20 DEC 1946
EDUCATION AND PUBLIC HEALTH DEPT.

Office of the
Director of Public Instruction,
Madras, Dated 18th December'46.

From

Dr.S.R.U. Savoor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Sub:. Loan - Corporation of Madras -Construction of elementary school buildings and improvements to Play-grounds.

p 11 + 17 ante REF: Government Memorandum No.53186-C1/46-11 dated 30-9-46 and No.53186-C1-46-3 Edn., dated 4-12-1946.

....

I have the honour to furnish herewith details of the schemes relating to the Construction of elementary school buildings for which the loan has been applied for by the ~~Corporation~~ Commissioner.

Boys' Schools:-

1) Construction of a building for the Corporation Elementary School, Ladder's Gate Road, in Gangadeswarankoil Street, Purasawalkam:-

It is reported that the building under contemplation is intended to locate the Corporation Boys' School, Ladder's Gate Road. The existing accommodation for the school is inadequate. The new building is to hold 14 classes.

2) Construction of a building for the Corporation Boys' School at Karupannan Street:-

The building in which the school is at present located is in a bad condition. It is also proposed to provide in this building, a community hall intended to hold meetings of the staff and also for the public during non-school hours and whenever not required for school purposes. Whenever, the public are allowed to use it for purposes other than educational and civic needs, fees will be charged and this will be credited to the Elementary Education Fund of the Corporation. The proposal may be approved.

3) Construction of a building for the Corporation Boys' School, Subbaraya Grammani Street, at Kanda Pillai Street:--

The building in which the school is at present located is inadequate, the rooms in the building being too small to hold classes conveniently. A new building is therefore necessary.

Girls' Schools:-

1) Construction of a building for the Corporation Muslim Girls' School, Washermanpet at Cemetry Road:-

The School is reported to be held in a rented dwelling house. The proposed construction is about a mile from the present location of the School, The Educational Officer, Corporation of Madras states that since muslim girls are conveyed by bullock carts to the schools, the question of distance from the existing school need not be considered. But waste of time and expenditure in conveying children one mile to school can be avoided by selecting a site nearer to the present school.

2) Construction of a building for the Corporation ~~of~~ girls' School at Nattu Pillayar Koil Street;-

The building in which the school is housed at present is reported to be unsuitable. The classes are crammed and the lighting is defective. A new building is necessary.

p.t.o.

22

~~..2..~~

3) Constfruction of a building for the Corporation Muslim Girls' School, Thousand Lights:-

It is at present located in a rented tiled dwelling house with no provision for play-ground and garden. The proposalx is therefore recommended.

4) Construction of abuilding for the Corporation Girls' School, Thousand Lights:-

The proposal is to shift the muslim boys' school, Thousand Lights, located at present in a rented building to the Corporation Girls' School building and to construct a building for the girls' school. A portion of the boys' school is already held in the girls' school building and the accommodation of the girls' School has become cramped. The construction of abuilding for the girls' School is therefore necessary.

2. The estimated cost as furnished by the Educational Officer, Corporation of Madras in respect of the above buildings is as noted below:-

i) Construction of ax school in Gagadeswaran Koil St. Puasawalkam.	90,000
ii) -do- -do- at Cemetry Road, ...	93,000
iii) Construction of a school - one with a community centre. ..	63,000
~~iv)~~ and the other to hold ~~the~~/classes in ~~North~~ other Pillaiyar Koil St. ..	72,000
iv) Construction of two school buildings each to hold 10 classes in Rutland gate lay out Nungumbakkam viz. for Corporation Girls' School and muslim Boys' School at Thousand lights.	..1,21,647--8--0.
v) construction of one school building at Kandappa Pillai street to hold 14 classes.	86,500
Total figure furnished by the Corpòration Educational Officer.	..5,46,147--8--0.
CORRECT TOTAL..	5,26,147--8--0.
	− 4,00,000-0-0

526.1

4/

~~Through~~ Though the schemes deserve consideration, I amafraid the cost of the buildings is frightfully expensive.

