sir,

CALICO - damage by rats - prevention of.
G.O. Ms. No. 2168 Edn., dated 9-10-47.

The Superintendent, Government Press, Madras, who was
addressed, says that there is no spare room in the press for the
storage of Calico. They will, therefore be stored in the Stationery
Stores itself and all possible precautionary arrangements have been
made in the Stationery Stores to prevent losses of this kind. The
Calico rolls are inspected daily and D.D.T. sprays are used on them.
