Proceedings of the Director of Public Instruction, Madras.

Director of Public Instruction, Madras.

R.O.P. No. 78-B3/46.47 Dated 15th December, 1946.  
Subject.

Elementary Education Fund--Budget Estimate for 1947-1948--  
Municipal Council, Bodinayakanur.  
Submitted.

The budget has been explained by the Commission in his  
note to the council.

## 5. Revised Estimate for 1946-47:

Expenditure under 'Ordinary' is in excess of the  
sanctioned budget. Sanction of Government is necessary for the  
increased expenditure.

4. The Revised Estimate closes with a deficit of Rs. 5,705/-.  
To avoid the deficit the council may perhaps be asked to adjust  
a sum of Rs. 5,705/- from the arrear toll compensation sanctioned  
to it in G.O. No. 892-L.A. dated 11.5.1946.

## 5. Budget Estimate for 1947-48:

The credit taken for Government grant under Section  
37 of the Madras Elementary Education Act is liable to revision  
with reference to the actual amount of education tax realised  
and adjusted to the fund during 1946-47.

6. Accommodation in three boys' schools is inadequate. The  
accommodation provided for the girls' school is inadequate and  
unsuitable. The council should find ways and means to rectify  
these defects as early as possible.

7. Staff in all the boys' schools is inadequate. An additional  
Secondary grade teacher for standards VI and VII for the girls'  
school is in urgent need.

8. All the schools under the Municipality are in need of  
additional equipment. The provision made under "equipment" may  
therefore be raised.

9. Leave salary and dearness allowance are paid.

For Director of Public Instruction.

The Secretary to the Government of Madras,  
Education and Public Health Department,  
Fort St. George, Madras.

COMMISSIONER

FORWARDED,

VICE CHAIRMAN IN CHARGE.

NOTE TO THE COUNCIL.

Sub:- BUDGET - Revised Estimate for 1946-47 and Budget Estimate for 1947-48 - Elementary Education Fund.

REVISED ESTIMATE FOR 1946-47 :-

The budget estimate of 1946-47 as approved by Government in their order No.M.S.251, Edn., dated 5-2-46 was expected to open with a balance of Rs.704/-. But it actually opened with a balance of Rs.2,258/-. This is due to strict economy in expenditure.

2. The budget estimate of 1946-47 as approved by Government was expected to close with a deficit of Rs.7,380/- but it is now expected to close with a deficit of Rs.5,705 as per revised estimate.

RECEIPTS :-

3. The increase in the receipts in the revised estimate than that of the budget estimate is due to the increase in the receipt of education tax and excess contribution of Rs.840/- than that of the fixed contribution of Rs.3,000/- from General Account ordinary to this account for the purpose of the payment of the arrear dearness allowance to the teachers at the rates sanctioned in G.O.No.1173, L.A., dated 28-5-46 with effect from 1-7-44. No credit has been taken in the sanctioned budget for the payment of grant by Government towards payment of dearness allowance to the staff though a grant of Rs.3670/- was sanctioned by Government in 1945-46 in this direction. In the revised estimate also no credit has been taken in this direction as no orders of Government has so far been received.

EXPENDITURE :-

4. Provision has been made for all obligatory charges and other commitments. Provision has been made for the payment of arrear dearness allowance to the teachers at the rates sanctioned in G.O.No.1173, L.A., dated 28-5-46. The provision made in the budget estimate under the head 'Repairs to buildings' was found quite inadequate and hence the increased provision in the revised estimate. The increase in the expenditure in the revised estimate than that of the budget estimate may please be permitted by the Government.

II- BUDGET ESTIMATE FOR 1947-48.

1. The budget opens with a deficit balance of Rs.5,705/- and it is to close with a deficit of Rs.16,378/-.

RECEIPTS :-

2. No credit has been taken for the payment of grant by the Government towards the payment of dearness allowance to the staff.

EXPENDITURE :-

3. Provision has been made for all obligatory charges and other commitments. The increase in expenditure under the head 'I.Staff - salaries and allowance' is due to the additional staff provided as follows as forcibly stressed by the Inspecting Authorities.