3. As regards the construction of school sheds for which a loan of Rs.1 lakh has been applied for, it is reported by the Corporation authorities that action is being taken to put up school sheds in Slum areas on sites blonging to the Corporation or alienated to the Corporation and that steps are being taken to secure the alienation of sites in some slums in favour of theCorporation. No information is readily available as to the number of sheds to be put up and the exact places where they will be put up. I consider that it is a sheer waste to spend a lakh of ruppees on sheds. The Corporation may be asked to defer the scheme and to submit concrete proposals for the construction of pucca buildings instead of sheds.

IM

4. As regards the loan of Rs.50,000/- for improvement to play-ground, it is reported that there are ten grounds maintained for from the Elementary Education Fund as noted below:-

1) Thiruvathiyur High Road, Boy's School Playground.
2) Cemetry Road. (3) Vasapmode School Ground (4) George Town play ground, Portugese Church Street, (5) Choolai School Playground, Old Slaughter house Road,
6) Purasawalkam School Play ground, Venkata Amma Sannadhi Street,
(7) Egmore play ground, Vengu Pillai Street,
(8) Thousand Lights play ground, Model School Road, next to Corporation School.
(9) Royapettah Play ground, Conron SmithRoad, Gopalapuram.
(10) San Thome School Play-ground.

The amount is intended for repairs to physical-apparatus- improvements to play-grounds sites and courts, construction of compound walls or fence as may be proposed to provide additional apparatus to the existing play-ground and improve Government sites into play-grounds, application for alienation having been made already. The nature of improvements to be made and the kind of apparatus to be provided for the play-grounds are not known but I understand that the grounds do require the ~~government~~ improvements before they are usable for games. The schemes is however recommended.

MEMORANDUM NO. 53186 C1/~~46~~Edn. dated 3.9.47

- -

The Commissioner, Corporation of Madras is informed that the Corporation may apply in due course for the ~~in due course~~ grant of a loan for the construction of pucca buildings instead of for the construction of sheds in slum areas in the extended areas in the city as the latter would be only a waste of expenditure.

He is requested to make a formal application in respect of the following items of loans

amounting

36

amounting to Rs 1.935 lakhs as shown below:-

S.No.	Particulars of work.	Loan in lakhs.

Loan application of Corporation of Madras for acquisition of site, construction of elementary school buildings and improvements to play-grounds.

(*G.O. Ms. No. 2372, Education, 5th November* 1947.)

No. 300.

Application of the Corporation of Madras for a loan of Rs. 1,93,500—

1 Purpose for which the loan is required and an estimate of the cost of the entire work or such part of it as it is proposed to carry out from loan funds—Vide details below :—

Particulars of work.	*Amount of loan.*
	RS.
(1) Acquisition of R.S. No. 1736-5 of Vepery—Low-land—Behind Bogipalayam, for a play-ground	17,500
(2) Completing the construction of school buildings already started out of Rs. 4·00 lakhs—Loan applied in 1946–47	1,26,000
(3) Improvements to play-grounds ..	50,000
	1,93,500

2 The amount which it is proposed to borrow—Rs. 1,93,500.

3 The fund on the security of which it is proposed to borrow—Revenues of the Elementary Education Fund.

4 The law under which the said fund is levied, received or held—Madras City Municipal Act, 1919

5 The dates within which the money is to be borrowed and when it is proposed to raise a loan in instalments, the amount of such instalment, the date within which the first instalment is to be taken and the year in which it is intended to take over or raise the other instalment—December 1947.

6 The rate of interest at which it is proposed to borrow—3½ per cent.

7 The term of years for which the money is to be borrowed and the method by which it is to be repaid—Twenty years (annuity system).

8 An account of the financial position of the local authority including a statement of all existing prior charges on its funds—Statements furnished below.

Statement showing the loans outstanding and the annual charges involved for general purposes (on 31st March 1947).

M. V. SUBRAHMANIAN,
Secretary to Government.

Edn. and P.H. (C.L.)

p1cf C.No. 53186 C.1/46, From the Commr. ~~corpn~~ Corporation of Madras, No. B.2. 1104/1946, dated 10.9. 1946.

p15cf C.No. 65613C.1. From the D.P.I. Rc.No. 8675-B3/46, d. 20.10.46.

