Dear Mr. Subramanian,

A The papers in the file relate only to the constitution of a Committee to enquire into and find out the reasons for the low level of efficiency in the secondary schools in Andhra districts. His Excellency would like to know whether any other Committee has been formed to go into the question of detentions in High Schools and Colleges, and also whether the Government have issued any instructions or directions on the subject?

Yours sincerely,

There is a lot of complaint in many of our schools that there are not enough number of teachers. I find in Andhra that many schools are getting on without sufficient no. of teachers and one of the reasons for indiscipline is the lack of teachers. To avoid so much rush in schools, following suggestion may be considered. I am thinking in the following way:

Let the boys go through these courses and after the course in the VI Form, we can allow all of them to appear for the examinations but once they appear for the examinations, they will not be readmitted again into the schools. Now, in every school, we are admitting supplementary students which costs ^{in almost every school} some schools one division or more. If we adopt the system of allowing all people to appear for examinations and after that not admitting into schools

2.

for supplementary courses, those boys, who fail, may arrange some Tutorial Schools or other ~~wise~~ ways and to that extent space will be saved. The matter may be examined and put up. I would like to have this matter put up to me within the next 2 weeks so that it may be decided earlier.

19.9.47

(Issued as u.o.No.74457 G3/47-1 Edn. dated 19.9.47)
From the D.P.I. U.O.No.2362 E/47 dated 26.9.47.

Please see the remarks of the D.P.I. on pp.3-4 c.f.

The D.P.I. reports that in accordance with the instructions issued in G.O.No.1322 Edn. dated 24.6.47, he has already instructed all the Head-masters of Schools through the Inspecting Officers that they should, as far as possible, be strict in promoting pupils, so that large numbers of them need not be detained at the selection examination in the VI Form. He also considers that any further changes restricting the discretion of Head masters is not desirable. The D.P.I. is not apparently in favour of allowing all students to appear for the Public Examination. He has not also offered any remarks specifically on the suggestion regarding the re-

admission of supplementary students into schools. It may be mentioned in this connection that a committee has been recently constituted to go into the question of improving the standard of education in secondary schools in Telugu districts of Vizag, West and East Godavari, Kistna, Guntur and Nellore vide G.O.No.2066 Edn. dated 26.9.47. The file may be circulated to H.M.(Edn.) for orders - with reference to his minutes on pp.1-2 ante.

The suggestions of H.M.(Edn.) are:

The suggestions of H.M.(Edn.) are:--

(1) to allow all the Sixth Form Students after the completion of the course to appear for the S.S.L.C. Examination without any detention.

(2) not to admit again any of the failed S.S.L.C. Students in the school as supplementary students.

ITEM (1) ABOVE. The Director objects to further relaxation in the matter of detentions with reference to the orders in G.O. 1322, Edn., dated 24-6-47. The orders in G.O. ¹³²² are to the effect that detentions ⁱⁿ and selection examinations, where they are found necessary, should not ordinarily exceed 15% and that Headmasters should be instructed to be strict, as far as possible, in promoting pupils so that large numbers of them need not be detained at the selection examination in the VI Form. ^{After} the latter portion of the order is strictly enforced there will ^{hardly} be any necessity for any detention in the VI Form and the adoption of H.M.(Edn.) ^{the suggestion} in item (1) above will not ~~then~~ be open to any serious objection.

ITEM (2) ABOVE. The D.P.I. has not offered any remark on this point. For orders whether the specific remarks of the D.P.I. should be called for again. The proposal is laudable from the point of view of finance ^{and} in view of the education of the younger generation but it may cause inconvenience to the ^{presently} students ^{at the} to start with at least.

^{hr} ^{6/10/47} S 'A' above - 9.
Would this be necessary to see that the pupil has made sufficient progress ~~has been made by~~ during the year so as to deserve being set up.
And there would still be the aspect that discipline will be affected if all students were automatically to be set up. I therefore agree with the D.P.I. that we should not go further than what has been ordered already.

(B) Even now the ~~Headmaster~~ ^{Headmaster} has discretion in the matter of admission of 'supplementary' pupils. I think we may leave it as that, & need not link up the question with the other question.

^{hr} ^{7/10/47} M.(Edn.)

Last year, we fixed 15% and also directed that they must be strict in the matter of promotion in the lower classes. But, now that we have issued that instruction, the limit of detentions in selection examinations may be reduced to 10%. Further direction may be given as suggested that Head-Masters must see that strictness is observed in promotion from class to class and the minimum number of students may be detained in the selection examinations.
