Roc.1317 K2/47 dated 18-9-1947.

Sir,

Sub: HOSTEL - Women students, Presidency College, Madras
- Employment of a Resident Deputy Warden in
the scale of Assistant Lecturers.

In continuation of my letter C.No.1317-K2/47 dated 11-9-47,
I have the honour to submit for consideration of Government a propo-
sal to employ a Resident Deputy Warden in the Presidency College Women
Students' Hostel in the scale of Assistant Lecturers in place of
the full-time matron.

2. In G.O.No.Ms.634 Edn., dated 25-4-1944, sanction was
accorded to the employment of a full-time matron on Rs.35/- a
month for the hostel. Besides, one of the Professors of the College
is the Deputy Warden of the hostel for which additional work
he is paid a special pay of Rs.30/- a month. As experience has
shown that a matron is not able to exercise proper control over
nor give necessary guidance to the inmates, it is necessary to
employ a Resident Deputy Warden for the hostel. The qualifications
and pay of the Deputy Warden should be the same as for Assistant
Lecturers. I request that Government may approve the proposal and
sanction the employment of an Assistant Lecturer as Deputy Warden
of the Women students' hostel with effect from the 1st October 1947
as a special case.

3. With reference to G.O.No.1746 Edn., dated 4-8-1947 the
hostel will have to be located in the 'Retreat' from the beginning
of October 1947 after the repairs and improvements to the building
are completed. As this is an out of the way place, far away from
the College and as the present non-residential Deputy Warden will
not be in a position to exercise close supervision over the students
a responsible resident Deputy Warden is quite necessary to look
after the students and be in charge of the hostel. The proposal
in respect of this hostel may therefore be given effect to in the
current year itself without being considered as a Part II proposal
for 1948-49.

4. The financial effect of the proposal is:-
Cost in 1947-48.

1. Assistant Lecturer on Rs.125--245 for 5 months
from October 1947 to February 1948. 5 x 125. Rs.625/-
Less the pay of matron @ Rs.35/- a month 5x35. - 175/-

450/-

Ultimate cost.

1 Assistant Lecturer 125-245 - average pay Rs.185/-
less the matron's pay 12 x (185-35 = 150)

1800

The expenditure in the current year can be met from the
funds available.

I request the favour of early orders on this proposal.

Sir,
 Presidency College, Madras--Women's hostel--Employment of
 a Residential Deputy Warden.
 Reference:-My letter R.C.1317-K2/47 dated 18.9.1947. *plante*

In modification of my proposal submitted in the letter referred to above, I request that Government may kindly sanction the conversion of one of the posts of Assistant Professors for Men in the Presidency College, Madras, into that of an Assistant Professor for Women, so that the incumbent may be appointed as a Residential Deputy Warden for the women's Hostel. There are at present no women members in the higher category of teaching staff in the Presidency college and in view of the large number of students in the hostel, I consider that a woman Assistant Professor is essential on the staff to supervise and control the women students. The Women Assistant professor who will be the Residential Deputy Warden will be allowed free quarters in the hostel and also be paid an allowance of Rs. 15/- per mensem.
