Sir,

Establishment-Elementary-Schools under local bodies-
Cannanore Municipality-Revised scale of pay-Extra ex-
penditure-Proposals submitted.
G.O. No.975 Edn dated 10-5-47.
G.O. No.1154 Edn dated 5-6-47 and Government Memorandum
No.52511/47-1-C-1 Edn dated 26-7-47.

With reference to paragraph 5 of G.O. No.975 Edn. dated
10-5-47 the following proposals are submitted for meeting the addi-
tional expenditure involved in paying the teachers in elementary
schools under this council on the revised scale of pay sanctioned
by Government.

The Elementary Education Budget estimate of this council
for 1947-48 as approved by Government closed with a deficit balance
of Rs.7219/- worked with a nil opening balance. As the actual open-
ing balance on 1-4-47 was Rs.793/- the estimated deficit for the year
1947-48 would be Rs.6426/-. The additional expenditure for the cur-
rent year on account of the revision of scale of pay with retrospect-
ive effect from 1-1-1947 would be Rs.7126/-. Thus the anticipated
closing balance on 31-3-48 would be Rs.13552/-. The deficit can be
avoided if the Government are pleased to sanction an advance of Rs.
14000/- as stated in para 5 of G.O. No.975 Edn dated 10-5-47.

The particulars called in Government Memorandum No.52511/47-1-
C.-1- Edn dated 26-7-47 are also furnished below:-

(1) The actual opening balance of the Elementary Education Fund on
1-4-1947. Rs.793-1-4.

(2) The additional expenditure on account of the revision of scales
of pay, which should include expenditure on giving retrospective
effect to the scales from 1-1-1947. Rs.7126-0-0.

(3) The anticipated closing balance for 1947-48 either plus or minus.
Rs.13552-0-0.

(4) The proposals for avoiding a deficit, if any. It is suggested
that in the interest of promotion of the Elementary Education, the
Council should enhance the Education Tax by $\frac{1}{2}$ per cent per half year
and that the existing maximum limit of equal contribution by Govern-
ment under section 37 of the Elementary Education Act viz. 1 $\frac{1}{2}$ per cent
per year on the property rentals may be increased to the actual percen-
tage of property rental that this council collects as Education Tax.
Even if the above suggestion is approved by Government it can be given
effect to only from 1-10-1947 and therefore in this particular year
there will be a deficit balance of Rs.6200/- in the Elementary Education
Fund. This can be avoided only if the Government give an advance of
Rs.6200/- from the Provincial Funds as contemplated in paragraph 5 of
G.O. No.975 Edn dated 10-5-47.

(5) The Rate of Education Tax now levied in the Municipality. One per
cent per half year.

Memorandum No.52511-47 Edn. dated 26-7-47.

adjusted from the sum of Rs. 5217 was already
The Area TM compensation granted

to the E.E. Fund. It is not likely that any further adjustment is possible. No additional contribution from the general account can be granted as that account closes with a deficit. Vide para 4 of L.A. note on page 3. n.f. of 8.10.581 Edn. d 21.3.47.

5. If the rate of education tax cannot be increased as suggested in para 3 above, a subsidy of Rs. 72/9 may be paid from the Prov. funds to wipe off the deficit ^{due to the} payment of dearness allowance. The Council may also be granted an advance of Rs. 7000 towards the additional expenditure on revision of salaries and grant of advance increments.

6. With reference to the suggestion of the Council, Cannanore Dptg. at 'A' on page 10-f. it is submitted that the suggestion to enhance the Govt. contribution cannot be accepted, as it is not permissible, involves an additional commitment on Provincial finances and as similar concessions will have to be granted to the other Councils also.

Para 3 of note: - The Council is now levying 16 per cent per annum (including edn tax) for general property purposes. This is ^(15%) above the conventional limit for a Mty not having lighting, water supply and drainage. There is therefore no scope for increasing the education tax any further.

Para 4 of note while passing orders on the Edn. Budget for 1947-48 it was noted that the general fund cannot increase its contribution to E.E. Fund any further.

~~an advance~~
~~and a grant was recommended to cover~~
~~the deficit caused by payment of arrears~~
~~of dearness allowance to the teachers. The question~~
~~was left to be considered after the actual~~
~~opening balance for 1946-47 was known.~~
There is ^{also} no balance available under arrears toll compensation sanctioned in 47-48.

The general account of the M.C. is working at a net revenue surplus of Rs. ^{10,000} ~~10,000~~. This Council had been permitted to give effect to the revised scales of pay. The closing balance under the general account is only Rs. 5,700 and it is not sufficient ^{even} to ~~maintain~~ ^{the prescribed working balance}.

~~The Council may~~
~~meet the deficiency by temporary diversion~~
~~from its funds. The general account cannot~~
~~make any contribution to E.E. Fund.~~

In the above circumstances the course suggested by E.P. at M on p. 2 above may be accepted. It is also for consideration whether an enhancement of the education tax by 2 per cent per annum may be agreed to as a special case.

With these remarks the file may be passed on to Finance Dept.

^{24.9.47} This is a mpty in which the amenities of electric lighting ~~to~~ water supply and drainage have not been provided. In the circumstances the total rate of tax on property (16% p.a.) already levied is very high for this mpty. However, as a special case, this dept may agree to the proposal to raise the

rate of Edn tax by 2% p.a.

2. The B.E. for 1947-48 of the E.E. Fund of the Municipal Council, Cannanore is expected to close with a total deficit of Rs.14,432 as shown below:-

	Rs.
(a) Anticipated deficit in the B.E. for 1947-8 including cost of dearness allowance only.	7,219
(b) Additional expenditure on account of the revision of scales of pay.	7,126
(c) Additional cost on account of the grant of advance increments.	87
	14,432

Item (a) above:- The deficit is caused on account of the payment of dearness allowance to the E.E. staff. Finance may agree to a subsidy being paid to wipe off this deficit. 2/3rds of the amount (Rs.7,219 or Rs.7200 roundly) may now be paid to the Council as advance subsidy as is usually done in such cases.

3. Items (b) and (c).- L.A. have agreed as a special case to the proposal to raise the rate of education tax by 2% p.a. from 1-10-47. This would fetch an additional income of Rs.5,314 in the current year and Rs.10,628 per annum.

If this is done the advance necessary to cover the anticipated deficit in the B.E. for 1947-8 on account of the cost of revised scales of pay will be Rs.(7,213-5,314) 1,900 roundly. It will also be possible for the council to repay this from the net additional surplus revenue of Rs.3,400 per annum anticipated from the ~~levy of~~ ^{increased} rate of education tax in one instalment in 1948-9.

Finance may agree to the ~~xxxxxxxxxxxx~~ increase of education