Loan - Corporation of Madras - Construction of elementary school buildings and improvements to playgrounds.

******

p5cf The Corporation of Madras has applied for a loan of Rs. 2.935 lakhs towards the cost of acquisition of sites for playgrounds, construction of elementary school buildings and improvements to playgrounds. The application was referred to the D.P.I. for remarks on 30.9. 1946. His reply is on page 15 c.f. In the circumstances stated by the Director it is for orders whether the application for loan should be considered as a Part II scheme in connection with the budget for 1947-48. If so the Director's further report may be awaited till 15.11. 1946. Finance may see. p11cf

B
31.10.46
A

It may be mentioned in this connection that provision has been included in the current year's budget for a loan of Rs. 6 lakhs to the Corporation towards the cost of construction of elementary school buildings and improvements to playgrounds. The question of disbursement of this loan is separately under consideration.

Since sanctioned in G.O. 2242 Edn 22-11-46 at pp1-29 (a)

Part II Schemes for 1947-8.
Loans to the Corporation of Madras.

* * * *

The L.A. and E. & P.H. DEPTS. have recommended the loans amounting to Rs.63.295 lakhs to the Madras Corporation in 1947-8 as shown below:-

	Schemes.	Loans recommended Rs.Lakhs.
	x x x x	
E & P.H.	1. Storm Water Drains	4.00
	2. General Housing Scheme	10.00
	3. Remodelling and Improvement of existing tenements.	3.00
	4. Extension of Aminjikarai Housing Scheme	5.00
	5. Construction of Public Conveniences	2.50
	6. ,, of Elemy. School buildings and improvement of Playgrounds	2.935
	7. Addl. accommodation for the Corporation High School, Nungambakkam.	.50
	TOTAL	

In addition to the loan of Rs.63.295 lakhs required for Part II schemes, E.P.H.Dept. have asked for a provision of Rs.18.50 lakhs in Part I for water supply and drainage schemes in progress and Rs.16,750 for extension of food analyst's laboratory. The total demand for loans for 1947-8 both Part I and Part II will then be Rs.81.96 lakhs.

Attention is invited to the extract of notes at flag (K) written in connection with the disbursement of loans to the Corporation in the ct. yr. The financial position of the Corporation is not quite satisfactory. The Budget for 1946-7 is expected to close with a deficit of Rs.15.46 lakhs under revenue account. L.A.Dept. have, however, noted that, as in previous years, the Corporation's budget may not after all close with a deficit and that the Corporation may not find any serious difficulty in repaying the loans. As the finances of the Corporation are not quite satisfactory, it is necessary to restrict the amount of loans as far as possible. The following remarks are called for on the various items for which loans are proposed.

x x x x x x x x

Item (10) Storm Water Drains:- Provision made in the current year's budget is Rs.3.00 lakhs. The loan for the next year may also be restricted to 3.00 lakhs against 4 lakhs asked for.

Item (11) General Housing Scheme:- The loan required for the construction of about 2,000 houses for labourers and lower middle class people in various parts of the City. Plans and estimates for the scheme are not yet ready. The question of providing housing accommodation for any particular class of inhabitants of any area is one to be dealt with by the City Improvement Trust Board, which will be constituted shortly - see section 42 of the Madras City Improvement Trust Act, 1945. No loan need be provided to the Corporation for the purpose.

(There is also a separate proposal for the industrial labourers with subsidies from the Govt. of India. There seems to be no need for the Corporation to take up general housing scheme now that a City Improvement Trust is being started.

Copy

T.E.V.
19-11-46 D.W.D.

73267.

P.T.O.

Item (12) Remodelling and Improvment of existing tenements:-

A loan of Rs.2.31 lakhs has been provided in the current year's budget for the construction of tenements. The loan of 3 lakhs asked for remodelling and improving existing tenements may be provided for as it is stated that the improvements are likely to alleviate the insanitary conditions obtained in the tenements.

A loan of Rs.2 lakhs may perhaps be provided.
T.E.V.
19-11-46. D.W.D.

