Ref. No. 39716-2-A/47. Dated 6th Oct. 1947.

Sir,

Sub:- Typewriter - Government Lady Goschen Hospital
Mangalore - supply of - sanction - requested

The Superintendent, Government Lady Goschen Hospital Mangalore brings to notice that a lot of correspondence pertaining to the hospital is being carried on in manuscript at present want of a typewriter, involving considerable waste of time on part of the clerical staff which could otherwise be utilised some other urgent work, and requests sanction for the supply typewriter to the hospital, in order to facilitate the fair work. The number of references received and disposed of in hospital for the past twelve months, is stated to be 1780 and 1762 respectively.

- 2 -

The sanctioned bedstrength of the hospital is 80 and one of the clerks employed therein is stated to be a qualified typist who could handle the machine safely, when one is supplied.

The Government in their order Ms. No. 588 Education dated 15-8-1947 have sanctioned the supply of a typewriter to the Government Hospital, Tellicherry which is on a par with the Lady Goschen Hospital, Mangalore in regard to the bedstrength, Hospital establishment etc. I therefore consider that the request of the Superintendent Lady Goschen Hospital, is just and equitable and recommend the supply of a typewriter to the Lady Goschen Hospital on the analogy of the Government Hospital, Tellicherry.

Your obedient servant,

P. R. Srinivasan
for Surgeon-General with the Govt. of Madras.
