War—Educational concessions to children and dependants of Defence Services personnel—Applicability to children and dependants of demobilised personnel—Orders passed.

READ—the following papers :—

From the Director of Public Instruction, dated 25th June 1946, No. 580 W/46.

From the Collector of Madras, dated 23rd July 1946, No. C 6-5387/46.

From the Collector of Tinnevelly, dated 14th August 1946, No. B. 3/19719/46.

From the Director of Public Instruction, dated 22nd August 1946, No. 2246 W. 2/46.

From the Secretary, Madras Provincial Sailors, Soldiers and Airmen Board, dated 1st October 1946, No. 66 R/5/M.P.B.

Order—No. 21-A, Education, dated 6th January 1947.

The orders in G.O. No. 610, Education, dated 20th April 1945, sanctioning educational concessions to children and dependants of Defence Services personnel were issued when the war was in progress. Now that the war has ended and demobilisation is on, doubts have been raised whether the concessions will be continued to those who have been getting them although the soldier on whose behalf the concessions have been granted is released from military service. The intention of Government is that the concessions should be continued in such cases irrespective of the fact that the soldier has been demobilised, provided he has rendered six months' approved service with liability to serve overseas between 3rd September 1939 and 31st August 1946.

2. Under the orders in paragraph 3 (2) in the appendix to G.O. No. 610, Education, dated 20th April 1945, children and dependants of the serving personnel shall not be eligible for the concessions if the pay of the "soldier" or "officer" concerned exceeds Rs. 200 a month. The Collector of Madras has raised the question whether children and dependants of persons whose pay exceeded Rs. 200 while serving in the Army and who after discharge get less than Rs. 200 a month are eligible for the concessions. The Collector is informed that the concessions need not be granted in such cases as the criterion for the grant of the concessions is the pay drawn while in the Army. He is also informed that poverty certificates may be granted to soldiers to enable them to obtain the concessions for further education.

3. As soliders released from the Army may not be able to obtain the certificate specified in sub-paragraph (4) of paragraph 3 of the Appendix to G.O. No. 610, Education, dated 20th April 1945, the Government direct that in such cases it is sufficient if the soldiers produce the discharge certificates granted by the Army authorities. A note will be added to the sub-paragraph as in the annexure.

4. The Government direct that the forms prescribed in the annexure shall be substituted for the forms in Schedules I and II in the Appendix to G.O. No. 610, Education, dated 20th April 1945.

Sir,

Now that the war has been officially declared to have ended on 1-4-1946, the certificates to be produced by applicants for military concessions under Schedules I and II of G.O.No.610, Edn., dated 20-4-1945 require slight modifications. Thus the words "present war" occurring in the certificates have to be deleted and the words "War of 1939-45" have to be substituted. Several military personnel have been demobilised and in the certificate under Schedule I the words "who served in the defence services have to be added to suit these personnel. In the last sentence of this certificate the word 'did' has also to be included. The

P.T.O.

words "Place", "Date", and "Designation" of the Officer of the Revenue Department who issues the certificates have also to be added at the bottom of the certificates.

I request that the necessary amendments as suggested above may be made in the Certificates. Draft Certificates with the amendments are appended.

Applications for the issue of poverty certificates are now being received, from men discharged from the army on grounds other than misconduct or inefficiency, such as:

1. Discharged on account of demobilisation;

3. and discharged on their own requests on compassionate grounds.

I request early orders of Government on the following points:--

3. and whether poverty certificates under G.O. 610 Education dated 20-4-'45 may be issued to ex-army men themselves, to enable them to obtain educational concession in case they are anxious to prosecute their studies.

Sir,

With reference to Government Memo No.34799-C-1/46-2 Edn., dated 5-8-46 I have the honour to state as follows:-

In the case of the demobilised defence personnel I presume that all the records and service Registers etc relating to such demobilised persons have been transferred to or are available for references in the Office of the D.S.S.A. Boards of the districts concerned. If, as has been pointed out in the Government Memo referred to above, it is found difficult for the ex-service personnel to obtain the certificates from their respective O.C., as required in para 3 (4) of the appendix to G.O.No.610 Edn., dated 20-4-45, I recommend that such applications for the grant of educational concessions under the above G.O. may be made to the concerned heads of institutions through the Secretary of the D.S.S.A. Board of the district concerned together with the poverty certificates as required in schedules I or II as the case may be. If the above suggestion is approved an additional clause may be added

P.T.O.

to item (i) under para (4) of the G.O. in question as below:-
clause (d) In case of the certificate referred to above cannot be obtained by the Ex-service men the application may be made through the Secretary, D.S.S.A. Board of the district concerned who will certify to the correctness of the details of their Military service.

As regards the queries raised by the Collector of Madras in his letter No.C.6.5387/46, dated 23-7-46, I recommend as follows:-

(i) that the children and dependants of soldiers discharged for the reasons stated in para (1) of his letter under reference may be granted the Educational concessions provided that such soldiers have satisfied the conditions for the award of the concessions (Viz) at least six month's approved military service with liability to serve overseas and that they produce the poverty certificate as per schedule I of the G.O.No.610 Edn., dated 20-4-45. I presume that schedule II mentioned in query (1) of the Collector's letter is a mistake for schedule I.

