Secretary, E. & P. H.

We have appointed a Special Officer for
drafting the syllabus for the reorganised scheme of
secondary education but we had forgotten to provide
for the Committee which must help him to draw out
detailed syllabus in these subjects. I understand
it may cost us about two or three thousand rupees
for meeting the cost of D.A. or T.A. of these members
though many of them belong to Madras. The D.P.I.
suggests that it ^{can} be met by reappropriation. The
usual sanction may be obtained from the Finance Dept.
and orders issued to the D.P.I.

The rate of T.A. to be allowed to non-official
members of Govt. Committees will be regulated
by the orders issued in G.O. 20741 dated 10.7.47.
This order does not contemplate the grant of
daily allowance to non-official members of Govt.
Committees who are residents of the city. It
will seem sufficient if para 2 of the draft
merely specifies that the rates of T.A. to be
allowed to non-official members of Govt. Committees
will be regulated by the orders in G.O. 20741.

Members of Legislative Assembly

Members on a joint committee are eligible under G.O. 520 of 10.7.47 to draw T.A. at the rates admissible to him when they attend the sessions of the Legislative Assembly or the meetings of the committees. Such of the members who are residents in Madras are also allowed to draw daily allowance for attendance at meetings of the committee or the sessions of the Legislative Assembly. On this analogy we have allowed in the past daily allowance for non official members of the committee who are residents in the city. It is not clear why Jm should object to this now.

Subject to this the draft may be sent to Jm for acceptance. Necessary addition will be made after Jm accepts the draft at A above

Previous Finance notes on p. 6.7 above.

With reference to the notes of Gen + PH on p. 8 above, it is submitted that the order issued in G.O. 520 of 10.7.47 fixing the rates of T.A. to be allowed to non-official members of C.O.T. Committees, is in supersession of the rates of T.A. allowed to such members previously. As such, the rates of T.A. laid down in G.O. 520 of 10.7.47 ^{should} be allowed in future. If Gen + PH wish to press they may take orders in Circulation including H.P. (Gen)

23/10/47 Please put up the original of the order of 10.7.47 & refer to the decision in the note to the effect that daily allowance to non-official members of committees (other than non-officials) who are residents of Madras only was not contemplated

Finance(CSR.)

The original of G.O. 520 Fin. dated 10-7-47 is put up at flag (1). The question as to what rate of D.A. should be allowed to non-official members of Govt. committees (other than M.L.As and M.L.Cs.) who are residents of the place was not considered in that G.O. This is presumably due to the fact that the rules in part III of the Manual of Special Pay & Allowances permit Govt. to pay such non-official members their actual T.A., hotel and carriage expenses as may be thought fit.

Attention is ^{however} invited to the extract of notes at flag (W) where a similar question was considered. D.S(Fin.) ~~was~~ held the view that no change in the existing position ^{was} necessary. Orders on that ^{can} will be taken in circulation after the remarks of Public ~~have been~~ received. Pending a decision on this question, no D.A. need be

allowed to non-official members of Govt. committees who are residents ^{and are not members of the Legislature} of Madras City. ~~For orders.~~ If SPPA wish to press their proposal for grant of D.A. to these members, they may take orders in circulation including HM for ^{for} 27.X.47 SPPA
