S.S.L.C. passed Higher Ele. Grade teachers.

To

The Honble Education Minister
Fort. St. George, Madras.

Honoured Sir,

I am one of the teacher candidate who appeared for S.S.L.C. and passed under G.O. 344 d/19-2-1946.

I have been under the hope that ~~with~~ the relating to the conversion of my Higher Ele. grade teacher's certificate into a secondary grade one, just as it was done some years backs will be amended and my certificate converted invirtue of my passing S.S.L.C. No, concession was allowed to teacher candidates in preparing eligible list.

Now I understand that there is no secondary grade Examination in 1948.

If I have to wait till 1949 to sit for the secondary grade Examination I have to wait for another two years and waste my time. Moreover I am put in a service of over 10 years as a teacher and my age and health conditions may not allow me to sit for another Examination and that too after a further period of two years.

It is clear from the low results that only deserving and efficient candidate have passed.

Under the circumstances, I pray that your honour may be pleased to convert my higher T.T.C., into a secondary grade T.T.C., in virtue of having passed S.S.L.C., and allow me the basic pay of that grade from the date of my passing S.S.L.C. If this request of mine is favourably considered at this time when our country is has attained freedom, the teachers of this province, I assure you, Sir, will be highly grateful and assure sincere service always for the uplift of our country and will take the concession granted as a honour done to the teachers population on the whole.

I beg to remain,
Honoured Sir,
Your most obedient servant,

N. R. Govindaswamy

The emergency course of training referred to in para 3 of the G.O quoted above commenced from July 1946 and the Examination at the end of the course, was conducted in June 1947. During the course of training, it was found that a shortened course of training of 12 months was of no use and an 18 months course from October 1947 to March 1949 was recommended to Government in my letter C.No.8024 B1/46 dated 1-10-46. Even this period was considered inadequate and it was felt desirable to revert to the original secondary grade course of 2 years training - Vide my letter Roc.No.8024 B1/46, dated 24-2-47 and the orders of Govt. thereon issued in G.O.No.Ms.738 Edn. dated 15-4-47. The Training course commenced from August 1947 and ends by March 1949. In the existing circumstances there will be no T.S.L.C. Examination of the Secondary grade during the year 1948. Candidates, who failed in the Examination held in March 1947 and in previous year and those who may not come out successful in the recent examination conducted at the end of the Emergency Training Course as well as Higher Elementary Grade teachers possessing general educational qualifications, who are permitted to appear for the T.S.L.C. Examination of the Secondary Grade as private candidates, have to wait till March 1949. There is an urgent need for increasing the supply of Secondary grade teachers. In the circumstances I propose that an examination may be held in March 1948 for the benefit of the above categories of candidates. About 2000 candidates are likely to appear for the Examination. The number of centres for the Examination will be reduced to minimise the cost and dislocation of school work. I therefore request that Government will be pleased to issue the necessary orders permitting the holding of a Secondary Grade Training Examination in March 1948 for the benefits for the candidates referred to above.