(ii) Children and dependants of soldiers comming under the above category may be granted the concessions if after their discharge from the Military they get an income of less than Rs.200/- p.m. since the income of the soldier at the time of the award of the concessions above has to be taken into account for purposes of clause (2) under para 3 of the G.O. in question.

(iii) as the question of extending the award of the Educational concessions to the ex-service personnel (other than for post Matriculation University course) is still under the consideration of the Government the question of the issue of poverty certificates to the demoblised soldiers may be considered later.

I request that the amendments to schedules I and II as proposed in my letter R.C.No.580 W/46, dated 25-6-46 may kindly be approved. In this connection I suggest that clause (2) of rule 3 the first sentence may be amended as follows:-

Children and dependants of the ~~serving~~ personnel ~~shall not demobilised~~ Serving demobilised personnel shall not be eligible for the concessions if the pay of the soldier or officer concerned exceeds Rs.200/- a month at the time of applying for the Educational concessions.

The orders in G.O. No.610, Edn., dated 20-4-1945 sanctioning educational concessions to children and dependants of Defence Services personnel were issued when the war was in progress. Now that the war has ended and demobilisation is on, doubts have been raised whether the concessions will be continued to those who ~~were~~ have been getting them although the soldier on whose behalf the concessions have been granted is released ~~from~~ from military service. The intention of Government is that the concessions should be continued in such cases irrespective of the fact that the soldier has been demobilised, provided he has rendered six months approved service with liability to serve overseas between 3rd September, 1939 and 31st August, 1946.

The Collector of Madras has raised the question whether children and dependants of persons whose pay exceeded Rs.200/- while serving in the Army and who after discharge get less than Rs.200/- a month are eligible for the concessions. The Collector is informed that the concessions need not be granted in such cases as the criterion for the grant of the concessions is the pay drawn while in the Army. ~~He is also informed~~

A ~~modification~~ note will be added to the sub-paragraph as in the annexure.

Sub:- War - Educational concessions to the children and dependants of "soldiers".

....

From the D.P.I., ~~Be~~.No.580 W/46 dated 25-6-1946.
" the Collector of Madras, No.C-6-5387/46 dated 23-7-1946.
" the Collector of Tinnevelly, No.B/19719/46 dated 14-8-1946.
" the D.P.I., ~~Pe~~. No.2246 W.2/46 dated 22-8-1946.
" the Secretary, M.P.S.S & A Board, No.66R/5/M.P.B. dated 1-10-1945.

....

For the grant of educational concessions to children and dependants of "soldiers" the production of certain certificates are necessary. The forms of these certificates were prescribed when the war was on and demobilisation had not ~~begun~~ commenced. Now that the war has been officially declared to have ended from 1-4-1946, the D.P.I. points out that the forms of certificates require alterations to suit cases of demobilised "soldiers" also and he has submitted a draft of the amendments to be made in them. ~~According to the~~ orders issued by Government, the concessions can be granted to children and dependants of soldiers who have rendered six months' approved service with liability to serve overseas between 3-9-1939 and 31-8-1946. A demobilised soldier is eligible for the concessions if he has rendered six months' ~~approved~~ service during the period in question.

Go No: 120 Edn 17.1.46.

The existing procedure for the grant of educational concessions is laid down in para 3(4) in the ~~annexure~~ appendix to G.O. No.610, Edn., dated 20-4-1945. After release from the Defence Forces it may not be possible for a "soldier" to get a certificate from the Commanding Officer in the prescribed form. In such cases applications will have to be considered on the strength of the discharge certificate possessed by the soldier.

The D.P.I. who was asked to suggest suitable amendments in this regard ~~also~~ says that applications for grant of educational concessions in such cases may be made to the concerned heads of institutions through the D.S.S.A. Board of the District concerned together with the prescribed poverty certificates. The Secretary, Madras Provincial Sailors, Soldiers and Airmen's Board, ~~however~~, points out

hat the D.S.S. Board will not be in a position to furnish any useful information as the ~~needs~~ records of demobilised personnel will be at the Depot Centres of the men concerned and are not transferable to the D.S.S. & A. Boards. He, however, says that the men will be in possession of the discharge certificate issued to them by their Depots. In the circumstances, in the case of demobilised soldiers the concessions may be granted on the production of their discharge certificates together with the poverty certificates from the Revenue authorities.

3. Under the existing orders children and dependants of serving personnel ~~shall~~ will not be eligible for the concessions if the pay of the soldier or officer concerned exceeds Rs.200/- a month. Concessions already granted should be stopped wherever this pay limit is exceeded. Concessions which may in future be granted should likewise be stopped when the pay limit exceeds Rs.200/-

The Collector of Madras has raised the question whether the children and dependants of persons whose pay exceeded Rs.200/- while serving in the Army and who after discharge get less than Rs.200/- are eligible for the concessions. The D.P.I., considers that the concessions may be granted, if the income of the soldier is less than Rs.200/- after discharge since the income of the soldier at the time of the award of the concession has to be taken into account. There seems to be no justification to grant to a demobilised soldier a concession for which he was not eligible while he was in active service. Further, the cost of these war concessions is mounting up and it does not seem desirable to add to it. The para of the soldier while he was in the Army should be the criterion. A draft order is subd.
