Enclosures: R. C. No. 1025-PA/47. dated 25th June 1947.

Sir,

MADRAS EDUCATIONAL RULES--Rule 73(1)abolition of fees--
 in the Elementary section attached Government Training
 School, Mettur Dam--Recommended.

I have the honour to state that fees are collected from
 the students attending the elementary sections of the Government Training
 School, Mettur. The fee income realised is negligibly small. No fees
 are collected from students attending neighbouring elementary schools.
 As such, the abolition of fees in this school also may tend to increase
 the strength of the section. Moreover this will be a step in advance
 for facilitating free elementary education. In the circumstances I
 would recommend that the system of collection of fees from the students
 of this section may be permanently abolished with effect from the
 school year 1947-48.

- 1) The fee income is negligible (about Rs. 127/- p.a.)

The proposal may perhaps be accepted as a temporary measure for a period of 3 yrs to begin with. Subject to approval, a draft order is submitted overleaf. It may be sent to the Finance Dept. u.o. for acceptance.
