Sub:- Secondary Education-District Board High School-Post of Physical Director-creation-suggestions-requested

Retransmitted to the District Educational Officer, Ramnad at Madura, through the Divisional Inspector of Schools, Madura.

2. The school was inspected last on 27-6-47 and visited by me on 30-7-47

3. This is a complete High School having over 750 boys and over 75 girls on rolls and warrants the provision of 3 Physical Education teachers (men) of whom one should be a University Graduate with a Diploma in Physical Education and one woman teacher in Physical Education.

There is at present only one physical Education Teacher qualified and capable. But he is heavily over-worked for want of hands. Hence the school is strongly advised to provide for:

- (1) One Physical Director (2) One Physical Instructor (Higher Grade)
- (3) One Instructress in Physical Education (Higher grade)

4. The school has fairly good facilities of play-grounds and equipment and the present Headmaster and staff are doing their best under the circumstances and the programmes are good but for the existing Physical Education teacher being over-worked. Hence the provision of additional staff may relieve the teacher as well as maintain the efficiency of the Institution.

5. To start with, however, a Physical Director and a woman teacher in Physical Education may be provided at an early date at the first instance.

Regional Inspector of Physical Education
Madura Division, Madura.
