Submitted that only one set of clothing (period of one year) was supplied for each of the three years of this Industrial Division in Sept/Oct. 1948. It is now over one year and 6 months since the supply was made. It is understood from the prison that the clothing have been badly worn and are not in a fit state of being returned to the J.P.s as suggested by the ~~Prison~~ B.P. Dept. A.P. 2 ante. That dept. may see this return which is to their credit all para 1 at pp 2 & 3 ante. In this circumstances, it may be presumed that this food clothing need not be returned to J.P.s. The draft order has been prepared and

the file returned to the J.P.s for issue of orders urgently, as the prison are urgent of need of clothing. L.P. 47 E.P. #
