ROC.No.534 Fl/47

Dated 10-10-1947.

Sir,

In my letter R.C.No.534 Fl/47 dated 16-7-1947, I have explained at great length how the volume of work in the D. Section of my office which, among other things, is concerned with the scrutiny and sanction of teaching grants to aided secondary schools for boys and girls, has nearly doubled, and that the time has come for bifurcating the Section. Although I requested therein immediate orders, government have not so far been pleased to issue any.

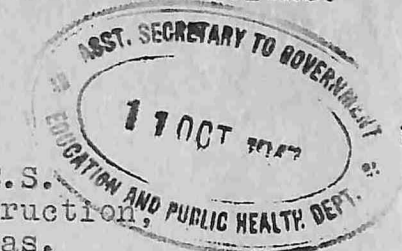

2. As the work of scrutinising the financial statements of secondary schools for boys and girls is in arrears for want of adequate clerical assistance and as the managements of all secondary schools will soon begin to worry the Director and Government for the sanction of teaching grants due to them even before December next, it is very necessary that all the financial statements are scrutinised and orders sanctioning the teaching grants due are issued at least before February 1948. In addition to the above, the special grants on account of Dearness or war allowance due to the managements have to be worked out separately, as was done last year - vide: G.O.Ms.No.107, Education, dated 23-1-1947. For this purpose, I am, in anticipation of the sanction of Government, continuing the upper division clerk sanctioned in G.O.No.655, Education, dated 2-4-1947 beyond 30-9-1947 - vide: my letter ROC.No.534 Fl/47 dated 22-9-1947.

3. Pending decision on the question of bifurcation of the D. and G. Sections of my office, I request that Government may be pleased to sanction immediately at least two posts of upper division clerks to enable me to have the scrutiny of the financial statements completed and grant sanctioned in time and to avoid complaints from managements.

S.R.U. Savor,
Director of Public Instruction,
Madras.
