Training for students - Service in the

In enclosing herewith a copy of letter No.C.I.T.No.
255/47 dated 5-5-47 from the Chairman, Madras City Improvement
Trust, Madras. I have the honour to recommend that Service in
the Madras City Improvement Trust may be accepted in view of

Copy of letter C.I.T.No.255/47, dated 5-6-47 from the Chairman,
Madras City Improvement Trust, Madras.

Sub: Apprenticeship - Licenziates in Engineering.

I have the honour to forward herewith applications from my
technical Engineering staff, who have recently taken up appointments
under this Trust and to state as follows:

2. The Madras City Improvement Trust has been constituted under
the Madras Act No.XVI of 1945 (Madras City Improvement Trust Act) and
started functioning a few months ago. Its functions are somewhat similar
to that of the Corporation and it has to handle Road Construction, Water-
supply, Drainage and Building construction in a very large way.

3. This Institution, being of recent origin, does not naturally
find a place in the recognised institutions, where service put in by
Licenziates and Diploma holders in Engineering would be recognised
as satisfactory experience (after they have passed the Diploma exami-
nation) for the grant of the Diploma.

4. The Trust is a Quasi-Government body, and, as I have already
stated, the work done by Licenziates and Engineers is in no way inferior
to that done in the P.W.D. or the Corporation of Madras.

I therefore, request that you will be so good as to have the Trust
included in the list of recognised Institutions, and let me hear.
