Sir,

Ref: G.O.No. Ms. 782 Edn., dated 10-4-1946 approving my
proposal for the deputation of Deputy Inspectors of
Schools for training course in prevocational instruc-
tion in the Teachers' College, Saidapet.

Owing to the starting of the emergency training course and
the deputation of teachers to Wardha for training in Basic Education
there is a great dearth of officers at present. I therefore find it
impossible to release twenty Deputy Inspectors of schools now to
undergo Special Training at Saidapet. In the above circumstances, I
suggest that the proposal may be given effect to in 1947-48.

		28,500	20,080

in the Teachers' College, Saidapet

A scheme of training in prevocational subjects, for a period of four months, of 40 Dy.Insprs. of Schools, in batches of 20^{each}, proposed by the D.P.I. last year, was considered in connection with the Part II of the Budget for 1946-7 and sanctioned. The object of the scheme was to ensure effective supervision of the work done in schools in Manual Training and pre-vocational instruction. While under^{going} the training in question, the Dy.Insprs. were also reqd. to complete a course in physical edn. at the YMCA College of Physical Edn., Saidapet, by attending classes there in mornings and evenings, ^{without extra cost to Govt.} The D.P.I. has now reported that owing to the present dearth of officers, consequent on the starting of the "emergency" course to train a large no. of secy. grade teachers and the deputation of teachers to Wardha for training in basic education, he finds it difficult to release

20 Dy.Insprs. to undergo the pre-vocational trg. at Saidapet.

He has ^{therefore} ~~accordingly~~ renewed the ^{scheme} ~~proposal~~ for being given effect to in 1947-8. This Dept. supports the proposal as renewed and recommends that provision as indicated in the summary at the top be made in the Annual Estimate of Expenditure for 1947-8.

Education and Public Health Department,
MADRAS.

Sir,

Sub: Prescription of M.T. etc - as subjects of teachers' training and recruitment as Deputy Inspectors of Candidates with that training.

Ref: Government Memo No. 61437-7Edn, dated 12.2.47.

With reference to para (1) of the Government Memo No. 61437-A.5 Edn, dated 12.2.47, I have the honour to state that it is not possible to include a satisfactory Manual Training Course as part of the B.T. course for the reasons stated below.

(i) Manual Training should be prescribed as one of the Special subjects for the B.T. course and the students will have to take this subject along with another subject for Specialisation. The subject can be prescribed only with the consent of the University.

(ii) If Manual Training is prescribed as one of the Special subjects for the B.T. course the trained would get 13 periods or hours per week for Manual Training subjects as in the case of other subjects. This will roughly works out to 60 days training during the entire B.T. course, assuming that a days work in the College, consists of 5 hours. In fact even my original proposal to give 4 months full time training to Deputy Inspectors was not considered sufficient to make them good teachers in Manual Training subjects, but was considered only just sufficient training to supervise the Manual Training work done in the schools which they inspect. Hence a 60 days course in the B.T. should be regarded as still more inadequate for the purpose.

(iii) The Number of B.Ts. who may choose this optional may not be appreciable and out of this small number, the number of candidates that may be entertained as Deputy Inspectors every year would be far less.

(iv) The present need of equipping the Deputy Inspectors with Manual Training qualifications will not be adequately met within a reasonable time by prescribing this subject as part of the B.T. course.

2) I shall submit my reply to para 2 of the Government Memo cited above separately.

For Director of Public Instruction.

Enclosures: R.C. No. 11372-B.2/46 dated 29-5-1947.

Sir,

Sub: Prescription of manual training qualification
as a test for Deputy Inspectors of Schools

With reference to para 2 of the Government Memo. No. 61437-A.5 Edn dated 12-2-1947, and in continuation of my letter to Government R.C. No. 11372-B.2/46 dated 8-5-47, I have the honour to state that a candidate should possess the minimum qualification viz. B.A., B.T. for appointment as Deputy Inspector of Schools. After appointment, he has to pass the Deputy Inspectors' Test, the Accountant Test for subordinate officers, Part I, and the Special Language Test for officers of the Education Department (Higher Standard). With all these high qualifications, he is at present given a comparatively lower scale of pay than that applicable to officers of similar rank in other Departments with, perhaps, lesser qualifications. It cannot also be said that he is doing less arduous and responsible work than officers of other Departments. All things considered, I feel that it seems unfair to expect the Deputy Inspectors to undergo further tests without any

material

material advantage arising therefrom to them.

2. Apart from that the scheme of training Deputy Inspectors at the Teachers' College, Saidapet, in prevocational subjects etc. is now in the experimental stage. The usefulness of this scheme needs to be watched first for at least a period of three years. Also at present, there is a great dearth of qualified persons. Above all, unless adequate provision is made for giving Deputy Inspectors training, no rule can be framed prescribing it as a test; Further one training centre will not be enough. In these circumstances, I consider that the question of prescribing the manual training qualification as a test for Deputy inspectors of schools may be held over until the year 1950.

