The estimated closing balance for the current year is Rs 3,800. The cl has not given effect to the revised scale of pay to its general staff for want of funds, and the question has been left over to the new Council. C. No. 86842. From the Commr. Chidambaram Mply.
No. 6941/47 dated 28.10.47

Please see the letter of the Commissioner Chidambaram Mply. at pages 15-17 c.f. The Mcl. council requests the Govt. to cancel the orders issued in G.O. No. 2176 Edn. d 10.10.47, enhancing the rate of education tax levied by the council by 10% p.a and to sanction a grant to meet the additional expenditure on the revising salaries. The council has given effect to the revised scales of pay. The extra expenditure on this account is Rs. 3040. It is not the policy of the Govt. to pay grants towards the expenditure on the revision of salaries. Before the orders ~~in~~ G.O No. 2176 Edn. d 10.10.47 were issued, the financial position of the council both under the E.E. and General Accounts was examined and it was found that addition of taxation could not be avoided to meet the deficit in the budget. The Commr. may, therefore, be informed that the orders in the G.O. at page 13 c.f. will not be reconsidered.

It will not be able to meet the extra expenditure on the grant of advance increments even after the increase of ~~the~~ taxation.

p. 139 ②

In G.O. No. 2176 Edu., dated 10.10.47, the Mpl. cl. Chidambaram, was directed to enhance the rate of education tax levied in the municipality from 1% p.a. to 2% p.a. with effect from 1.10.47 so as to cover the additional expenditure ~~involved~~ on the revised scales of pay sanctioned for teachers in elementary schools. The Council, in its resolution No. 842 d. 3.12.47, has decided to increase the rate of education tax by 1% p.a. with effect from 1.4.48 and to reduce the general property tax by 1% from that date. It has also decided to contribute a sum of Rs. 2100 from the General Account to the E. E. Account in the current year.

p. 3 c.f.

p. 3 c.f.

2. The Commr. Chidambaram Mply. has since reported that the Council's opening balance on 1.4.47 was Rs. 2229 and not Rs. 796 as reported by him previously. With reference to this, the Council will be able to meet the additional expenditure on the revised scales of pay for the E. E. staff in the current year, without resorting to additional taxation, if its proposal to contribute a portion of the sum of Rs. 2100 from the General Account to the E. E. Account is accepted. In view of this, the Department may agree to the proposals of the Council in its resolution d. 3.12.47 and modify the orders in ⑦ accordingly.

Provision has been made in the RE for 1947-48 (of the general Account) for an additional contribution of Rs 2100 to the Ele. Edn fund. Even after ~~providing~~ making the additional contribution the general Account of the council is expected to close with a balance of Rs 16,410. In the circumstances it seems unnecessary to compel the council to increase the rate of education tax from 1-10-47. The general Account can afford to meet the increased ~~cost~~ contribution.
