The Secretary to Government,
Education and Public Health Department, Madras.

Rc. No. 1031 K2/47, dated 20-9-1947.

Sir,

Sub: Presidency College, Madras - B.Sc. Chemistry Class -
Increased admissions in 1948-49.

@*@@

ENCLOSURES _____

SPARE COPIES _____

The strength of the B.Sc., Chemistry pass class in the Presidency College as sanctioned by the University is 40. In the current year, the Principal applied to the University for increasing the strength to 56 but the University is reported to have informed the Principal that seats in science subjects cannot at present be increased and that applications should be made before 31-10-1947 and would be subject to inspection. In view of the great demand for Chemistry Main, the Principal proposes to apply in time to the University for the admission of 16 extra students in 1948-49. The increase in admission will involve the employment of an additional demonstrator and an attender to attend to the practical classes. I have the honour to request that Government may kindly approve the proposal of increasing the strength of the B.Sc. Chemistry class and sanction the employment of a demonstrator and an attender from 1.7.48. The additional fee income from the 16 students will be Rs.3,240/- in 1948-49.

2. The extra cost in 1948-49 will be Rs.800/- and the ultimate cost Rs.1800/-.

3. I am including the necessary provision in Part II of my estimate for 1948-49.

Demonstrator 116-6 + 20+15 = 151-6

Attender 30-6 + 16-5 = 51-6
