He may be allowed this time. I am not quite sure whether a Deputy Director ^{can} continue to go for these purposes. It is, I think, bound to affect his work in the long run. That may be pointed out to the notice of the Director. But, in the present case, it may be allowed.

Please see the minute of H.M. (Edn) on the previous page. A draft Do to the D.P.S. is subd.

These University Commissioners are appointed by the Syndicate. Generally the Syndicate appoints only specialists in certain subjects as members of these commissions and the occasions on which such commissions are appointed are very few. If the Govt. don't co-operate with the University there is every chance of the University non-cooperating with Govt.

Recently the University wanted that certain addl staff should be employed in Govt. colleges. ^{before} 15.8.47. The Govt. also promised to do it as soon as possible. It has not been possible to sanction the addl staff so far. If Govt. stand on principles there is every chance ^{richly} of the University ^{also doing the same and} creating trouble.

In the above circumstances it is for consideration whether the Do should be issued.

This has nothing to do with the sanction of addl staff. No draft may come