Item (13) Extension of Aminjikarai Housing Scheme:-

A loan of 8 lakhs has been provided in the current year's budget for the Aminjikarai Housing Scheme. The layout plans and designs to the scheme have been approved by the D.T.P. and it is stated that the plans and estimates are still under preparation and they will be sanctioned before the close of the curent year. Little or no expenditure on this scheme will be incurred in the current year. The loan of 8 lakhs provided in the current year's budget will presumably be available for the expenditure in the next year. If so, and if this Rs.8 lakhs is to be disbursed this year, it does not seem necessary to provide any further loan for the scheme for the next year.

T.E.V.
19-11-46
D.W.D.

Item (14) Construction of Public Conveniences:-

The provision for this scheme may be restricted to 1.50 lakhs in the current year (against Rs.2.50 lakhs proposed)

T.E.V.
19-11-46 D.W.D.

Item (15) and (16) Construction of Elementary School buildings and improvement to Playgrounds, and additional accommodation for the Corporation High School, Nungambakkam:-

D.P.I. states that the Nungambakkam High School is badly in need of additional accommodation. His report in regard to the loan required for elementary school buildings has not yet been received. ~~Xx~~ If the D.P.I. recommends the loan for the elementary school buildings also, Finance may agree that these loans may be included in PartII.

Please see below.
T.E.V.
19-11-46
'A'

If the above suggestions are accepted the total amount of loan to be provided for in Part II of the budget for 1947-8 will be 38.795 lakhs. This can be reduced further if provision for item 15 can be reduced and provision for item 16 cut out - see below.

x x x x x x x x x x

'A' on page 7 above Construction of elementary school buildings and improvements of playgrounds and additional accommodation for the Corporation High School, Nungambakkam:-

It is not clear whether the expenditure on the above items is very essential. Inregard to the building for the Corporation High School, Nungambakkam, no information has been given in ~~Liked~~ linked file VI whether the expenditure is very essential. E & P.H. may consider, in consultation with L.A., whether the construction of additional buildings for the High School building cannot be postponed till the cost of building materials and labour come down to a reasonable level.

The same remarks apply to the provision of Rs.2.935 lakhs proposed for the construction of elementary school buildings and Improvements to playgrounds. The E & P.H. Department may determine the amount to be provided for items of work which are really very immediately essential in consultation with the D.P.I.

1.	Acquisition of site for play ground.	0.175.	✓
2.	Completing the constn. of Ele. School bldgs.	1.260	✓
3.	Putting up School sheds in slum areas.	1.000.	+
4.	Improvements to playgrounds.	0.500.	✓
	Total Rs.	2.935	

p. 6 CF

Items 1 ~~[illegible]~~ above:- The Director has not made any specific recommendation regarding this loan. However, as the question of site to playgrounds is very important and urgent, it may be considered.

Item 2 above:- In G.O. No. 2242 Edn. of 22.11.46, the Govt. sanctioned to the Corporation of Madras a loan of Rs 4 lakhs for the construction of bldgs. for elementary Schools. In order to complete the above construction, the Corpn. has now applied for a loan of Rs. 1.26 lakhs. The

pp 1-2 of ⓐ

pp 21-22 cf Director generally reports that ~~the schemes~~ are necessary though the cost is ~~expensive~~ high. However, as the present application for loan is only for completion of the work begun with the aid of the previous loan of 4 lakhs, the application may be considered.

Item 3 on p. 6 ante:- The Corporation has applied for a sum of 1 lakh of rupees for the construction of school sheds in slum areas. For the reasons stated by him in para 3 on p. 22 C.F., the Director suggests that the Corporation may be asked to defer the scheme and to submit concrete proposals for the construction of pucca bldgs instead of sheds. This view seems acceptable ~~and it may be agreed to~~.

M on p 22 CF

Item 4 on p 6 ante:- The Director ~~has~~ recommends the scheme. The appln. may therefore be considered.

