Read:- Letter from the Collector of Malabar, No. B.7-8659/47
d / 21st May 1947:-

I have granted without leave salary for 3½ months to P.I. Koya Kidavu Koya the headmaster of Govt. Primary school in Kalpani island. The teacher has applied to me that he may be allowed leave salary for the period of leave sanctioned to him. Generally island teachers are not sanctioned any allowance during leave period as they are considered not eligible for any kind of leave with salary or for pension benefits unlike the teachers in Govt. service on the mainland though their scales of pay are the same as that of the teachers on the mainland. But for the above service conditions the teachers on the mainland and on the island are on the same footing with equal responsibilities in their duties. I therefore submit that it is a hard case not to allow island teachers leave of any kind with salary during their service as teachers in the island. The applicant Koya Kidavu Koya is a teacher having about 30 years service in the island school and during his period of service he has not been granted any leave with salary. I therefore recommend that he may be sanctioned salary for the leave period.

I further recommend that in future all island teachers may be given the same leave concessions as teachers on the mainland. I request that the Government may be moved in the matter and orders obtained.

The Board invites the attention of the Government to G.O. 2344. Education and Public Health, dated 3rd November 1947.

2. The Collector of Malabar recommends that the G.O. referred above may be given effect to from 29th May 1947 from which date Koya Kidavu Koya was granted leave by him. He also suggests that the Island teachers who were in service on 4th September, 1933 might be deemed to come under the old leave rules and that those who joined service after that date might come under the Madras leave rules 1933. As regards the amount of leave he states that the leave which is earned by each teacher for the period of his duty as teacher in the Island till 29th May 1947 the date from which the G.O. is proposed to be given effect, could be noted as the amount of leave to his credit after deducting the leave already taken by him. The Accountant General who was in the matter states that unless specific orders of the Government are obtained the teachers in the Laccadive Islands can be granted leave and leave salary only from the date of the G.O. A copy of his letter is enclosed. The Board requests the orders of the Government in the matter.

Board's Ref.No.A.2426/47.3 dated 30-9-47 to Government.

In their order Ms.No.2344 Edn. dated 3.11.47 the Government have ordered that teachers in Ele. Schools, in the Laccadive and Minicoy islands should be granted leave and leave salary in the same manner as in the case of teachers in Government schools on the mainland. The Government have not specified the date from which the G.O. should take effect. In para 3 of the above G.O. the Government have directed me to issue orders of the regarding the grant of leave and leave salary to teacher P.I. Koya Kidavu Koya who had applied for leave with effect from 29-5-47 to 15-9-47. I have already granted leave to Koya Kidavu Koya with effect from 29-5-47. In consideration of this I submit that the Government may be moved to pass specific orders to the effect that Government order Ms.No.2344 Edn. dated 3-11-47 will take effect from 29-5-47 in respect of all teachers in the islands.

p.t.o.

2. Out of the 8 teachers in Government Primary schools in Laccadive islands only two teachers have entered service after 1933. The remaining six have ~~not~~ begun to serve before 1933. Under rule 2(b) of the Madras Leave Rules 1933 persons ~~who~~ were in service on 4-9-33 and who did not elect to come under the new leave rules within six months from 4-9-33 automatically come under the leave rules as per Fundamental Rules. In the case of island teachers who were in service on 4-9-33 the question of election to the new or old leave rules did not arise as they were not then eligible for any leave with salary. It is now necessary to decide under ~~that~~ leave rules each of the island teachers have to be classified for purpose of granting leave with salary. The best course I can suggest is to consider that teachers who were in service on 4-9-33 would come under the old leave rules (as per fundamental rules) and those who joined after that date would come under the Madras leave rules 1933. I request that my suggestion may be got approved.

3. As regards the amount of leave to the credit of each teacher, the best course seems to be to calculate the leave earned by each teacher for the period of his duty as teacher in the island to 29-5-47 the date from which the above G.O. is proposed to be given effect to, deduct from it the leave taken till that date and note the balance in the leave account as the amount of leave to the credit of each teacher. If this course is followed, it is likely that all teachers will have leave to their credit for sanction and it will facilitate sanction of leave to Koya Kitavu Koya also with salary for the period of leave availed of by him. I request that my suggestion may be approved and orders, of Government obtained accordingly.

In the absence of specific orders of Government, teachers in elementary schools in the Laccadivi and Minicoy islands, can be granted leave and leave salary, as in the case of teachers in Government schools on the mainland, only from the date of the Government Order Ms.No.2344 Education dated the 3rd November 1947 (Vide Last Sentence of Paragraph 2 of Article 49 of Madras Financial Code, Volume I). The teachers will also earn leave from the 3rd November 1947 only unless Government decide that service of the teachers from a prior date should be taken into account for the purpose of determining the amount of leave due;
