(40) E-24.4 (C1)

The E.E. Fund of the Rel. cl. Simalkasi for 1947-48 was expected to open with a balance of Rs. 2550 and to close with a Nil balance. The actual opening balance on 1-4-47 was Rs. 1365. The Council was not paid any subsidy towards the payment ofDearness allowance to its E.E. staff last year. Revised with reference to the actual opening balance, the budget for 1947-48 is expected to close with a deficit of Rs. 1185.

2. The Council incurs an expenditure of Rs. 12,840 on salaries and allowances of teachers. An additional expenditure of Rs. 3600 has to be incurred if the revised scales of pay sanctioned in G.O. No. 925 Edu. d 10-5-47 and G.O. No. 1154 Edu. d 5-6-47 are given effect to. Provision has also to be made for a sum of Rs. 222 towards the grant of advance increments. The increase in expenditure will be about 30%. If provision is made for the additional expenditure, the deficit in the budget will increase to Rs. 5007.

3. The Council levies education tax at 1 3/4% p.a. on the annual rental value of properties and thereby derives a net income of Rs. 6270. If the rate of education tax is enhanced by 1% p.a. with effect from 1-10-47 it would fetch an additional income of Rs. 1792 during the current year and an additional income of Rs. 3582 p.a. The Council levies property tax at 9 1/2% on the annual rental value, which is below the Council's maximum laid down by L.A. It is not necessary to enhance the rate of education tax so as to provide funds for the additional expenditure. L.A. may advise whether the rate of education tax can be increased.

The B.E. for 1947-8 of the Elementary Education Fund of the Sivakasi municipal council is expected to close with a deficit as under:-

	Rs.
(1) Taking into account Rs.5,120 being the cost of dearness allowance paid to the Elementary Education staff.	1,185 ✓
(2) Taking into account Rs.3,822 being the cost of revised scales of pay since introduced by the Municipal council to the Elementary Education staff.	5,007 ✓

Item (1) above. E & P.H. propose that a subsidy of Rs.1185 may be paid to the council. L.A. agree with the proposal. As usual an advance subsidy equal to 2/3rd of the anticipated deficit i.e. Rs.800 may be sanctioned now. Item (2) above. E & P.H. have inquired whether the rate of Education tax may be raised by 1% per annum from 1-10-47 so that the municipal council may derive an additional revenue of Rs.1,792 in the current year and Rs.3,583 in future years.

While agreeing to the increase in the rate of Education tax proposed by the E & P.H., L.A. suggest that Rs.1,403 available in the arrear toll compensation may be transferred to the Elementary Education fund and that the council may also be asked to meet the balance of Rs.627 from savings in the expenditure provided for in its general budget for the current year. No advance will be necessary in the present case. Finance may agree.

The rate of education Tax may be enhanced by 1% p.a. with effect from 1-10-47 as agreed to by L.A. and Finance.

2. The Council may be paid a subsidy of Rs.800 towards the deficit in the budget due to the payment of dearness allowance to the E.E. staff.

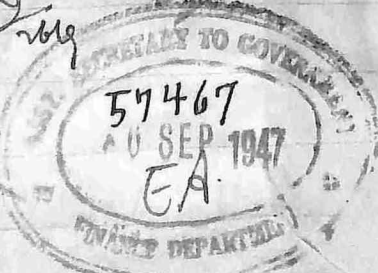

3. The Council was permitted to pay advance increments to the E.E. staff. It may be asked to meet the extra expenditure involved on account of this and the revision of scales of pay as suggested by L.A. on page 2 ante.

4. If the rate of education tax cannot be increased, L.A. may be requested to state whether the entire anticipated deficit of Rs. 5007 may be avoided by a further adjustment of a like sum from the A.T.C. grant sanctioned to the council during the current year. The Dept. have already stated that the general account was expected to close with a deficit. If this is not feasible, the Council may be paid a subsidy of Rs. 1185 to cover the deficit due to the extra expenditure on revision of scales of pay and grant of advance increments to the E.E. staff. L.A. and Finance may see.

L.A. Dept (v)

This Department may agree to the proposal to increase the rate of education tax by 1% per annum from 1-10-47. No contribution from the General Fund is possible to wipe off the deficit in the Elementary Education Fund. A balance of Rs.1,403/- is available in the arrear toll compensation sanctioned to the Council in 1947-48. The Council may be asked to utilize this towards wiping off part of the deficit in the Elementary Education Fund. A deficit of Rs.1,812/- will still remain in the Elementary Education Fund. The proposal of E. & P. H. to grant a subsidy of Rs.1,185/- towards wiping off the deficit may be supported by this Department. No advance need be sanctioned to cover the balance of Rs.627/- in the deficit. The Council may be asked to meet this small deficit from savings in the expenditure provided for in its general budget for the current year.
