~~Many representations~~

Hi,

I, as a member of the Vizag Dist Harijan Welfare Committee, beg to bring to your kind notice the following grievance for immediate redress.

48059

There were fee concessions for Harijan students previously in the Municipal High Schools; now the municipalities have cancelled that concession and insist on the students for payment of fees, stating that they shall be refunded afterwards on receipt of orders from the Govt. Herein, I beg to submit that many of the Harijan students are so poor that they cannot pay their fees at all; and it is unimaginable how they can think of their payment at all.

I therefore request you to pass immediate orders and give necessary directives to the concerned institutions that fees may not be demanded from Harijan students.

Yours faithfully,

At Madras }

Many representations are made that the Harijan students have to pay their fees to the school authorities in the beginning & the fees are refunded later. Harijans are very poor. Why should they pay the fees in the beginning and get it refunded later on? But we have instructions to the municipalities to admit the Harijan students without any fee.

Sir,

Educational concessions to Harijan pupils - Your letter to the Hon'ble Minister for Education dated 10/7/1947.

According to the Madras Educational Rules fees in secondary schools shall be paid either in one sum or in instalments, at the option of the pupils. Pupils cannot be compelled to pay three months fee in advance. The statement, that Harijan ~~peoples~~^{pupils} are made to do so, does not appear to be correct. If you will specify the institution in which such irregular collections are made, the Government will make necessary enquiries. I am to add that Harijan boys are entitled only ~~by~~^{to} half-fee concession in secondary schools.

This is a representation from Mr. Kakkan, M.L.A. I understand that the Harijan boys though they are admitted as free scholars in schools, they are asked to deposit the first three months' fees and afterwards the fees are refunded to them. These boys are so poor that they cannot manage to make the deposit and when we admit them free, I do not see any reason why we should compel them to pay the first three months' fees. For this month, they must have paid the fee. The matter may be considered and orders may be issued that these fees need not be demanded. If orders could be passed at least before the end of this month, they need not have to pay the next month's fees and so, the matter may be expedited.

2. The statement made by Mr. Kakkan, M.L.A., that fees for the first three months are collected from the Harijan pupils does not appear to be correct as such collection is irregular with reference to Rule 86 (b) of the M.E.R. He may therefore be requested to furnish particulars regarding the institution where this irregular collection is made.

3. I may also add that Harijan boys are not entitled under Rule 92, M.E.R., to full fee concession; they are entitled only to half-fee concession.

GOVERNMENT OF MADRAS
Public Works (Information & Publicity) Department

PRESS NOTE No. 135, dated the 29th July 1948.

FEE CONCESSIONS TO HARIJANS.

In June 1948 the Government issued orders to the effect that for a period of 10 years beginning with 1948-49 full fee concessions shall be granted to Harijan pupils, both boys and girls, reading in Forms I to VI in secondary schools and that they shall be allowed to retain the concession for a second year also in the same class twice during the secondary school course, once in any one of the classes from Forms I to III and once in any one of the classes from Forms IV to VI. Rule 92 of the Educational Rules already provides that students belonging to the Harijan classes reading in Arts and Professional Colleges shall be totally exempt from payment of tuition fees. The management of educational institutions are also compensated by the Government for the loss in fee income incurred by them by the admission of Harijan pupils and students. The Director of Public Instruction has communicated copies of the orders referred to above to the managements of all educational institutions. In spite of this, Government have been receiving complaints from Harijans that heads of institutions are demanding fees from them. Managements of educational institutions are requested to grant full fee concessions to Harijans in their institutions provided they satisfy the conditions laid down in Rule 92 of the Madras Educational Rules.
