No. Office Sty./68/Pd.

Dated: 12th September 1947.

Sir,

I have the honour to state that a system has been introduced in the Machine Department by which the Outturn of each machine recorded has to be in pencil daily by the Deputy Overseer on the cards introduced for the purpose. The entry in the cards is posted in the ledger by the clerk in charge of the machine rooms. When the posting in the ledger is completed the cards are returned for re-use in the machine department as a measure of economy after erasing the original pencil entries. For this purpose one dozen pencil erasers and half a dozen blacklead pencils are required annually. I therefore request that sanction may be accorded for their supply.

L.S. 2/9/47.
