No. B1.3388/46 dated 3-10-47.

Sir,

Cyclostyle machines - inclusion in the list of
duplicators approved for use in the Government Offices -
sanction - requested.

In continuation of this office letter No. B1.3388/46 dated
11-7-46, I have to state that Messrs. Typewriter Mart, Madras who
are the agents for the sale and distribution of Mysore Cyclostyle
machine have since given a demonstration of the machine and I am
quite satisfied with the simple operation of the machine. It is useful
for taking typewritten and hand written copies. It has an automatic
self rising frame. The cost of one Mysore Cyclostyle machine
foolscap size, flat complete with accessories in rosewood or steel
box is Rs.70/- nett. These machines will be very useful for
small offices, schools and colleges that require a cyclostyle
machine.

I therefore request that the Government will be pleased

P.T.O.

to accord sanction for its inclusion in the list of flat duplicators approved by Government and for its purchase for supply to Government Offices and institutions as and when required.
