B 3 4063/44 dated 11th March 1947.

Sir,

Sub: BUILDINGS - Old Adidraida School-Villupuram Municipality - Handing over of the Building to the Municipality and waiver of Government Grant - Requested.

When the town was constituted into a municipality in the year 1919 the Old Travellers' Bungalow and compound comprising R.S.No.351 was taken charge from the Taluk Board, Tindivanam which was then in possession of the Building with its appurtenance thereto. The Old Travellers' Bungalow with its outhouses was utilised for locating a portion of the High School till a pucca building was constructed for it.

2. Originally the Municipal Adi-Draida School was located in a shed in the Adhi-draida street. In the year 1927 a small building was constructed on the south western corner of the Old Travellers' Bungalow compound for locating the Adi-draida Boys School at a cost of Rs.1,016-3-0 after obtaining a Government Grant of Rs.415/- under the belief that old Traveller's Bungalow with its appurtenance handed over by the Taluk Board to the municipality., belonged to the municipality by virtue of such transfer. The grant for the building was sanctioned by the Government in their Orders 895 L.(Education)dated 10-5-1927 and 1954 Law & Education, dated 2-10-1928.

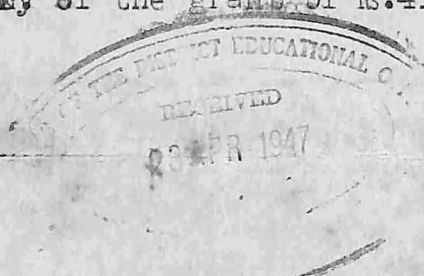

3. When the construction of the present Municipal High School Building was finished the Old Travellers' Bungalow was utilized for locating the Adi-draida School as accomodation in the one constructed with the aid of the government Grant was found to be inadequate.

4. Later on a pucca building was constructed on the eastern side of the Old Traveller's Bungalow for locating the Adi-draida School at a cost of more than Rs.3,500/- as the Old Travellers' Bungalow building had to be dismantled for the reason that it became unfit for human habitation. At that stage, the small building in the south west corner became superfluous and was vacant. It was, therefore, let out to outsiders on varying monthly rents and the open space between the Old Adidraida School and the newly constructed Boys School was let out for Cinema purposes on a monthly rent of Rs.60/-. The state of affairs continued till 18-11-41 when the Collector of South Arcot refused to recognise the ownership of the Council over the entire compound in his proceedings No.10054/41 dated 18-11-41. Then the council applied for alienation of the entire compound i.e. eastern portion for the Boys School, middle portion, for a park and the western portion for the formation of a road connecting the Trunk road at the Northern Railway level crossing. The portion for the Boys School was alienated. The middle portion and the western portion have not yet been alienated. On 30-6-1943, the Tahsildar of Villupuram in obedience to the collector's letter cited above took charge of the Old Adi-draida School Building belonging to the Municipality and situated on the western portion from the tenant who was paying rent to the Municipality.

P. T. O.

5. It will be seen from the above that the Building was constructed by the Municipality partly out of Municipal funds and partly out of Government Grant. Since a pucca school building was constructed at a cost more than Rs.3,500/- from the Municipal funds for locating the school., I request that the Government may be pleased to waive the recovery of the Grant of Rs.415/- given to this municipality for the construction of the Old Adi-dravida School Building and instruct the Revenue Department to hand over the building to the Municipality. A copy of the Council's resolution No.250 dated 12-11-1945 requesting the Government to waive the recovery of the grant of Rs.415/- is also submitted ~~xx~~ herewith.

Sir,

In resubmitting herewith the letter B.3.No.4063/44 dated 11th March 1947, referred to me for remarks with Government Endorsement No.21003 C.1/47-1 Education, dated 19th March 1947, I have the honour to state that the purpose for which the grant of Rs.415/- was sanctioned to the Municipality (viz) the location of the Adi Dravida School in a building belonging to the Municipality is satisfied, though the school is now held in another building constructed at a greater cost from Municipal Funds. I have therefore no objection to the waiver of the recovery of this grant.

BUILDINGS = Old Adi Dravida School = Municipal Boys School, Villupuram = Handing over the building to the Municipality and the waiver of Government grant:

REF:- Your RC.No.6664-C.1/47 dated 28th May 1947.

The old Adi Dravida School building was constructed at a cost of Rs.1016--3--0 partly from the Municipal Funds and partly from the Government grant of Rs.415/- sanctioned in G.O.Nos.895 Law Education, dated 10th May 1927 and 1954 Law Education, dated 2nd October 1928. Later on a pucca building was constructed by the Municipality at a cost of Rs.3,500/- entirely from its ~~own~~ funds and the school was shifted to this building, as the building was found to be inadequate. As the purpose for which the grants were sanctioned has been fulfilled by the location of the school in another building built at a greater cost, I do not see any objection to the request of the Municipal Council being complied with.

2. The question of handing over the building to the Municipality will be taken up after the question of waiver of the recovery of the Government grant is decided by the Government.
