Sir,

Subject:- Madras Educational Service - Posts of
Professor and Instructor in Electrical
Engineering - Filling of the vacancies -
Proposals submitted.

IN their orders referred to above, the Government
have sanctioned a new post of Professor of Electrical Engi-
neering for the College of Engineering, Guindy, and a post
of Instructor in Electrical Engineering for the Arthur Hope
College of Technology, Coimbatore.

2. As the Electrical Engineering Department of the
College of Engineering, Cocanada, has to be organised and
preliminary arrangements have to be made for building up
of the Electrical Engineering Laboratory and as there is
now no member on the staff of that College qualified in
Electrical Engineering, it is necessary to post an expe-
rienced Officer as Professor of Electrical Engineering,
immediately. Sri K.N. Ramanathan, the present offici-
ating Professor of Electrical Engineering at Coimbatore is a
suitable Officer for this post as he has had experience in
setting up a new Laboratory. I, therefore, propose to -
transfer him to the Cocanada Engineering College. As re-
gards the filling of the resultant vacancy in the post of
Professor of Electrical Engineering, Arthur Hope College
of Technology, Coimbatore, I consider that it is not worth
obtaining the services of a suitable Officer from the Govern-
ment Electricity Department for the Professorship, in view
of the fact that by the time the new Officer gains suffi-
cient experience, Flying Officer A.R. Ramanathan who is on
other duty in the Civil Aviation Directorate of the Govern-
ment of India, is expected to revert to the Education Depart-
ment on 28th August 1947 on the expiry of the one year's
loan of his services. Even if he does not revert on 28th
August 1947 it is expected that Sri A. Srinivasan who is
now on study leave in the U.S.A. will return shortly and will
be available for appointment as Professor in Electrical Engi-
neering, Arthur Hope College of Technology, Coimbatore, some-
time in November 1947 or in February 1948 if his requests
for returning via United Kingdom and for a short stay in that
country are granted by Government. Dr. J.J. Rudra, Principal,
College of Engineering, Guindy, whom I consulted in the matter

It has just been
decided that
the request
need not be
complied with but
it may take some time for him
to reach Madras.

3. As regards the filling of the post of Instructor in Electrical Engineering in the A.H.College of Technology, Coimbatore, I propose to transfer Sri K.S. Bikshandeswaran, the present Officiating Junior Instructor in Electrical Engineering, College of Engineering, Guindy, to the above vacancy.

4. In regard to the filling of the resultant vacancy in the post of Junior Instructor in Electrical Engineering, College of Engineering, Guindy, I recommend that Sri D. Krishnan Namboodripad, Officiating Assistant Instructor in Electrical Engineering, Government Victoria College, Palghat, may be appointed to officiate as Junior Instructor in Electrical Engineering under Rule 9(a)(i) of the General Rules for the Madras Provincial and Subordinate Services. Sri D. Krishnan Namboodripad is a Second Class B.Sc. in Physics and holds a Certificate of Proficiency in Electrical Technology of the Indian Institute of Science, Bangalore. He is 32 years old. He possesses the academical qualifications equivalent to those prescribed in the Special Rules but lacks practical training and experience in workshops and Electrical Laboratory for not less than four years prescribed in the rules. Sri D. Krishnan Namboodripad does not strictly satisfy the requirement regarding practical experience. However, he has been teaching Electrical Engineering subjects to the B.Sc. students from 24th July 1941 and as such I consider him suitable for appointment to the post of Junior Instructor in Electrical Engineering in the Madras Educational Service as in the case of Mr. K.S. Bikshandeswaran--Vide in this connection paragraph 3 of G.O. (Confidential) Ms. No. 2313 Edn., dated 2nd December 1946. The personal file of Sri D. Krishnan Namboodripad is enclosed.

5. I solicit the favour of early orders.

To the D.O.

From the D.P.I., No. 47/47, 4-25-57, Edn. and P.H. Dept. (A).

M.E.S. - Prof. and Instructor in Elec. Engg., Engg. Colleges - Appointments.

of Elec. Engg.

A post of Professor in the Coimbatore Engg. College and a post of Instructor in Elec. Engg. in the Coimbatore Engg. College were newly sanctd. To the former, the D.P.I. proposes to transfer, under the powers vested in him by rule 16 of the Special Rules for the M.E.S., Sri K.N.Ramanathan, now offg. (under the emergency provns.) as Prof. in the Coimbatore Engg. College, and keep the Professorship at Coimbatore unfilled for some time. This proposal need not be objected to, in view of the reasons given in para 2 on pp. 1-2 C.F.

2. As regards the Instructor's post at Coimbatore, the D.P.I. says that he proposes to transfer to it Sri K.S. Bikshandeswaran, now offg. (temporarily) as Junior Instructor in the Guindy College. It has to be pointed out here that posts of Instructors and posts of Junior Instructors are included in separate categories and that under rule 2(a) of the M.E.S. Special Rules one of the methods of appointment to the former is by promotion from the latter, and that therefore it seems that the appointment cannot be regarded as a 'posting' to order which the Dir. can invoke rule 16 of the Special Rules. The appt. may be made by Govt. The qualfn. prescribed for the Instructor's post are the same as those for the Junior Instructors, except that capacity to lecture up to the B.E. standard is an additional qualification. Sri Bikshandeswaran has been in the Guindy College (coaching students up to B.E. standard) since last Dec. for nearly a year and apparently the Dir. considers him to possess the qualfn. Strictly speaking, the qualfn. need not be insisted on at all, as the appt. will only be under the emergency provisions (General Rule 3(a)), since, as stated above, Sri Bikshandeswaran is offg. as Jr. Instr. only under the emergency rule.

3. In Sri Bikshandeswaran's vacancy, the Dir. has recommended that Sri D. Krishnan Nambudripad, Asst. Instructor in Elec. Engg., Govt. Victoria College, Palghat, may be appointed under rule 9(a)(i). That candidate is said to possess the academical qualfn. prescribed for the post but not the practical expce. However, under the proviso to the qualfn. rule issued by G.O. No. 2167 Edn., dated 13.11.46, 'teaching experience' can be equated to 'practical expce'.

The Dir. says that he has been teaching Elec. Engg. to the B.Sc. student since 1941 and that as such he considers him suitable. The recom-

I think orders have been issued on a previous file that teaching experience should not be equated to practical experience. Practical experience is something greater and gives one a concrete sense of things more than merely teaching and so, attempts may be made to secure one who has practical experience with the necessary qualifications.

From the D.P.I., T.M. dated 19-9-47. — *115-b CF*

Please see the notes on pages 1-2 above and also the minutes of H.M.(Edn.). The previous file refd. to by H.M.(Edn.) is G.O. No.2313 Edn., dated 2-12-46. Attention is solicited to H.M.'s minutes at pages 6 and 8 n.f. there, ordering that the rules might be amended so as to prescribe that in the absence of men with practical experience, persons possessing teaching experience might be appointed. An amendment was notified accordingly in the G.O. at 'b'.

The normal method of recruitment to the Junior Instructor's category is 'transfer'; if no qualified and suitable person is available for appointment by 'transfer', then 'direct recruitment' may be resorted to. For the reason that no candidate possessing ~~the~~ practical experience was available in service for 'transfer' and that when the post was advertised for 'direct recruitment' no candidate with that experience was forthcoming for appointment by that method also, ~~therefore~~ Sri K.S.Bikshandeswaran who possessed teaching experience was (temporarily) promoted to the post last December. Sri K.Nambudripad possesses similar teaching experience; and at present no candidate possessing the prescribed practical experience is in service. Sri Nambudripad is thus qualified for appointment under the amended rule. Further the
