Sir,

Sub: Education - Elementary - Compulsory Education - West Godavari District - subsidy for 1947-48 sanction of - requested.

....

The Government were pleased to introduce compulsory Education scheme in this District in the year 1945 -46 and extended the same to 1946 - 47 and 1947 -48 . The total amount of subsidy received from the Government on expenditure due to compulsory education including midday meals during the year 1946 -47 is Rs.170341/- . The expenditure actually incurred excluding midday meals and cost of books and slates purchased to poor pupils is Rs.92714-15-0 . A detailed statement of expenditure was already submitted to the Director of Public Instruction, Madras in this office Rc.F.8 .No.14972/46 dated 20-6-47.

The finances in the Elementary Education Fund account of the District Board are very meagre and much difficulty is being experienced to pay their salaries regularly. I therefore request you to sanction an advance of subsidy of Rs.92000/- towards compulsory education scheme for the year 1947-48 to meet the present demand.

SUB:- Elementary Education = Compulsion and Midday meals = Subsidy for 1947--1948 Proposals for distribution:

REF:- Government Memorandum No.51693 B.2/47-1 Education, dated 23rd June 1947.

---

My proposals for the distribution of subsidies to all the District Boards except Guntur are furnished in the statement enclosed. Proposals for the distribution of subsidies to the Guntur District Board will be submitted on receipt of particulars from the Special Officer.

2. In calculating the subsidies, the following principles have been observed.

(a) Pay and Dearness allowance of teachers and Peons: Provision has been made only for the teachers and peons in service on 31st March 1947 and appointed as a result of the introduction and expansion of compulsion, with due regard to their qualification and revision of scales of pay (except for peons, for whom no information is available). Dearness allowance is calculated at Rs.18/- or Rs.16/- as the case may be.

(b) Wages and Dearness Allowance to Conductresses: Provision for wages has been made at the rates at which they are reported to be paid. Capitation allowance is roughly estimated at Rs.6/- per mensem per conductress, unless a different rate is furnished by the District Board. Dearness Allowance is allowed for all the conductresses employed full time at Rs.16/- per mensem.

15

= 2 =

(c) Contingencies:- Estimate is based on monthly expenditure reported by the Special Officers and limited to Rs.1--8--0 per mensem per teacher.

(d) Rents:- Estimate is based on the monthly expenditure reported by the Special Officer.

(e) Midday Meals:- Subsidy is calculated at the maximum rate of Re.0--1--9 per meal actually supplied during March 47. The supply of midday meals beyond 31st March 1947 has been stopped under orders of Government. Proposals for adjusting this advance subsidy will be submitted separately after a careful scrutiny of the details given by the Special Officers.

3. The proposals do not include any advance subsidy for the introduction of compulsion during 1947--48 in new areas. Proposals in this regard will be submitted separately if the local bodies require an advance.

Sir, R.C.No.A2-6747/47, dated 16.8.1947.

Sub:- Education - Elementary - The Nilgiris District Board - Compulsory area - Opening of new schools and appointment of additional teachers - Subsidy - Requested.

----

Consequent on the introduction of compulsory education in Kotagiri village during 1945-46 and in Ketti, Athigaratty, Balacola and Ithalar villages during the year 1946-47, it has become necessary to open new schools at several hamlets in the compulsory area, as per recommendations of the Inspecting Officers. A new school at Muttinad was already opened from 23.7.47 and the question of opening four more schools at Porthi, Happukodu, Denalai and Horanally is under correspondence with the District Educational Officer, Coimbatore and the Nilgiris, and the same will be opened shortly. Besides, additional teachers were appointed to several schools in the compulsory area as detailed in the enclosed statement.

In view of the very slender resources, it is not possible for the District Board to meet the additional expenditure involved. I, therefore, request that Government may be pleased to sanction a subsidy equivalent to the entire cost that will involve for the opening of new schools, including the cost of furniture etc. as per the enclosed statement.

Special Officer,
District Board, The Nilgiris.

From the D.P.I RC No. 1704-B1/47 dt 2-9-47.
Compulsory Elementary education - Subsidy for 1947-48
Distribution - proposals.

The D. P. I has submitted proposals for the distribution in 1947-48 of subsidies for Dt. Boards towards the cost of the scheme of compulsory elementary education ~~was~~ introduced during 1945-46 and extended in 1946-47. The subsidies under the head 'Salaries of teachers' have been calculated at the minimum of the revised scales of pay sanctioned by Govt, i.e Rs 30/- in the case of Higher elementary grade teachers and Rs 40/- in the case of Secondary grade teachers. In the case of secondary grade teachers, the subsidy for dearness allowance has ~~been estimated~~ calculated at the rate of Rs 18/= p.m ⊗.

⊗ as they get a pay of Rs 40

2. In connection with the introduction of the revised scales of pay, the Govt have ordered that the expenditure on the revision of salaries should be met by the District Boards from their own funds ~~themselves~~. The question whether the cost of salaries of teachers in schools in the compulsory areas should be met from ~~the~~ Provincial funds or not is under consideration. The matter is to be placed before the Standing Finance Committee. Until the Govt decide to sanction subsidies for the revision of salaries of teachers in schools in the compulsory areas, the subsidy payable for compulsory elementary education should be calculated at the old rates i.e Rs 20/- for ~~teachers~~ Higher elementary grade teachers and Rs 25/- for secondary grade teachers. The subsidy payable for dearness allowance should also be calculated at Rs 16 p.m for all teachers (instead of Rs 16/ for higher elementary grade teachers and Rs 18/- for secondary grade teachers. The Director may be asked to recalculate the subsidy due to the Dist Boards under the items "Salaries" and "dearness allowance". A draft memo is sub'td for approval.

19-9-47

B2

E&PH A

In this statement, the D.P.I has ~~calculated~~ included the subsidy for the scheme of supply of midday meals to school children in compulsory areas. The amounts included in the statement represents the subsidy for the supply of midday meals to school children during March 1947. The expenditure incurred upto February 1947 will be adjusted against the subsidy sanctioned last year. and separate orders will be issued regarding the recovery of the excess amount paid or for the payment of the balance due.
