 In G.O.No. 734 Edn. dated 11-5-45 Government sanctioned
 the opening of Natural Science under Part III of the Intermediate
 course in the Government College, Kumbakonam and sanctioned the

 There are in the current year 89 students in both the classes
 offering the subject. The work of the two classes consists
 of 4 hours of lecture 8 hours of practical and the connection of
 record books of the 89 students. In addition, the Assistant
 Lecturer has to devote 4 hours of work on the arrangement of
 practical work and also to see to the collection of dissection
 specimens for Botany and Zoology. The Assistant Lecturer by
 himself cannot do all the work referred to above and that the
 services of a demonstrator are absolutely necessary. In the