In the circumstances, this dept. may recommend that a loan of Rs 1.935 lakhs only (in respect of items 1, 2 and ~~3~~ 4 on p 6 ante) need be sanctioned in ~~[illegible]~~ 1947-48. The file may be sent to L.A and Finance u.o. for remarks. A

Please see the [illegible] extract of notes of this dept. at A on p. 4 above and the notes on pp. 6-7 above.

2. The loan is required only during 1947-8. No provision has been made in the B.E. for 1947-8 for this purpose. The amount required will have to be met during the course of next year by re-appropriation or by obtaining additional appropriation.

—cf B on p. 6 ante

3. The Govt. will have to satisfy themselves as to the ability of the Corporation to repay the loan, before the loan is sanctioned for the purposes mentioned in items 1, 2 & 4 on p. 6 above. This dept. may therefore advise that the question of sanctioning any loan may be considered during the course of next year with reference to the then financial position of the Corporation.

L.A. Dept. B

(Previous notes of this Deptt. on pp.7-8 ante)

The financial position of the Corporation cannot be considered to be satisfactory. While examining the application of the C.C.M. for a grant of Rs.5 lakhs to meet the anticipated deficit in the R.E. of the Corporation for 1946-47, it was remarked by the Exr. of L.F.A. that the actuals upto January '47 accounts reveal a deficit of about Rs.4.5 lakhs as against an anticipated deficit of Rs.15.46 lakhs in its B.E., but that the Corporation has yet to realise a large amount of revenue by way of property tax, the collection of which has been delayed on account of late service of demand notices. It is therefore expected that even if there is a deficit, it may not be a very big one.

With a view to improve the finances of the Corporation to meet its growing needs, the following

p.t.o.

C1

measures have been sanctioned.

(1) Increase in the levy of duty on transfer of property from 3 per cent to 5 per cent from 1-12-46.

(2) Enhancement of the rate of tax on certain classes of carriages and animals from 1-10-46.

(3) Levy of the tax on advertisements at the maximum rates from 7-3-47.

The C.C.M. has also addressed Govt. for approving certain other measures for augmenting the revenues of the Corporation such as increasing the rate of property tax, entertainment tax, levy of Octroi etc., which are under consideration separately. ~~It is likely that the revenues of the Corporation will improve when the schemes referred to above are approved.~~ It may be expected that the Corporation's finances will improve in the coming years and it may not have any difficulty in meeting the annuities on the loans that are proposed to be sanctioned to it.

In the circumstances set forth above, this Deptt. need not object to the sanction ~~disbursement~~ of the loan in question in the current year. The file may be passed on to Finance Department U.O.

A draft T.M. is submitted for approval.

R.I.S. 26/5 V.R./31-5-47.

p23 cf

p25 cf

(Issued ~~xxxxxxx~~ as T.M. to the C.C.M. dated 2-6-47.)

From the C.C.M. C.A.D. No. B.2. 1104/46 dated 5-6-47.

The letter from the Commissioner Corporation of Madras at page 25 c.f. is submitted for perusal.

With reference to the Commissioner's remark in para 2 of his letter at pp 25 c.f. it is submitted that though this scheme was originally considered as Part II Scheme for 1947-48, yet it could not be pushed through as the Director's remarks on the proposals were not received by the due date. Please see the notes on pp 5-6 ante. Hence it was proposed to consider the scheme ~~as~~ one for introduction during the current year i.e. 1947-48, following the new service proceedure. Accordingly the remarks of the L.A. and Finance Department on the proposal ~~have been~~ which were invited after examining it in this dept. ~~and~~ are at pp 9-10 ante. These depts. ~~They~~ have agreed to the sanction of a loan of Rs. 1.935 lakhs to the Corporation of Madras, during 1947-48.

Ordinarily such new schemes introduced in the course of the year should be placed before the Standing Finance Committee, ~~or~~ after they have been ~~it is formally~~ approved by the H.M's concerned. In this case, however, as it is only ~~a case of~~ a loan which is repayable with interest, it is for consideration whether the usual proceedure should be followed ~~in this case also~~ and the proposal placed before the Standing Finance Committee or whether it ~~would~~ shall be enough if H.M's (Edn and Fin) agree to it. Finance may perhaps be requested to advise.