From (Name) DR. S.R.U. SAVOOR, M.A., D.Sc., I.E.S.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION, MADRAS

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

REF:- Government Memorandum No. 61437-7 Edn., dated the 22nd April 1947.

In their Memorandum referred to above, Government were pleased to approve the Director's proposal that the orders issued in G.O. No. 782, Education, dated the 10th April 1946 sanctioning the scheme of training of Deputy Inspectors of Schools at the Teachers' College, Saidapet, in prevocational subjects might be given effect to in the year 1947--48. I now find that it will not be possible to depute twenty Deputy Inspectors of Schools for the purpose,

12

= 2 =

for want of experienced men to fill their posts.

Twelve officers of the combined cadre of Deputy Inspectors and School Assistants have to be deputed to Wardha shortly for training in Basic Education. Another batch of 50 Assistants working in training schools has to be deputed for training at Periyanaickenpalayam and Vinayasramam. The work of assessment of teaching grants to elementary schools, which are to be paid grants monthly, will be very much handicapped if twenty experienced Deputy Inspectors are deputed for this training this year.

Moreover, the post of Adviser to Government on Manual Training in the Teachers' College, Saidapet, has not yet been filled and it is desirable to postpone the training of Deputy Inspectors there for some time more. In these circumstances I request that the Government may be pleased to order the postponement of the scheme.

To the D.P.I. A.C.

2. Under the Special Training Scheme, it was expected to train about 400 Deputy Inspectors in 10 years; The proposal involved the training in batches for a period of 10 years. It was suggested that it would be more economical to prescribe the subject as a part of the training of teachers in the Teachers' College and to recruit only qualified candidates as Deputy Inspectors, as this would obviate the necessity for their periodical training at Government cost.

3. The Director agreed to the suggestion and stated that he would examine the question further and in the meanwhile, he proposed that 40 Deputy Inspectors might be given training in Manual training in two batches in 1946-7.

4. The proposal was ~~thus~~ treated as Part II Scheme for 1946-7 and it was sanctioned in No 782 Edn. dated 10-4-46; it could not, ~~however~~ have been given effect to in 1946-7--vide D.P.I's letter in C.F. The Director of Public Instruction proposes now to renew it; ~~it is already stated,~~ but the proposal has to be treated as a Part II Scheme for 1947-8--vide para 1 above.

5. E & P.H. are presumably satisfied that the scheme satisfies the criterion in Fin. U.O. Note no. 54303 BG-1 dated 9-10-46 viz that it is essential for the proper running of the administration. This department need not object to the proposal going forward as Part II Scheme for 1947-8. E & P.H. will no doubt take orders in circulation ~~by~~ ^{including} H.P.M.

6. With the above remarks the case may be returned to E & P.H. That Department may ~~be requested to~~ prepare the necessary Part II Scheme ~~etc.~~ ^{note} taking ~~etc.~~ after ~~necessary~~ orders in circulation.

From the D.P.I., No. 11372-B2/46, dated 29-5-47, and No. 4060-C4/46, d/- 13-6-47.

The proposal in this file - sanction for which was accorded last year and was renewed this year for the reason that it was not utilised last year for want of suitable candidates - is this: 40 Dy. Insprs. of Schools - in two batches - be given training for 4 months at the Teachers' College, Saidapet, in prevocational subjects - so that they can, in the course of their duties, keep an eye on the vocational side of education imparted in ele. schools. Now again, the Dir. says that, for the same reason as at "A" above, it would not be possible ~~for~~ this year also to depute 20 officers for the training and requests that the scheme may be ~~postponed~~ ^{deferred}. For the reasons expld. at C.F. 11-12, the scheme may be deferred and the Dir. may be asked to move Govt. for fresh sanction, in due course, in connection with the preparation of Part II of the budget of that year ~~he wishes wants~~ during which the scheme to be implemented.

The suggestion that it would be more economical if, instead of continuing the scheme, 'manual training' was prescribed as part of the graduate-teacher's training and if only such of those candidates as had undergone that training were recruited as Dy. Insprs., was put to the D.P.I. His remarks on this suggestion are at C.F. 12 of "J". He considered it sound and promised a further report after fully examining the point whether the trg. should be taken along with the teachers' training or whether it should be an additional test to be passed by the Dy. Insprs.

W.r.t. the former Revenue Minister's minutes at p.3 ante, the Dir. was reminded for the report. He has now stated that it is not possible to include a satisfactory manual training course as part of the B.T. training. Re: the question whether manual ~~training~~ ^{training} qualfn. shd. not be prescribed as an additional test for the officers, he considers that it should be held over until 1950. In view of the circs. expld. at pp.8 and 9-10 C.F., what the Dir. says may be accepted, and the matter left to be reviewed at the time of renewing the sanction for the scheme.

Finance may see before circn.

This may be deferred for the present till our
reorganisation schemes are completed. The training

that we have to give to the Deputy Inspectors, with
large
to a large extent, depends upon the course of our
reorganisation schemes.
