size, policy size and 50 portable machines, purchased for use
during the year 1947-48 with reference to G.O.No.Ms.1139 Ed
dated the 4th June 1947 have all been issued to officers and the
balance at present is 52 typewriters, consisting of 38 foolscap size
6 portable and 8 brief size machines only. They will be issued to
officers to whom the supply is still pending, within few days and
such will not be sufficient to meet the demands of the officers
during the remaining period of the current year. At least 300
typewriters consisting of 200 foolscap size, 30 brief size, 20 poli
size and 50 portables will be required.

I therefore request, the sanction of Government for the
additional purchase of 300 typewriters of different sizes referred
to above to the extent noted against each.

As the stock is expected to be exhausted by the time the
sanction of Government is received I am placing orders with the
local firms here for the supply of few typewriters, to meet the
demands expected to be received from officers. I request that my
action may kindly be approved.
