Commissioner.

Certified that the provision made in the Budget in regard to staff and equipment is based in the actual requirement of each school with reference to the recommendation of the Inspecting Officers. As for accommodation in respect of the following schools the Council has already taken up on hand the acquisition of reconstruction of the school houses to the design approved by the District Educational Officer with the very kind donation of local philanthropists. The accommodation problem will be solved when the schools move to new buildings.

I submit that a sum of Rs. 960/- has been provided in the
Revised Estimate of the Elementary Education Fund ~~accounts~~ of this
Council for 1946-47 towards payment of arrears of Dearness -
allowance to the Elementary Education Staff. This sum has been
included in the provision of Rs. 6,750/- under "Dearness allowance"
in the Revised Estimate for 1946-47.

Extract of the notes of the A. Dept. from the
file re: to go. fund budget of the Tel. D. Tiruvarur.
Extracts of para 5 (ii) on p 3 n.f. para 13 on p 4 n.f.
para 1 of the typed note on p 6 n.f. para 2 on pp. 6-7 n.f. and
para 3 on p. 7 n.f.

Elementary Education Fund: Provision is made for the usual contribution of Rs. 4220 from the General Account to the Ele. Edn. fund for each of the two years 1946-47 and 1947-48. The provision made seems sufficient and may be allowed to stand pending the issue of orders on the Ele. Edn. budget for 1947-8. As it is, the E.E. account closes with a balance of Rs. 1340 in 1946-47. 1947-48.

Arrears of dearness allowance: The R.E. for 1946-47 contains provision for the payment of arrears of dearness allowance to all staff. The Commissioner has since reported that the arrears of dearness allowance to all staff has been paid.

1. Revised with reference to paras 3 and 4 of pp. 1 and 2 above, the R.E. of the Tiruvarur Ml. Cl. for 1946-47 under the General Account, Ordinary closes with a deficit of Rs. 16,989 while the prescribed minimum balance is Rs. 7,778. The Cl. may be permitted to adjust to its General Account the entire arrear toll compensation of Rs. 19,502 sanctioned in the current year, so as that it may avoid the deficit of Rs. 16,989 and secure a working balance of Rs. 2,513.

2. Revised with reference to paras 2, 4 and 5 on pp. 1 and 2 above, the B.E. of the Ml. Cl. under the General Account-Ordinary closes with a deficit of Rs. 3,458, as against the prescribed minimum balance of Rs. 7,466. Here again, the Cl. may be permitted to adjust to its General Account Rs. 10,924 out of the arrear toll compensation of Rs. 19,502 that may be sanctioned next year, so that it may avoid the deficit and secure the prescribed minimum balance. As regards the utilisation of the balance in the toll compensation grant, it may first be ascertained whether any portion of it will be required for the Ely. Education account.

3. On the basis of the budget for 1947-48, the ordinary receipts of the Cl. exceed the ordinary expenditure by Rs. 4,029. The position will further improve, if, as decided in circulation, the rate of scavenging tax is raised by $\frac{1}{2}\%$ per half year, as in the case of all other ml. cls. with effect from 1-4-47. The rate of property tax in this mlt. is 15% per annum excluding the 2% levied for water and drainage purposes. This mlt. has neither pipe water supply nor a scientific system of drainage. For a mlt. of this type the rate 15% per annum is considered the maximum. If the rate of scavenging tax is raised as stated above, the maximum will be exceeded by 1%. There is no need to raise the other components of the property tax for the present.

The Government Training School for Masters, Bellary, has at present secondary and Higher Elementary Training Departments. The Model Section attached to it has only standards I to V. The pupil teachers of the Secondary grade training sections are obliged to go to the Municipal High School, Bellary which is four furlongs away for practice teaching, as there is no higher elementary or secondary school in the vicinity of the Training school. Further the problem of securing admission to forms I and upwards has become increasingly difficult on account of the great rush for admissions, and the pupils who fail to get admission in secondary schools can join standard VI and continue their education upto the higher standard. The Director of Public Instruction, therefore, recommends the opening of standard VI in 1947-48 and standards VII and VIII in subsequent years in the model section attached to the Government Training School for Masters, Bellary. The proposal involves the ultimate employment of three secondary grade teachers and the extra cost will be Rs. 2168 per annum recurring and Rs. 500 non-recurring.

This department accepts the proposal of the Director and recommends that provision may be made in the budget estimate for 1947-48 as indicated in the summary at the top.

The proposal has been approved by Hon'ble Minister (Education) and H.P.M.. It was not possible to include this scheme in the original list of Part II schemes as the file was received back from the Hon'ble Prime Minister only on 4-1-1947.
