Department.

Sir,

InG.O. No. MS. 587 Education dated 9-3-1938, Govern-
ment sanctioned the creation of the Post of a Junior Deputy
Inspector of Schools, for the Madras city and it has been
attached to the Deputy Inspector of Schools, South Madras
Range. It was ordered that in addition to the pay admissible
to the Junior Deputy Inspector, he will draw a Presidency
allowance of Rs.6-8-0 and a cycle allowance of Rs.3 p.m.
InG.O. No. Ms. 218 Edn., dated 1-2-1946, Government authorised
me to sanction ~~Rs.4/-~~ a conveyance allowance ^{not exceeding} of Rs.4/-p.m.
to the Junior Deputy Inspector in lieu of the cycle allowance
as the Junior Deputy Inspector does not possess a cycle.

Now the Junior Deputy Inspector reports that his
inspection work is spread throughout the city and that his
jurisdiction is double that of any other of the Senior Deputy
Inspector of Schools in the city and requests that he may
be sanctioned the same conveyance of Rs.25/- p.m. as is
sanctioned to the Senior Deputy Inspectors in the City. In
this connection it may be stated that the schools to be
inspected by the Junior Deputy Inspector are spread all over

the city.....

city and consequently he has to tour on many occasions from one end of the city to the other. He has a wider jurisdiction than either of the Senior Deputy Inspectors in the city and has to inspect 82 schools situated in both the ranges and visit 200 and odd schools. The number of miles to be covered ~~him~~ by him on an average will be 12 per day. Thus with the present allowance of Rs.4/-p.m it is hardly enough for him to meet the conveyance charges in connexion with his inspection work. Since the Senior Deputy Inspector's of Schools and the Sub-Assistant Inspectress, Madras Girls' Range are drawing Rs.25/- and Rs.31/- p.m. as fixed conveyance allowances respectively, and since the supervisors of schools of the Corporation of Madras who have to inspect schools in a limited area have been granted a fixed conveyance allowance of Rs.10/- p.m. in lieu of the Cycle allowance- Vide G.O. No. Ms.1727 Edn dated 7-11-1941, the request of the Junior Deputy Inspector for increasing the conveyance allowance is reasonable. I have, therefore, the honour to request that Government may be pleased to sanction a fixed conveyance allowance of Rs.15/- p.m. in lieu of the cycle allowance and the conveyance allowance sanctioned in G.Os.Nos.Ms.587 Edn., dated 9-3-1938 and Ms.218 Edn., dated 1-2-1946 respectively. I consider that this allowance will be enough to meet his expenditure on conveyance in connexion with his inspection work.

I have the honour to be,
Sir,
Your most obedient servant,

Mr. Bauman

INSPECTION - Jr. Dy. Insp. of Schools, Madras S. Range -
Increase in rate of conveyance allce. - Sanctd.

Read:- G.O.No.587-Edn., dated 9-3-38.
" 218 " 1-2-46
From the D.P.I., No.4277-F1/46, dated 1-10-46.

G.O.(MS.) No. 23 Edn., dated 7.1.1947

The Govt. sanction the grant of a conveyance allowance not exceeding Rs.15 p.m. (~~including~~ inclusive of the 25% war-time increase) to the Jr.Dy.Inspr. of Schools, Madras S.Range, the allce. being limited to expenses actually incurred. The allce. will be in lieu of the conveyance allowance of Rs.4 authorised in the G.O. second read above.

G.No. 59323. From the D.P.I., No. 4277-F/46, dated 1-10-46.

Grant of increased conveyance allow. to the Jr. Dy. Inspr., Madras South Range.

In the circs. stated by the D.P.I. in his letter in the C.F., the need for increasing ^{5/15} the rate of conveyance allowance of Rs. 4 paid to the Jr. Dy. Inspr. of Schools, South Madras Range, may be admitted by this Dept. ~~But the amount to which it shd. be increased may be Rs. 10 (the allow. now granted to Corporation Supervisors of Schools), instead of Rs. 15 recommended by the Dir. The file may be sent to Fin. for remarks.~~

Guidance 21.

The D.P.I. requests Govt to sanction a fixed conveyance allowance of Rs 15 p.m. to the junior deputy inspector of schools for the Madras city attached to the Dy Inspector of Schools Madras South, in lieu of the conveyance allowance sanctioned in G.O 218 Eon dated 1.2.46. The E.P.H. Dept recommend the proposal.

2/ It is stated that the schools to be inspected by the junior deputy inspector are spread all over the city and consequently he has to tour on many occasions from one end of the city to the other and that he has a wider jurisdiction than either of the senior Dy Inspectors in the range.

It may be stated in this connection, that while sanctioning the post of a junior Dy Inspector for Madras city, a cycle allowance of Rs 3 p.m was attached to the post. In his letter dated 27.12.45, the D.P.I. stated that the incumbent of the post had reported his inability to buy

cycle. in view of ~~difficult~~ ^{experienced in} difficulties, getting out a good cycle and their high prices. In view of this the Govt sanctioned a conveyance allowance of Rs 4 p.m. in lieu of cycle allowance, the allowance being limited to actual expenses. As the war is now over, cycles are likely to be available at controlled prices and facilities for cycling ~~exists in the city~~. The Junior Dy Inspector can well afford to purchase a cycle for his use for which he has already been granted a conveyance allowance of Rs 4 p.m. ^{This will} ~~and thus~~ obviate the necessity for granting him a fixed conveyance allowance of Rs 15 p.m. In the circumstances, this Dept may advise against the proposal.

It may be that a good bicycle at controlled price can be secured by the Jr.Dy.Inspr. (if he takes necy. steps in that direction). But the case does not entirely rest on that. He has a wider jurisdiction than either of the Sr.Dy.Insprs. of Schools in Madras. It is reported that on many occasions he has to tour from one end of the City to the other. This would mean a fairly long distance, to cover which on bicycle it is almost impossible for a ministerial servant - more so in these days of heavy ~~traffic~~ traffic when there is greater personal risk. The Former D.S., Fin., remarked at "k"/4 that the Dy.Inspr. would presumably have to spend some amount each day on bus and tram charges and Rs.4 meant about As.2 per day. This As.2 is really a small amount compared with the increased rates of fare for conveyance. To mete out a differential treatment than that accorded to the Corpn. Supervisors of Schools, whose jurisdiction extends to a limited area, there is no logical reason. When the Sr.Dy. gets Rs.25, there is a strong case for allowing ^{Rs.} 15 to the Jr.Dy., giving consideration to the question of 'status'. Fin. may kindly see again for remarks.

Finance 2

Previous Finance note on pp1-2 above, and the notes following may be perused.

In the circumstances now stated by E & P.H. on page 2 above, it is for consideration whether this department may agree to the grant of a conveyance allowance of Rs 15 p.m. ^(including the 25 p.m. time allowance) to the Jr. Dy Inspector of Schools Madras South in lieu of the conveyance allowance sanctioned in C.O 218 Edn dated 1.2.46. If so, the allowance may be limited to actual expenses, subject to a maximum of Rs 15 p.m.