- 1) One Higher Grade Mistress to the Municipal Girls' school
- 2) One Higher grade teacher to the Jackamanayakanpatti Boys' Elementary school.
- 3) One Higher grade teacher to the Melapatti Boys' Elementary school
- 4) One Higher grade teacher to Maravar Street Boys' Elementary school.

These additional teachers are required to cope up with the increased strength in the schools.

4. A sum of Rs.1250/- has been provided for under Capital account

for the extension of Melapatti school and for furniture and apparatus which are absolutely essential. Hence the provision made under capital account.

5. Unlike in other places there is rush of voluntary admission of pupil in all schools, though the compulsory elementary education has not yet been introduced in this town and it is for the management to provide with educational facilities to all these pupil. Hence the increase in expenditure for additional staff and accommodation. Steps have also been taken to provide additional accommodation in other schools.

6. In view of the fact that the present level of taxation in this Municipality is high i.e., 22% per annum and as a proposal to levy a lighting tax of 1% per annum is made in the General Fund Account from 1947--48 it is not possible to raise the education tax still further. Due to lack of sufficient Elementary Education facilities in this town, as will be evidenced by the low percentage of children under instruction viz., 65.02 % of boys and 32.8 % of girls of school age it is quite necessary for the Municipality to provide adequate education facilities by providing additional accommodation and appointing additional teachers as recommended by Inspecting Officers.

7. Unless the Government are pleased to sanction a substantial grant there is no possible ways and means to be found to make up the deficit. The Government may, therefore, be requested by the Council to sanction grant equivalent to cover up the deficit anticipated.

Sir,

Sub:- ESTABLISHMENT - Elementary Education staff - Bodinayakanur  
Municipality - Arrear dearness allowance - From 1-7-44 to  
31-12-44 - Payment - Sanction - Requested.

Ref:- Memorandum No.78325-C1/46-1 Edn., dated 9-1-47. p 17 ante

The budget estimate of 1946-47 as approved by Government in their order No.MS.251, Edn., dated 5-2-46 was expected to close with a deficit of Rs.7380/-. With reference to the actual opening balance on 1.4.46, the deficit of Rs.7380/- was expected to be reduced to Rs.7380/- - 1554 (i.e., 2258-704) = 5826/-. But, according to the revised estimate of 1946-47 it is to close with a deficit of Rs.5705/- even after providing for the payment of arrear dearness allowance to the staff. The deficit according to the sanctioned budget in G.O. No.MS.251, Edn., dated 5-2-46 with reference to the actual opening balance on 1-4-46 has not been increased by the provision made for the payment of arrear dearness allowance to the staff in the revised estimate for 46-47 but whereas it has been reduced on the other hand even after such provision. Further provision has been made in the revised estimate of 46-47 for a special contribution of Rs.840/- from General Account to Elementary Education Fund Account only for the payment of arrear dearness allowance to the staff.

2. The Council considered that the payment of arrear dearness allowance to the discontented poor paid teachers is more important, legitimate and essential item of expenditure and hence with a view to pay them the arrears of the dearness allowance necessary provision was made in the revised estimate 46-47 by making special contribution from General Fund and cutting other items of expenditure, so that as not to exceed the deficit arrived at according to the sanctioned budget in G.O.No.MS.251, Edn., dated 5-2-46 with reference to the actual opening balance on 1-4-46.

3. Under the circumstances stated, I request that the Government may be pleased to issue orders permitting the payment of arrear dearness allowance to the teachers.

While passing orders on the Revised Estimate of 1946-47, the Government have observed that as the Council depends on a subsidy from the Provincial Funds to avoid a deficit in the Elementary Education Fund, it should not pay the arrears of dearness allowance referred to in G.O. No.1552, L.A., dated 19th September '46 to Elementary Education staff and therefore deleted the provision of Rs.1160/- made for the payment of arrear dearness allowance to the staff. They have also not approved the request of the Council that it may be permitted to pay the arrears of dearness allowance to the Elementary Education staff.

