Roc. No. 149 A2/175 dated 6th October 1947.

Sir,

Sub:- Schools - Government Basic Training School, Palayad - Supply of Cycle - Sanction requested.

10471

The Government Basic Training School, Palayad is situated at a distance of four miles from Tellicherry. Palayad is an interior place with no good market, with no telegraphic communication or public conveyance connection. It is therefore necessary to go to Tellicherry often in connection with the school and hostel affairs. In cases where urgent medical aid is needed, it has also to be sought from Tellicherry. In the circumstances a cycle is necessary for the use of the school and I therefore request that Government may kindly sanction the supply of a cycle to the Government Basic Training School, Palayad at a cost not exceeding Rs.250/- (Rupees Two hundred and fifty only).

2. The expenditure on this account will be met by reappropriation.
