Copy of letter from Sri M.S.Parthasarathy, dated 17-9-47.

I beg to bring the few following facts for your kind consideration and favourable orders.

As per your above reference I have been selected to undergo training in Basic Education at Wardha.

I was recently (July 47) operated upon for an abscess due to enlargement of glands on my thigh and consequently was on medical leave for 3 weeks. I have not completely recovered yet. I am still very weak and am unable to do any hard work and Manual labour. My doctor also advises me not to risk my life in any hard manual labour and work.

As such I request you to kindly excuse me from going to Wardha this year, as my health will not permit me to undergo such a difficult course which requires more of manual labour and hard work of training, at present.

I beg to be excused.
