Government in their order No.G.O.1752 Edn. dated 8th December '42 temporarily discontinued the printing and supply of wall calendars as a measure of paper economy. Dated:- 4th August 1947.

Sir,

63369
Every year considerable correspondence is involved as a result of receipt of supplemental indents ^{from} heads of departments for tablet diaries and calendars on account of increase of staff. In each case they have to be referred to Government for orders. As the cost of these articles is not very appreciable, much time and correspondence can be saved if heads of departments are themselves authorized to indent on me for additional copies required for additional staff newly sanctioned.

Sub: Printing and supply of wall calendars - Resumption of.

In G.O. 1752 Edn., dated 8-12-42, Govt. decided that, owing to grave shortage of paper, the printing and supply of wall calendars should be discontinued. The S.G.P. ^{reports} submits that as suitable off-cut paper is now available, the printing of wall calendars may be resumed from 1948 onwards and calendars supplied as before. A list of officers to whom these calendars were supplied is at page 11 c.f. It is for orders whether the S.G.P. may be permitted to print and supply the wall calendars from 1948. // The Supdt., states that he receives many supplemental indents from the heads of deptts., for tablet diaries and calendars on account of increase of staff. He submits that in every case he has to obtain Govt. sanction for the supply of these articles. With a view to minimise work connected with the supplemental indents, the S.G.P. requests that general permission may be accorded to him to supply diaries and calendars to heads of deptts. without reference to Govt. It is for consideration whether the S.G.P. may be told that no Govt. sanction is necessary in regard to supplemental indents made by heads of deptts., for the supply of diaries and calendars.

The file may be sent to Finance for remarks.

Fin (Accts)

There are two proposals in this file :-

- (i) restoration of the printing and supply of wall calendars discontinued in 1942 as a measure of paper economy and
- (ii) additional supply by the S.G.P. to Heads of Dept. of tablet diaries and calendars on account of increase in staff without coming to Govt. on each occasion.

Item (i) above: - Finance may agree to the proposal, subject ~~to~~ to the list on pt 11-12 of being revised with reference to the changes effected in the list of officers included in the statement.

Item (ii) above: - According to the existing orders, the supply of tablet diaries and calendars is restricted to ~~certain~~ ^{certain} class of officers and the S.G.P. will no doubt comply with supplemental indents ~~only~~ only if they relate to such officers.

With the above remarks, the file may be returned to EPH.

Please see the Fin. Dept's notes that Dept have agreed to the proposal of the printing and supply of wall calendars. It may be noted that there were only 4 Advisers in 1943 and in their places 13 ministers have assumed office and they have to be supplied each with a wall calendar + a diary. The S.G.P. may be requested to delete the entry "Secretary, Provt. War Committee" from the list as this post no longer exists.

Finance have also agreed to the supply of articles of stationery to the supplemental indents