2. As the proposal of the Council to pay arrears of dearness allowance to the staff has not been approved by Government it is not necessary to pay an excess contribution of Rs.840/- in excess of the fixed contribution of Rs.3000/- from the General Account to the Elementary Education Account for the payment of arrears of the dearness allowance to the staff according to the Revised Estimate of 1946-47. The excess contribution of Rs.840/- from the General Account was specifically made for the payment of arrears of dearness allowance, therefore it has to be deleted. Then

P.T.O.

the deficit of Rs.1445/- will be increased to Rs.1445 plus 840 = Rs.2285/-

3. The Government have sanctioned a subsidy of Rs.1445/- during the current year with reference to their order read above.

4. I, therefore, request that the Government may be pleased to accord sanction for the payment of subsidy for a further sum of Rs.840/- i.e., equivalent to the deficit anticipated at the close of the current year.

3. B.E. for 1947-48 (i) The credit taken for contributions from General funds is Rs. 3,000 as against Rs. 2,200 in the sanctioned budget for 1942-43. L.A. may see.

para 3(i) on p. 10 of d.

(ii) Revised with reference to the suggestions on plants and if the anticipated deficit in the E.E. fund at the end of 1946-47, is avoided by an additional contribution from General funds or otherwise, the B.E. for 1947-48 will close with a deficit of Rs. 10,673. L.A. may be requested to state whether this deficit can be covered by additional contributions from General funds or by adjustment from the Brearley compensation grant. If any portion of the deficit cannot be met as stated above, an advance subsidy will have to be paid from Provincial funds as there is no scope for increasing the rate of education tax. It is observed that the anticipated deficit is in excess (Rs. 10,673) is in excess of the provision made for the payment of the d.a. The subsidy payable from Prov. funds should not exceed the provision made for the payment of d.a. If the net deficit exceeds the provision made for dearness allowance, the d. will have to be asked to delete the provision made for capital expenditure and to defer the proposal for the appointment of additional teachers. This question may be examined further after L.A. offer their remarks in this file.

The General Budget of the Bodinayakannur Municipal Council is examined in the linked file. The contributions taken credit for in the Ele. Edu. Budget and those provided in the general budget are the same viz Rs. 3,840/- in the R.E. for 1946-47 and Rs. 3,000/- in the B.E. for 1947-48. The contributions may be approved. Even after adjusting the entire A.T.C. the general budget account for 46-47 is expected to close with a deficit of Rs. 14,195 while the anticipated deficit in 47-48 is Rs. 14,234/-. A grant will be required to cover the deficit under the General Account. The General Account is not therefore in a position to increase the contribution to the Ele. Edu. Acct. either in 46-47 or in 47-48. With these remarks the file may be returned to E + B.H. Dept.

The L.A. dept. have stated that the gl. funds of the M. C. Bodinayakannur cannot afford to make any additional contribution to the E.E. fund either in the current year or in 1947-48 and that the entire A.T.C. grant will be required to meet the deficit in the gl. fund account during the current year and in the next year. A subsidy of Rs. 1,445 may be paid to the C. in the current year.

2. The anticipated deficit is

in the E.E. fund at in 1947-48 is Rs. 10,673 while the provision made for the payment of dearness allowance is Rs. 8,465. The subsidy payable to the C. should not exceed the provision made for the payment of d.a. The C. may therefore be asked to defer the proposal to appoint additional teachers and to delete the provision made under the head "Capital expenditure - lands and buildings". If this is done the deficit will be reduced to Rs. 8,195 and will be less than the provision made for the payment of d.a. The question of sanctioning a subsidy to meet the deficit in 1947-48 may be considered after the actual balance in the E.E. fund on 1.4.47 is known.

3. The letter <sup>since</sup> received from the Commr. re: <sup>the</sup> payment of the arrears of d.a. is at p. 19.c.f. As the C. depends on a subsidy from Gov. funds to cover the deficit in the current year, the Commr. may be told that his request will not be complied with.
