Respected Sir,

I wish to bring the following few lines
to your favourable consideration and order.

I am not able to entertain my
examination fees to the Government Treas-
ury in time on the 15th October as I ^{were put up} ~~am coming~~
from in Jhinwammigwa village belonging
to Chenglepet District which is more than
10 miles from Madras city. I approached the
Secretary to the Board of Secondary Education
on 16th Oct and was instructed to get
permission of the Secretary to the Education
Department.

So I request you to consider my
case favourably and permit me to pay my
examination fees (S.S.L.C) now.

With Apologies for troubling you and thank
you in anticipation. Yours faithfully,
P. S. Srinivasam

There seems to be no serious objection
to grant the permission asked for. But this will
be an unprecedented precedent. Any release will
be up to a specified date which may be ^{better} advantage
for all students similarly situated. I understand for the Secy C. G. E.
there are about 20 or 30 cases similar to this.
